5. OPERATING INSTRUCTIONS: MAKING POTIONS

The Magic Mixies Magic Potion Kit allows you to create over 70 different potions, each with a unique 'WOW' reaction. Follow the instructions in the included Spell Book for specific recipes.

1. **Choose a Potion:** Open the Magic Mixies Spell Book and select a potion recipe you wish to create. Each recipe will list the required ingredients and steps.
2. **Gather Ingredients:** Collect all the ingredients specified in the chosen recipe. Ensure they are correctly labeled.
3. **Measure Accurately:** Use the measuring cups and pipette to measure ingredients precisely as indicated in the Spell Book. Accuracy is key for successful potion reactions.
4. **Mix and Observe:** Follow the mixing instructions carefully. Pour, stir, and combine ingredients in the cauldrons as directed. Observe the magical 'WOW' reactions, which may include fizzing, bubbling, solidifying, color changes, or layering effects.
5. **Experiment:** Once familiar with the basic recipes, you can experiment with combining different ingredients to discover new reactions, always adhering to safety guidelines.

6. MAINTENANCE AND CARE

- **Cleaning:** After each use, thoroughly clean the mixing cauldrons, measuring cups, pipette, and stirring stick with warm water and mild soap. Rinse well and allow to air dry completely before storing.
- **Ingredient Storage:** Ensure all ingredient bottles and packets are securely closed after use to prevent spillage or contamination. Store them in a cool, dry place, away from direct sunlight.
- **Disposal:** Dispose of used potions and any remaining ingredients according to local regulations. Do not pour chemicals down the drain.
- **General Care:** Keep the Spell Book clean and dry. Avoid bending or tearing its pages.

7. TROUBLESHOOTING

If you encounter issues while using your Magic Mixies Magic Potion Kit, consider the following:

- **Potion Not Reacting:**
 - Ensure all ingredients were measured accurately according to the Spell Book.
 - Verify that the ingredients were added in the correct order and mixed as instructed.
 - Check the expiration dates of liquid ingredients, if applicable.

- **Difficulty Cleaning Components:**

- For stubborn residues, soak components in warm, soapy water for a few minutes before scrubbing gently.

- **Missing or Damaged Parts:**

- Contact MOOSE TOYS LLC customer support for assistance.
