## MAINTENANCE AND CARE

---

Proper care will extend the life of your Adidas RUNxSPNV C A.R. Running Cap.

- **Cleaning:** This cap is **not washable**. Do not machine wash, hand wash, or dry clean.
- **Spot Cleaning:** For minor dirt or stains, gently wipe the affected area with a damp cloth and mild soap. Avoid saturating the fabric.
- **Drying:** Allow the cap to air dry completely at room temperature. Do not tumble dry or use direct heat, as this can damage the material and shape.
- **Storage:** Store the cap in a cool, dry place away from direct sunlight to prevent fading and material degradation. Avoid crushing or folding the cap excessively to maintain its shape.

## TROUBLESHOOTING

---

While the Adidas RUNxSPNV C A.R. Running Cap is a simple accessory, here are solutions to common minor issues:

- **Cap feels too tight or too loose:** Adjust the strap at the back of the cap until a comfortable and secure fit is achieved.

- **Cap feels uncomfortable:** Ensure the cap is positioned correctly on your head and the adjustable strap is not overly tight. If discomfort persists, check for any foreign objects inside the cap.
- **Sweat accumulation:** The cap features AEROREADY technology designed to wick sweat. However, in extreme conditions, some sweat may still accumulate. Consider taking breaks or using a sweatband underneath for additional absorption.
