ROPER Riley Triad Boots User Manual

Model: 09-021-1566-3020 TA

1. Introduction

Thank you for choosing ROPER Riley Triad Boots. These boots are designed to enhance your style with their unique embroidered design and comfortable fit. Crafted with a textile and synthetic upper, textile lining, and a durable man-made outsole, they offer both aesthetic appeal and practical wear.

This manual provides essential information on the features, proper wearing, care, and specifications of your new boots to ensure their longevity and your satisfaction.

2. Product Features

- **Upper Material:** Textile and synthetic construction for durability and style.
- **Lining and Insole:** Soft textile for enhanced comfort.
- **Style:** Convenient pull-on design.
- **Toe Design:** Classic round-toe for a comfortable fit.
- **Ease of Wear:** Equipped with pull tabs for effortless donning.
- **Aesthetic Detail:** Intricate embroidered design on the vamp and shaft.
- **Heel:** Features a small heel tab for subtle elevation.
- **Outsole:** Durable man-made material for reliable traction.

3. Wearing Instructions

The ROPER Riley Triad Boots feature a pull-on style for ease of use. Follow these steps for comfortable wear:

1. **Prepare Your Feet:** Ensure your socks are smooth and free of wrinkles.

2. **Grasp Pull Tabs:** Hold the pull tabs located on the sides of the boot shaft.
3. **Slide Foot In:** Gently slide your foot into the boot, using the pull tabs to guide it down.
4. **Adjust for Comfort:** Once your foot is fully in, adjust your foot to ensure a comfortable fit within the round-toe design.

4. Care and Maintenance

Proper care will extend the life and appearance of your ROPER Riley Triad Boots. Given their textile and synthetic upper, and faux leather outer material, specific cleaning methods are recommended.

General Cleaning:

- **Dust and Dirt:** Use a soft, dry cloth or a soft-bristled brush to gently remove loose dirt and dust from the surface.
- **Spot Cleaning:** For minor spots, dampen a clean cloth with a small amount of mild soap and water. Gently dab the affected area. Avoid saturating the material.

- **Drying:** Allow boots to air dry naturally at room temperature, away from direct heat or sunlight. Do not use a hairdryer or artificial heat sources, as this can damage the materials.

Specific Material Care:

- **Faux Leather/Synthetic:** For scuffs or marks, a specialized faux leather cleaner or a very mild, diluted detergent can be used. Always test on an inconspicuous area first.
- **Textile Areas:** For the textile lining and embroidered areas, use a soft brush or a slightly damp cloth. Avoid harsh scrubbing.
- **Rubber Sole:** The rubber outsole can be cleaned with a damp cloth and mild soap to remove dirt and maintain grip.

Storage:

Store your boots in a cool, dry place away from direct sunlight. Using boot trees or stuffing the boots with paper can help maintain their shape.

Sole Material	Rubber
Origin	Made in the USA or Imported
Package Dimensions	15.59 x 12.48 x 4.88 inches
Item Weight	6 Pounds
Date First Available	January 12, 2023

7. Troubleshooting

This section addresses common concerns you might encounter with your boots.

- **Issue: Boots feel too tight or uncomfortable.**
  Solution: Ensure you have selected the correct size using the provided sizing chart. Boots may require a short break-in period. If discomfort persists, consider wearing thinner socks or consulting a footwear specialist.
- **Issue: Boots are difficult to pull on.**
  Solution: Utilize the pull tabs on the shaft. Ensure your socks are smooth. A thin sock liner can sometimes help reduce friction.
- **Issue: Scuffs or marks on the faux leather.**
  Solution: For minor scuffs, gently rub with a soft, damp cloth. For more stubborn marks, a specialized faux leather cleaner can be used, following the product instructions and testing on an inconspicuous area first.
- **Issue: Boots have an odor.**
  Solution: Allow boots to air out thoroughly after each wear. You can use shoe deodorizers or sprinkle baking soda inside the boots overnight to absorb odors.

8. Warranty and Support

For information regarding warranty coverage, returns, or additional product support, please refer to the retailer's return policy or contact ROPER customer service directly. Contact details can typically be found on the ROPER brand website or through your purchase platform.

Always retain your proof of purchase for any warranty claims or support inquiries.
