

IMILAB IMISW02

IMILAB W02 Smart Watch User Manual

Model: IMISW02

1. INTRODUCTION

The IMILAB W02 Smart Watch is an advanced wearable device designed to enhance your daily life with smart features and health monitoring. It features a large 1.85-inch borderless full touch screen, an innovative magnetic strap, and a comprehensive suite of functionalities including Bluetooth calling, over 100 sports modes, and 24-hour health tracking.

2. SETUP

2.1. Charging the Device

Before initial use, fully charge your IMILAB W02 Smart Watch. Connect the magnetic charging cable to the charging points on the back of the watch and to a standard USB power adapter (not included). The watch features rapid recharging, typically reaching full capacity within 2 hours.

2H Rapid Recharging

2.2. Pairing with Your Smartphone

To unlock all features, pair your IMILAB W02 Smart Watch with the companion application on your smartphone via Bluetooth. Ensure Bluetooth is enabled on your phone, then follow the in-app instructions to connect your watch. This enables features like Bluetooth calling, notifications, and data synchronization.

3. OPERATING INSTRUCTIONS

3.1. Basic Navigation

The IMILAB W02 features a 1.85-inch borderless full touch screen for intuitive navigation. Swipe across the screen to access different menus and functions. The digital crown on the side can be used for scrolling and selection.

3.3. Sports Modes

Choose from over 100 goal-based exercise modes to track your physical activity. The watch provides real-time statistics during workouts, helping you monitor your performance and progress.

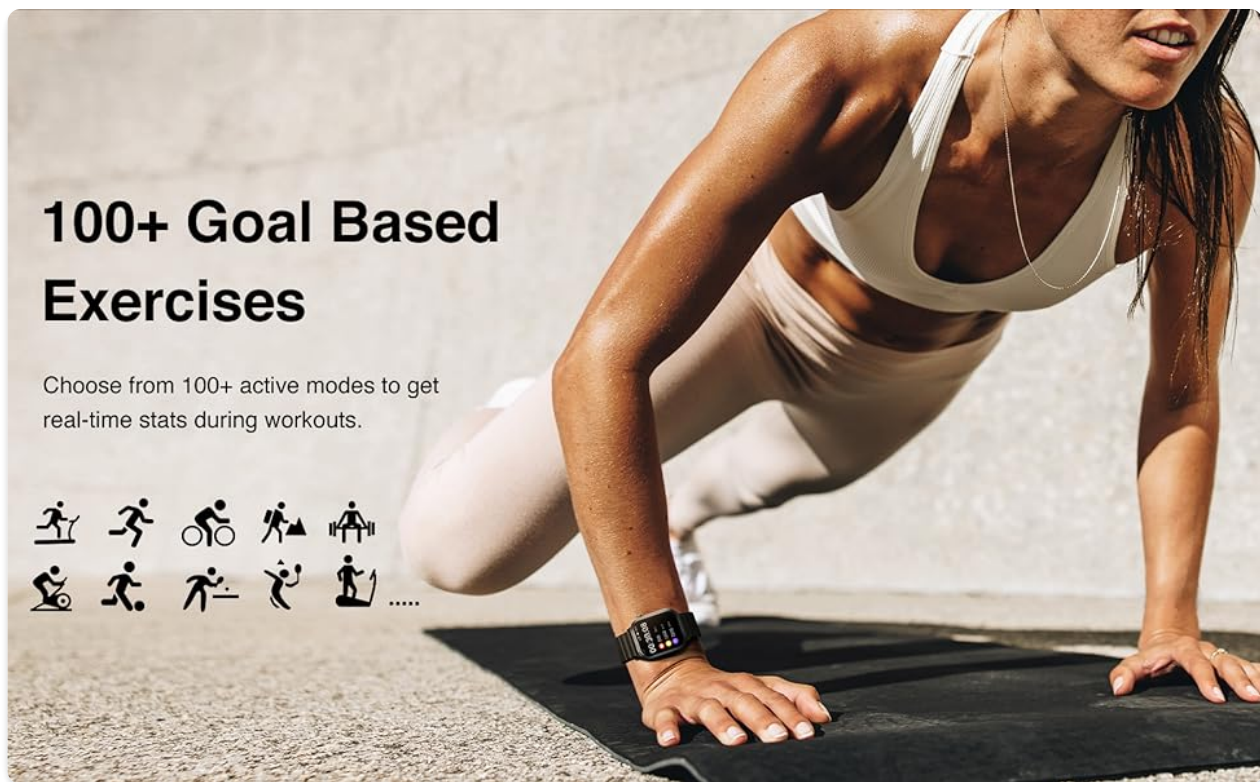

Image 3.3: The IMILAB W02 supports over 100 goal-based exercise modes.

3.4. Health Monitoring

The W02 acts as your personal health assistant with its 24-hour smart bio tracker. It continuously monitors your heart rate, SpO2 blood oxygen levels, and sleep patterns. Features like mindful breathing exercises are also included to support your well-being.

3.5. Other Features

- **Customizable Watch Faces:** Personalize your watch with various watch face options available through the companion app.

- **Music Player Control:** Control music playback on your smartphone directly from the watch.
- **Voice Assistant:** Access your smartphone's voice assistant for hands-free operations.
- **Multi-functional Reminders:** Set reminders for various activities and events.

4. MAINTENANCE

4.1. Water Resistance

The IMILAB W02 Smart Watch is IP68 water-resistant, meaning it can withstand dust, dirt, and sand, and is resistant to submersion up to a maximum depth of 1.5m for up to 30 minutes. It is suitable for daily use and light water activities, but not recommended for swimming or diving.

4.2. Cleaning

To clean your watch, wipe it with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials. Ensure the charging contacts are clean and dry before charging.

4.3. Strap Care

The unique magnetic strap is skin-friendly and breathable. Clean it regularly to prevent skin irritation. If using the silicone strap, it is also waterproof and easy to clean.

Fashionable Magnet Strap

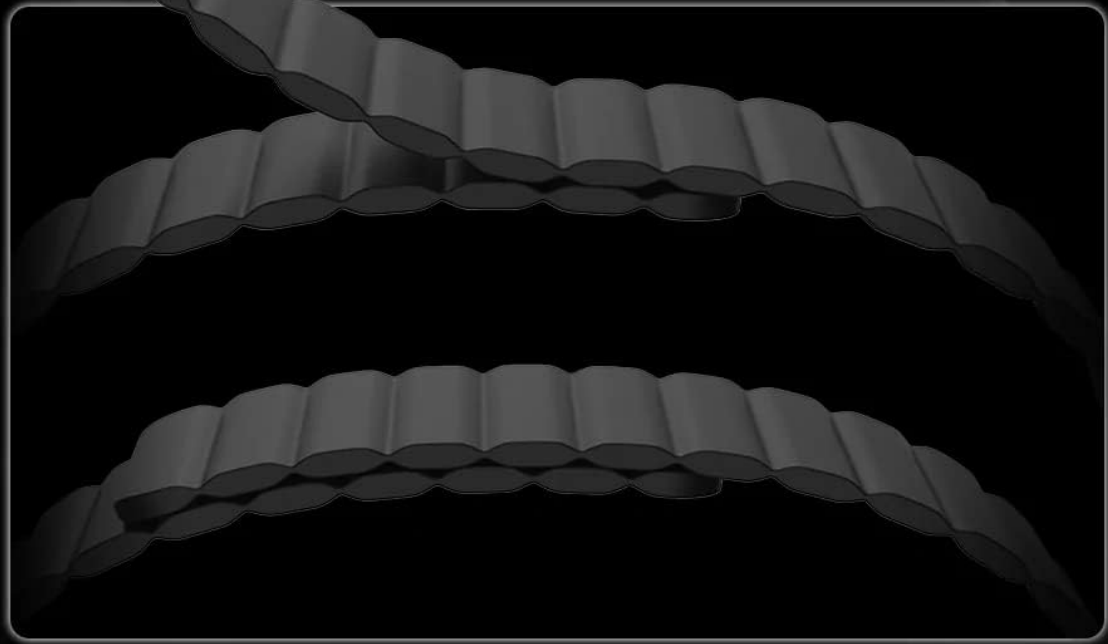

Image 4.1: Detail of the fashionable magnetic strap.

5. TROUBLESHOOTING

5.1. Watch Not Turning On

Ensure the watch is fully charged. If it still does not turn on, try connecting it to the charger for at least 30 minutes.

5.2. Pairing Issues

If you experience difficulty pairing, ensure the watch is within Bluetooth range of your smartphone. Restart both the watch and your phone, then attempt pairing again through the companion app.

5.3. Inaccurate Health Data

For accurate health monitoring, ensure the watch is worn snugly on your wrist, but not too tight. Keep the sensor area clean. Environmental factors and movement can affect readings.

6. SPECIFICATIONS

Feature	Specification
Model Number	IMISW02
Screen Size	1.85 Inches
Screen Type	Borderless Full Touch Screen
Battery Capacity	280 Milliamp Hours (Lithium Ion)
Connectivity	Bluetooth
Water Resistance	IP68
Product Dimensions	1.3 x 3.8 x 4 cm
