2. Sᴇᴛᴜᴘ

2.1. Charging the Device

Before initial use, fully charge your X ULTRA Smart Watch. The device supports wireless charging.

1. Place the smart watch on the wireless charging pad. Ensure the back of the watch is in full contact with the charger.
2. Connect the wireless charging pad to a power source.
3. The watch screen will indicate charging status. A full charge typically takes approximately 2 hours.

2.2. Powering On/Off

- **To Power On:** Press and hold the side button until the screen illuminates.

- **To Power Off:** Press and hold the side button, then select 'Power Off' from the options displayed on the screen.

2.3. Pairing with Your Smartphone

To access all smart features, pair your watch with a compatible smartphone via Bluetooth.

1. Download the dedicated companion application for the X ULTRA Smart Watch from your smartphone's app store. Refer to the packaging or quick start guide for the app name.
2. Ensure Bluetooth is enabled on your smartphone.
3. Open the companion app and follow the on-screen instructions to add a new device.
4. On your smart watch, navigate to the Bluetooth settings to make it discoverable.
5. Select your X ULTRA Smart Watch from the list of available devices in the app to complete the pairing process.

3.2. NFC Door Access

The X ULTRA Smart Watch supports NFC for convenient door access where compatible systems are available.

1. Ensure the NFC feature is enabled in your watch settings.

2. Follow the instructions provided by your NFC door access system administrator to register your watch.

3. To unlock, hold your watch near the NFC reader until the door unlocks.

3.3. Bluetooth Calls

Once paired with your smartphone, you can make and receive calls directly from your watch.

- **Making a Call:** Access the dialer or contacts list on your watch, select a contact, or dial a number.
- **Receiving a Call:** When a call comes in, the watch will display the caller ID. Tap the green icon to answer or the red icon to reject.

3.4. Heart Rate Monitor

The integrated heart rate monitor tracks your heart rate throughout the day.

- To view your current heart rate, navigate to the Heart Rate application on your watch.
- Ensure the watch is worn snugly on your wrist for accurate readings.
- Historical data can be viewed in the companion app on your smartphone.

4. MAINTENANCE

4.1. Cleaning Your Smart Watch

Regular cleaning helps maintain the watch's appearance and functionality.

- Wipe the screen and body with a soft, lint-free cloth.
- For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.
- Clean the charging contacts periodically to ensure efficient charging.

4.2. Battery Care

- Avoid exposing the watch to extreme temperatures, which can degrade battery life.
- If storing the watch for an extended period, charge it to approximately 50% to preserve battery health.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your X ULTRA Smart Watch.

- **Watch not powering on:** Ensure the watch is fully charged. If the issue persists, try performing a soft reset by holding the side button for 10-15 seconds.
- **Cannot pair with smartphone:**
  - Ensure Bluetooth is enabled on both devices.
  - Make sure the watch is discoverable.
  - Restart both the watch and the smartphone.
  - Clear previous Bluetooth connections on your phone if necessary.
- **Inaccurate heart rate readings:** Ensure the watch is worn snugly on your wrist, not too loose or too tight. Clean the sensor on the back of the watch.
- **NFC door access not working:** Verify NFC is enabled on the watch and that your watch is properly registered with the access system. Ensure the watch is held close enough to the reader.
