

Merax 208 x 39.5 x 80 cm

Merax Modern Storage Buffet

MODEL: 208 x 39.5 x 80 cm, WHITE

Instruction Manual

1. Introduction

Thank you for choosing the Merax Modern Storage Buffet. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. Safety Information

Warning:

- Do not overload drawers and doors.
- Ensure the furniture is correctly installed and secured to prevent tipping.
- Supervise children to avoid pinching hazards from moving parts.
- Keep small parts and assembly hardware away from children.

3. Product Overview

The Merax Modern Storage Buffet is designed to offer both aesthetic appeal and practical storage solutions for your dining room, living room, or kitchen. It features a contemporary design with a matte white marbled veneer body and oak-finished drawer fronts, creating a warm and modern ambiance.

Constructed from high-quality laminated MDF for the fronts and particle board with melamine coating for the body, this buffet is lightweight, stable, and easy to maintain. It includes two spacious drawers and four large doors, each concealing two generous compartments, providing ample storage for various items.

The buffet is equipped with discreet silver handles. The drawers operate smoothly and quietly on metal telescopic slides for easy access.

4. Components List

The Merax Modern Storage Buffet is delivered with all necessary components and hardware for assembly. A detailed, illustrated assembly manual is included in the packaging, which lists all specific parts and hardware. Please refer to that manual for a complete list and to verify all parts are present before starting assembly.

Typical components include:

- Main body panels (top, bottom, sides, back)
- Drawer panels and fronts
- Door panels
- Internal shelves
- Drawer slides and handles
- Hinges and door handles
- Assembly hardware (screws, dowels, cam locks, etc.)

5. Setup and Assembly

Assembly of the Merax Modern Storage Buffet requires careful attention to the detailed, illustrated instructions provided in the separate assembly manual. It is recommended to have two people for assembly due to the size and weight of some components.

Required Tools (not included):

- Phillips head screwdriver
- Hammer (for dowels and back panel nails)
- Measuring tape (optional, for placement)

Assembly Steps (General Guidance):

1. Unpack all components and verify against the parts list in the included manual.
2. Identify each part and hardware piece.
3. Assemble the main frame of the buffet according to the step-by-step diagrams.
4. Install drawer slides and assemble drawers.
5. Attach door hinges and install doors.
6. Insert internal shelves.
7. Attach handles to drawers and doors.
8. Secure the back panel.
9. Place the buffet in its desired location and ensure it is stable. Consider using anti-tip hardware if provided, especially in homes with children.

For detailed, step-by-step instructions, please refer to the dedicated assembly manual included with your product.

6. Operating Instructions

The Merax Modern Storage Buffet is designed for straightforward use.

- **Drawers:** Gently pull the silver handles to open the drawers. Push them back in until they are fully closed. The metal telescopic slides ensure smooth and quiet operation. Avoid forcing drawers if they feel stuck.
- **Doors:** Pull the silver handles to open the doors. Push them firmly to close. Ensure doors are fully closed to protect contents and maintain the buffet's appearance.
- **Storage:** This buffet is recommended for storing kitchen utensils, dishes, or food items. The internal compartments and drawers provide versatile storage options. Distribute weight evenly to maintain stability.

7. Maintenance

To ensure the longevity and appearance of your Merax Modern Storage Buffet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a dry cloth. For stubborn marks, a slightly damp cloth followed immediately by a dry cloth can be used. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood and veneer.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Heat and Moisture:** Keep the buffet away from direct heat sources and areas of high humidity to prevent warping or damage.
- **Hardware:** Periodically check and tighten any loose screws or fittings to maintain structural integrity.

8. Troubleshooting

If you encounter any issues with your Merax Modern Storage Buffet, refer to the following common troubleshooting tips:

- **Missing or Damaged Parts:** If you find any parts missing or damaged upon unpacking, do not proceed with assembly. Contact Merax customer support immediately with your purchase details and a description of the issue.
- **Drawers Not Sliding Smoothly:** Check that the drawer slides are correctly installed and aligned. Ensure no debris is obstructing the tracks. Verify that all screws securing the slides are tight.
- **Doors Not Closing Properly:** Inspect the hinges for correct installation and alignment. Adjust hinges if necessary to ensure doors hang straight and close flush with the cabinet frame.
- **Wobbly or Unstable Buffet:** Ensure all cam locks and screws are fully tightened. If the floor is uneven, use furniture levelers (if included or purchased separately) under the legs to stabilize the unit. Always use anti-tip hardware if provided.
- **Misaligned Holes During Assembly:** While rare, if holes do not align, double-check that you are using the correct parts for that step and that they are oriented correctly. Do not force parts together. If the issue persists, contact customer support.

9. Specifications

Feature	Specification
