MAINTENANCE

To ensure the longevity and optimal performance of your yobola T3 Wireless Earbuds, please follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials. Gently remove any earwax or debris from the eartips and speaker mesh.
- **Charging:** Always use the provided USB-C cable for charging. Ensure the charging contacts on both the earbuds and the case are clean and dry before placing the earbuds back into the case.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust, moisture, and physical damage. Avoid exposing them to extreme temperatures.
- **Water Resistance:** The earbuds are IPX7 waterproof, meaning they can withstand submersion in up to 1 meter of water for 30 minutes. However, they are not designed for swimming or prolonged water exposure. Ensure earbuds are completely dry before placing them back in the charging case to prevent damage.
