# IMIPAW Automatic Cat Feeder Instruction Manual

Model: DU3L-KY-02

## INTRODUCTION

---

The IMIPAW Automatic Cat Feeder is designed to provide a convenient and reliable feeding solution for your cats and small dogs. With programmable timed feeding, adjustable portion sizes, and a dual power supply, it ensures your pet receives consistent meals, promoting a healthy diet and providing peace of mind for pet owners.

## SETUP

---

### 1. Unboxing and Assembly

1. Turn counter clockwise to remove the cover.
2. Take out the inside accessories.
3. Fill the feed bowl from the below.
4. Put in the pet food.
5. Turn clockwise to close the lid.
6. Plug in the power supply to set use.

Image: Step-by-step visual guide for unboxing and assembling the feeder.

## 2. Power Supply

The feeder supports dual power supply for uninterrupted operation:

- **5V DC Adapter:** Connect the provided adapter to a power outlet.
- **3 x Alkaline D-cell Batteries:** (NOT INCLUDED) Install 3 D-cell batteries for backup power in case of power outages. This ensures continuous food supply for your pet.

### 3. Filling the Feeder

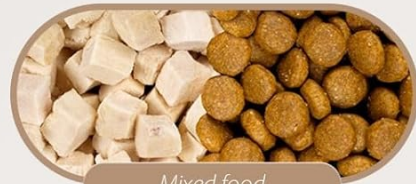

The 3L (12 cup) food storage capacity is suitable for most pets for several days. Ensure the food is dry kibble with a size between 2-10mm to prevent clogging.

# Anti-clog Design

Suitable for dry food sizes 2-10mm

*Dry food*

*Mixed food*

*Freeze Dried Food*

## OPERATING INSTRUCTIONS

---

### 1. Setting the Feeding Schedule

The 12-hour clock is easy to program. You can set up to 6 meals per day and up to 20 servings per meal. Each serving is approximately 7-9 grams.

- Press and hold the 'SET' button for 3 seconds to enter time setting mode.
- Use the 'UP' and 'DOWN' buttons to adjust the time and meal settings.
- Press 'SET' briefly to confirm settings and move to the next step.

# Customized Feeding Schedule for Pets

You can set up 6 meals per day and 20 servings per meal.

Image: Example of a customized feeding schedule with multiple meals and portion sizes throughout the day.

## 2. Manual Dispensing

To manually dispense one portion of food, press both the 'UP' and 'DOWN' buttons simultaneously.

## 3. Portion Control

The feeder allows precise portion control from 1 to 20 portions per meal. One portion is approximately 1 tablespoon (10.4ml). Refer to the recommended daily feeding portions table for guidance based on your pet's needs.

# Keep Your Feed On Time

No worry whenever and wherever you are

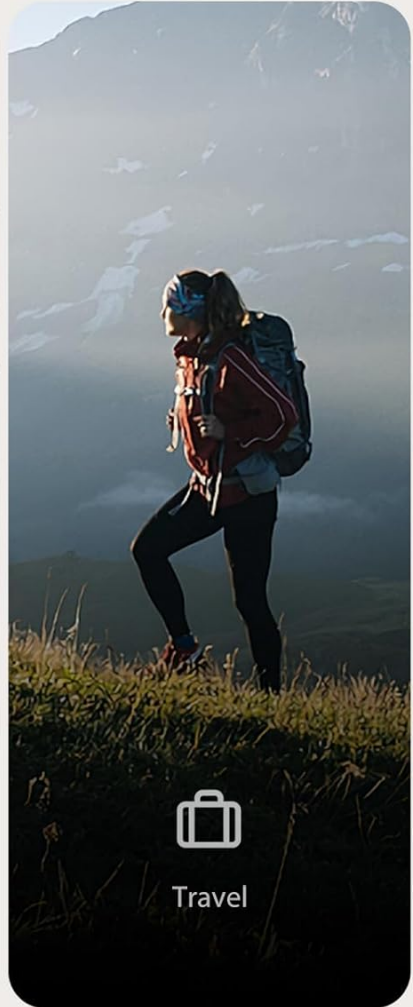

Image: Overview of the feeder's features including portion control, meal scheduling, capacity, and timed feeding.

## 4. Comfortable Eating Angle

The feeder features a friendly tilt angle to provide a more comfortable eating position for your pet, reducing neck strain.

## Provides a more comfortable eating angle

It features a friendly tilt angle so cats' necks don't get tired and eating is comfortable.

### MAINTENANCE

---

#### 1. Cleaning

The cat food tray is removable for easy cleaning. Hand wash only. Ensure all parts are completely dry before reassembly to prevent food spoilage or feeder malfunction.

#### 2. Anti-Clogging Design

The feeder is designed with a proper angle to prevent food from accumulating in the food outlet. Use dry food sizes between 2-10mm to ensure smooth operation and prevent clogging.

## TROUBLESHOOTING

- **Food Not Dispensing:**
  - Check if the food tank is empty.
  - Ensure the kibble size is within the recommended 2-10mm range. Larger kibble can cause blockages.
  - Verify power supply (AC adapter or D-cell batteries).
  - Press the 'UP' button for 6 seconds to restore factory settings, then reprogram.
- **Time Drift:**
  - If the feeder's internal clock drifts over time, reset the current time of the device by pressing and holding the 'SET' button for 3 seconds.
- **Feeder Tipping Over:**
  - The feeder can be top-heavy when full. Place it in a stable location or against a wall to prevent pets from tipping it over.
- **Pets Accessing Food Directly:**
  - Ensure the safety locking lid is securely closed.
  - The anti-clog design helps prevent pets from reaching into the dispenser.
