COMOMY Playpens for Toddlers, 71"x59" Baby Playard Extra Large

Model: HN-669-71"x59" Dark Green | Brand: COMOMY

1. PRODUCT OVERVIEW

The COMOMY 71"x59" Baby Playard is designed to provide a safe and spacious activity center for toddlers aged 0 to 6 years. This extra-large playpen features a full mesh design for visibility, non-slip stability, and durable construction for both indoor and outdoor use. It includes accessories such as pit balls and pull rings to support your child's development.

2. SAFETY INFORMATION

Prioritize your child's safety by adhering to the following guidelines:

- **Supervision:** Always supervise your child while they are in the playpen.
- **Stable Placement:** Ensure the playpen is assembled on a flat, stable surface. The strong suction cups on the connectors are designed to prevent slipping.
- **Secure Connections:** Verify that all thickened steel pipes and upgraded connectors are securely fastened to prevent deformation or fracture.
- **Corner Protection:** The playpen features pad corner protection. Ensure these are properly in place to guard against bumps.
- **Mesh Design:** The full mesh design allows for constant visibility of your child, enhancing their sense of security and allowing you to monitor their activities.
- **Zipper Door:** The external zipper door is designed to prevent your baby from opening it from the inside,

ensuring they remain safely contained.

- **Additional Padding:** Please note that there is no padding at the bottom of the playpen. It is recommended to purchase an additional baby play mat for cushioning and comfort.
- **Weight Limit:** Do not exceed the maximum weight recommendation of 35 pounds.

4. SETUP AND ASSEMBLY

The COMOMY Playard is designed for quick and easy assembly, typically taking around 10 minutes without the need for additional tools. Follow these steps:

1. **Unpack Components:** Take all accessories and parts out of the portable bag and lay them out.
2. **Assemble the Bottom Frame:** Connect the appropriate steel tubes using the T-tees and suction cup tees to form the base of the playpen. Ensure all connections are firm.
3. **Assemble Side Frames:** Continue by connecting the vertical and horizontal steel tubes for the side panels. Slide the foam pipes onto the tubes as you assemble to provide cushioning.
4. **Attach Fabric:** Carefully fit the Oxford cloth playpen fabric over the assembled frame, ensuring the mesh

panels and zipper door are correctly oriented.

5. **Secure Corners and Fittings:** Once the main structure is complete, cover the corner cloths and attach any remaining fittings, such as the pull rings and mini basketry hoop, to the designated areas.

5. OPERATING INSTRUCTIONS

Using your COMOMY Playard is straightforward:

- **Child Placement:** Gently place your child inside the playpen. The spacious area allows for comfortable movement and play.
- **Zipper Door Access:** The internal zipper door provides convenient access for you and your child. Ensure it is fully zipped and secured when your child is inside to prevent them from exiting unsupervised.
- **Visibility:** The full mesh design ensures you can easily see your child from any angle, and your child can see you, promoting a sense of security.
- **Play Accessories:** Encourage your child to interact with the included 25 pit balls and mini basketry to develop grasping ability and motor skills. The 4 pull rings are designed to assist your baby in standing and toddling.

Breathable Fabric, Visible Mesh

See each other through the mesh, your baby feels safer

6. MAINTENANCE AND CLEANING

To ensure the longevity and hygiene of your COMOMY Playard:

- **Fabric Cleaning:** The waterproof Oxford cloth is easy to clean. Any milk or urine stains can be wiped away with a damp cloth. For deeper cleaning, the fabric can be removed and hand-washed with mild soap and water. Allow to air dry completely before reassembly.
- **Frame Cleaning:** Wipe down the steel pipes and connectors with a damp cloth as needed. Avoid harsh chemicals that may damage the materials.
- **Regular Inspection:** Periodically check all connections, fabric, and accessories for any signs of wear, damage, or loose parts. Replace or repair as necessary.
- **Storage:** When not in use, disassemble the playpen and store it in the provided portable bag in a cool, dry place away from direct sunlight.

7. TROUBLESHOOTING

If you encounter any issues with your COMOMY Playard, consider the following:

- **Playpen Instability:** If the playpen feels wobbly, ensure all steel tubes are fully inserted into their connectors and that the suction cups at the base are firmly pressed onto a clean, smooth surface.
- **Difficulty Assembling:** Refer to the assembly instructions and diagrams. Ensure you are using the correct tubes and connectors for each section. Sometimes, applying slight pressure or wiggling components can help them fit.
- **Zipper Malfunction:** Check if the zipper is obstructed by fabric. Ensure it is aligned properly before zipping. Avoid forcing the zipper.
- **Missing Parts:** If any components are missing upon unboxing, contact COMOMY customer support immediately.
