COMOMY HN-669-36x36 Dark Green Baby Playpen Instruction Manual

Brand: COMOMY | Model: HN-669-36x36

1. INTRODUCTION AND SAFETY GUIDELINES

The COMOMY Baby Playpen provides a secure and engaging space for babies and toddlers aged 0 to 6 years. Designed with safety and convenience in mind, this activity center allows your child to play and explore within a controlled environment.

Important Safety Information:

- Always ensure all components are securely assembled before placing a child inside.
- The playpen features thickened steel pipes, upgraded connectors to prevent fracture, and strong non-slip suction cups for stability.
- The 150D Oxford cloth and inner cotton cover are tear-resistant.
- Pad corner protection is included to guard your baby from bumps.
- The full mesh design allows for constant visibility of your child.
- The internal zipper door is designed for adult access and interaction, keeping the baby from opening it independently.
- This playpen does not include padding at the bottom. An additional baby play mat should be purchased for comfort and safety.
- Maximum weight recommendation: 10 pounds.

2. PACKAGE CONTENTS

Before assembly, please verify that all the following components are present:

- Playpen Fabric Cover (1)
- 35-inch Steel Pipes (4)
- 35-inch Foam-covered Pipes (4)
- 23-inch Foam-covered Pipes (4)
- Connectors with Suction Cups (4)
- Triangle Connectors (4)
- Pull Rings (4)
- Portable Storage Bag (1)

Note: The term 'Cotton' in the product components refers to the fabric and padding materials used in the playpen construction.

3. SETUP AND ASSEMBLY

Assembly of the COMOMY Playpen is designed to be straightforward and tool-free, typically taking about 10 minutes. Follow these steps for proper setup:

1. **Unpack Components:** Take out all accessories from the portable bag. Separate the steel pipes, foam pipes, connectors, and playpen fabric.
2. **Assemble the Base:** Insert the appropriate length steel pipes into the bottom sleeves of the playpen fabric cover. Attach the connectors with suction cups to the corners of the base. Ensure pipes are matched correctly to the corresponding sleeves.
3. **Install Vertical Supports:** Insert the foam-covered pipes into the vertical sleeves of the playpen fabric. Connect these to the base connectors.
4. **Complete the Top Frame:** Insert the remaining foam-covered pipes into the top sleeves of the playpen fabric. Use the triangle connectors to secure the top corners, ensuring all connections are firm.
5. **Secure Corner Protection:** Cover the exposed corner joints with the provided padded corner cloths, securing them with Velcro.
6. **Attach Pull Rings:** Clip the four pull rings onto the top rails of the playpen. These are designed to assist babies in pulling themselves up.

4. OPERATING INSTRUCTIONS

The COMOMY Playpen is designed for ease of use and maximum safety for your child.

Zipper Door Access:

The playpen features an external zipper door, allowing easy access for adults to place or retrieve the child, or to interact inside the play area. The external design prevents the child from opening it independently.

External Zip Avoids Opening By Your Baby

The door is easy to get in and out for your little one

Figure 3: The external zipper door provides convenient access while ensuring child safety.

Pull Rings:

The included pull rings can be attached to the top rails, offering support for babies learning to stand or walk. Ensure they are securely fastened.

Visibility:

The full mesh design ensures that you can always see your child, and your child can see you, promoting a sense of security and allowing for constant supervision.

Breathable Fabric, Visible Mesh

See each other through the mesh, your baby feels safer

5. MAINTENANCE AND CLEANING

Maintaining your COMOMY Playpen is simple due to its durable and easy-to-clean materials.

Cleaning Instructions:

- The waterproof Oxford cloth is easy to clean.
- Wipe any milk or urine stains with a damp cloth and mild soap.
- Allow the fabric to air dry completely before folding or storing.
- Regularly inspect all components for wear and tear. Replace any damaged parts immediately to ensure continued safety.

6. TROUBLESHOOTING

If you encounter any issues with your COMOMY Playpen, please refer to the following common solutions:

Stability Issues:

- Ensure all pipes are fully inserted into their connectors and sleeves.
- Verify that the suction cups on the base connectors are firmly pressed onto a clean, smooth surface.

Missing or Damaged Parts:

- Refer to the 'Package Contents' section to confirm all parts were received.
- If any parts are missing or damaged upon arrival, please contact COMOMY customer support for assistance.

Lack of Floor Padding:

- As noted, the playpen does not include a padded mat. For added comfort and safety, it is recommended to purchase a separate baby play mat that fits the playpen's dimensions (36x36 inches).
