SETUP AND ASSEMBLY

Assembly of the Tribesigns bookshelf is designed to be straightforward. It is recommended to have two people for easier and safer assembly. All necessary hardware kits and clear instructions are included in the package.

Before You Begin:

- Unpack all components and verify against the parts list in your instruction manual.
- Ensure you have enough clear space for assembly.
- Gather any required tools (e.g., screwdriver, drill if recommended for anti-tipping strap installation).

Assembly Steps (General Guidance):

1. **Frame Assembly:** Begin by assembling the main metal frame components. Connect the vertical and horizontal bars using the provided screws.
2. **Shelf Installation:** Carefully slide or attach the rustic brown MDF boards into their designated slots or onto the

frame supports. Ensure they are securely fastened.

3. **Stabilization:** Once the main structure is assembled, attach the adjustable leg pads to the bottom of the frame. Adjust them to ensure the bookshelf is level and stable on your floor.
4. **Anti-Tipping Device:** Securely attach the anti-tipping strap to the top rear of the bookshelf and to a wall stud using the provided hardware. This step is crucial for safety.
5. **Final Check:** Double-check all screws and connections to ensure they are tight and secure before placing any items on the shelves.

Refer to the detailed diagram and step-by-step instructions included in your product packaging for precise assembly.

OPERATING AND USAGE

The Tribesigns 8-Tier Industrial Bookshelf is designed for versatile use in various rooms and for different purposes.

- **Bookshelf:** Ideal for organizing and displaying your book collection.
- **Display Shelf:** Showcase decorative items, photo frames, collectibles, and plants.
- **Storage Rack:** Can be used in the kitchen, bedroom, living room, or bathroom for general storage.
- **Plant Stand:** Its open design makes it suitable for displaying potted plants and flowers.

Best Practices:

- Distribute weight evenly across the shelves to maintain balance and prevent strain on the structure.
- Place heavier items on lower shelves for increased stability.
- Avoid placing items that exceed the shelf's depth or height to prevent them from falling.

MAINTENANCE

Proper care will ensure the longevity and appearance of your Tribesigns bookshelf.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Spills:** Immediately wipe up any spills to prevent water damage or staining to the MDF boards.
- **Dusting:** Regularly dust the shelves and frame to maintain cleanliness.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Environment:** Avoid placing the bookshelf in direct sunlight or near heat sources, which can cause fading or warping.

TROUBLESHOOTING

Here are some common issues and their solutions:

Problem	Possible Cause	Solution
Bookshelf wobbles or is unstable.	Uneven floor; loose connections; uneven weight distribution.	Adjust the leg pads at the bottom of the frame until stable. Tighten all assembly screws. Redistribute items on shelves evenly. Ensure anti-tipping device is installed.
Difficulty during assembly.	Incorrect part orientation; missing hardware; unclear instructions.	Refer to the detailed assembly diagram. Ensure parts are oriented correctly. Verify all hardware is present. Contact customer service if parts are missing or instructions are unclear.
Scratches or damage to surfaces.	Rough handling; sharp objects; abrasive cleaners.	Handle with care during assembly and use. Avoid dragging sharp objects across surfaces. Use only soft cloths and mild cleaners for maintenance.
