LEDIARY Ceiling Fan with Light

LEDIARY 20" Modern Ceiling Fan with Lights and Remote - Instruction Manual

Model: Ceiling Fan with Light (B0BRB3YB66)

INTRODUCTION

This manual provides comprehensive instructions for the installation, operation, and maintenance of your LEDIARY 20" Modern Ceiling Fan with Lights and Remote. Please read this manual thoroughly before installation and use to ensure safe and efficient operation.

PRODUCT FEATURES

- **Remote Control & APP Control:** Features 6 fan speeds and sleep timer (2H) settings for ideal comfort. Control via remote or Bluetooth-enabled app.
- **Reversible Motor and Quiet Fan:** Offers 2 airflow modes (downdraft for summer, updraft for winter) to promote air circulation and energy saving. Pure copper motor ensures smooth, powerful, and low-noise operation (Max 30dB).
- **Stepless Dimming and Color Temperature:** Customize brightness from 10%-100% (3570LM) and color temperature from warm (3000K) to white (6500K) via remote control. Settings are memorized when turned off.
- **Modern Design:** Sleek black finish with crystal accents, flush mount construction, and hidden fan blades for a contemporary aesthetic.
- **High Efficiency:** 110 Voltage Output, 60 watts, 3570 Lumens.

COMPONENTS OVERVIEW

The package includes the following main components:

- Ceiling Fan Light Fixture (with integrated LED and fan motor)
- Remote Control
- Mounting Bracket and Hardware
- Instruction Manual

Figure 4: Detail of the crystal lamp shade.

SETUP AND INSTALLATION

Professional installation is recommended. Ensure power is disconnected at the circuit breaker before beginning installation.

1. **Prepare the mounting bracket:** Secure the mounting bracket to your ceiling junction box. Ensure it is firmly attached and can support the weight of the fan.
2. **Connect wiring:** Connect the fan's electrical wires to the household wiring according to local electrical codes. Typically, this involves connecting live, neutral, and ground wires.
3. **Mount the fan:** Carefully lift the fan fixture and attach it to the mounting bracket. Ensure all connections are secure.
4. **Install fan blades:** The fan blades are typically pre-installed or easily attachable. Ensure they are securely fastened.
5. **Restore power:** Once installation is complete, restore power at the circuit breaker.

OPERATING INSTRUCTIONS

Remote Control Operation:

The remote control allows full functionality of the fan and light. Ensure AAA batteries are installed (not included). If the remote is not used for a long time, remove batteries to prevent damage.

- **ON/OFF:** Turn on/off the light and fan together.
- **Light ON/OFF:** Turn on/off the light independently.
- **Night Light Mode:** Switches to a low brightness night light mode.
- **Brightness Adjustment:** Use '+' and '-' buttons to increase or decrease light brightness (10%-100% smooth dimming).
- **Color Temperature Change:** Use 'K' button to cycle through color temperatures (3000K Warm White, 4000K Cool White, 6500K Clear White).
- **Fan Speed:** Buttons '1' through '6' control fan speed, with '6' being the highest.
- **Fan OFF:** Turns off the fan.
- **F/R (Forward/Reverse):** Changes fan rotation direction for summer (downdraft) or winter (updraft) modes.
- **Timer Setting:** '1H' and '2H' buttons set the fan timer for 1 or 2 hours.

APP & Remote Control

✧ Tips: APP Control Needs Bluetooth

Cool in Summer & Warm in Winter

through Reversible Air Circulation

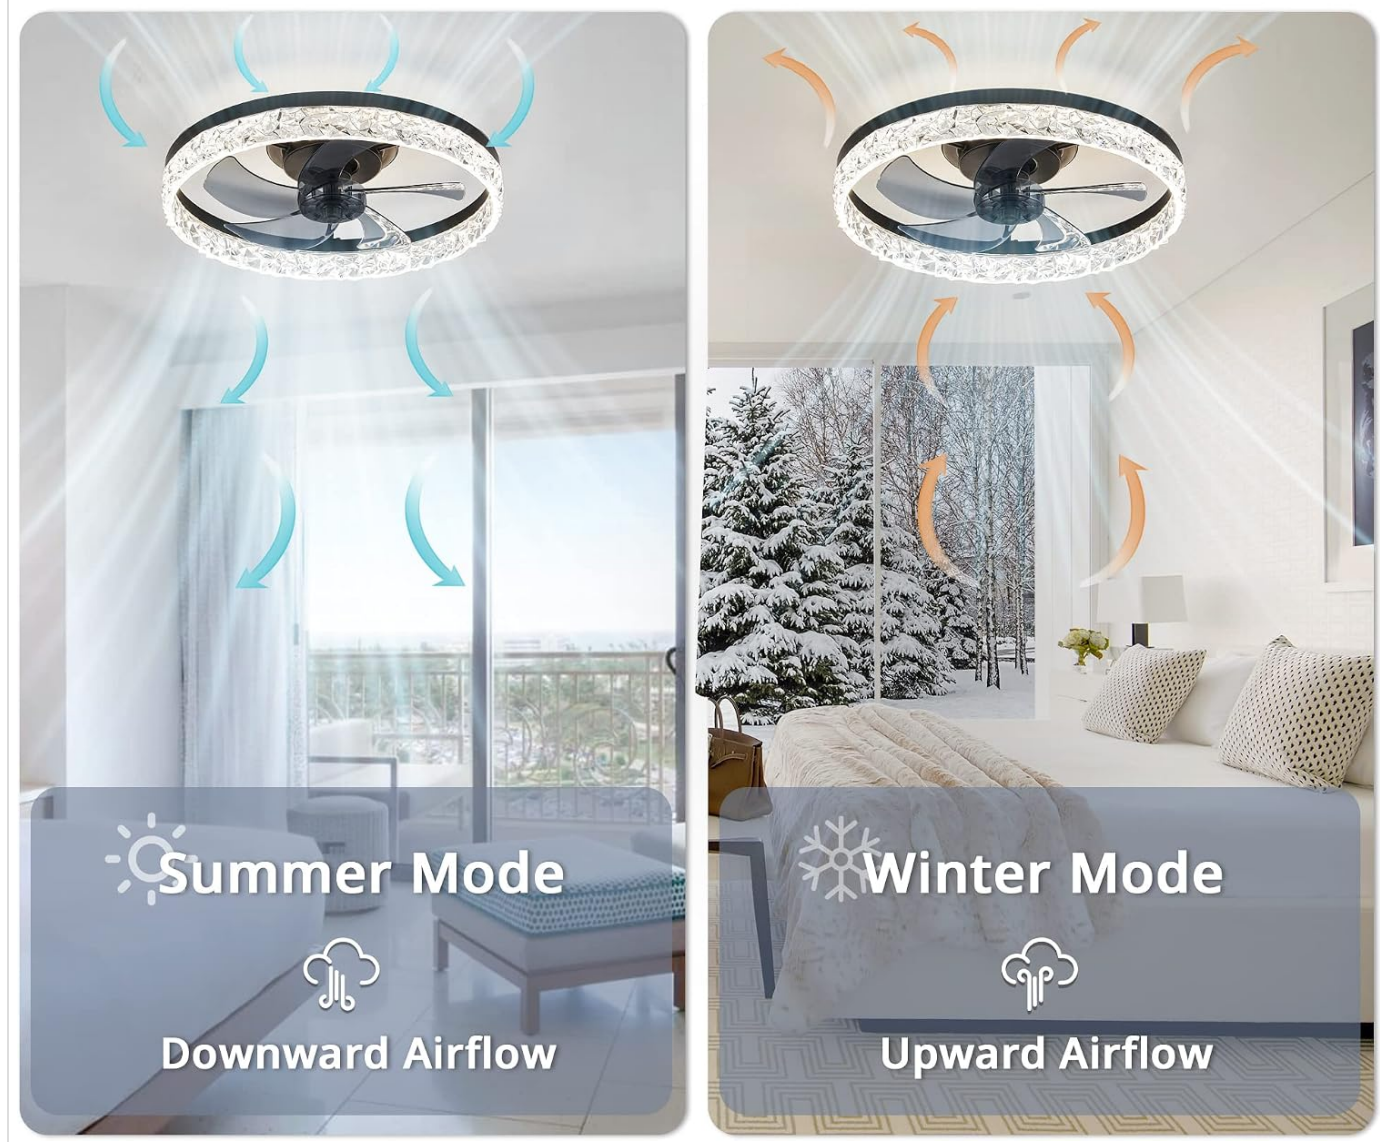

Figure 7: Explanation of reversible motor function for seasonal use.

Mobile Phone APP Control:

Scan the QR code provided in the manual (or on the product packaging) to download and install the APP. Select the desired language in the APP. The operation manual is included within the APP for detailed instructions.

Note: App control requires Bluetooth connection.

MAINTENANCE

- **Cleaning:** To clean the fan, wipe with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure power is off before cleaning.
- **Blade Cleaning:** The clear plastic fan blades can be easily removed by reverse threading for washing and cleaning.
- **Regular Checks:** Periodically check all connections and mounting hardware to ensure they are secure.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Fan or Light not working	No power; Loose wiring; Remote control issue.	Check circuit breaker; Verify wiring connections; Replace remote batteries or re-pair remote.
Fan is noisy	Loose screws; Unbalanced blades; Motor hum.	Tighten all screws; Check blade balance; Allow for break-in period for new motors.
Light not dimming/changing color	Remote not paired; Incorrect button press.	Ensure remote is paired correctly; Refer to remote control section for correct button usage.
App control not working	Bluetooth not enabled; App not installed correctly.	Ensure Bluetooth is enabled on your device; Reinstall the app and follow pairing instructions.

SPECIFICATIONS

Attribute	Value
Brand	LEDIARY
Model Name	Ceiling Fan with Light
Size	20 INCH
Color	Black
Material	Aluminum, Iron, Acrylic
Product Dimensions	20"L x 20"W x 6"H
Light Source Type	LED
Brightness	3570 Lumen
Wattage	60 watts
Voltage	120 Volts
Control Method	App, Remote
Special Features	Remote Controlled, Dimmable, Timer, Reverse Function, Color Changing
Item Weight	8.45 Pounds
