## PACKAGE CONTENTS

---

Before assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Ladder Frame Components (Metal Pipes)
- 5 x Wooden Tiers/Rungs
- 4 x Removable Hooks
- Assembly Hardware (Screws, Allen Wrench)
- Wall Anchor Kit (for optional securing)
- Instruction Manual

## SETUP AND ASSEMBLY

The ELYKEN Blanket Ladder is designed for straightforward assembly. No additional tools are required beyond those provided.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface to ensure all pieces are accounted for.
2. **Assemble Frame:** Connect the metal pipe sections to form the main ladder frame. Ensure all connections are secure.
3. **Attach Wooden Tiers:** Securely attach the five wooden tiers to the metal frame using the provided screws and Allen wrench. Ensure the tiers are evenly spaced and firmly fastened.
4. **Install Hooks:** The four removable hooks can be placed on any of the wooden tiers as desired.
5. **Positioning:**
  - **Leaning Against Wall:** The ladder can be simply leaned against a wall. The non-slip pipe top and anti-slip feet are designed to prevent scratching and provide stability.
  - **Wall Anchoring (Optional):** For enhanced stability and safety, especially in households with children or pets, use the provided wall anchor kit to secure the top of the ladder to the wall. Follow the instructions included with the wall anchor kit for proper installation.

## OPERATING AND USAGE

The ELYKEN Blanket Ladder is designed for versatile storage and display.

- **Blanket and Quilt Display:** Drape blankets, quilts, and throws over the five tiers to keep them organized and easily accessible.
- **Towel Rack:** Utilize the ladder in bathrooms to hang towels, bathrobes, or other bathroom essentials.
- **Accessory Holder:** Use the removable hooks to hang hats, scarves, handbags, coats, or other accessories. The hooks can be repositioned as needed.
- **Decorative Stand:** Beyond functional storage, the ladder serves as a decorative element, turning

stored items into part of your home decor.

- **Magazine/Newspaper Storage:** The tiers can also hold folded magazines or newspapers.

## MAINTENANCE

To maintain the appearance and longevity of your ELYKEN Blanket Ladder, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down the metal frame and wooden tiers with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Dusting:** Regularly dust the ladder to prevent buildup.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Excessive Moisture:** While the metal has a rust-resistant finish, prolonged exposure to excessive moisture should be avoided to preserve the wood and metal components.
