GOWENIC GOWENICbeugy1g8oc

GOWENIC Single Earbud Bluetooth 5.2 Headset User Manual

Model: GOWENICbeugy1g8oc

1. INTRODUCTION

Thank you for choosing the GOWENIC Single Earbud Bluetooth 5.2 Headset. This manual provides detailed instructions for the proper use, setup, and maintenance of your new earbud. Designed for comfort and clear audio, this earbud is ideal for various activities including driving, business calls, and sports.

Simple Classic appearance

Small and delicate body

Comfortable human ear profile

Image: The GOWENIC Single Earbud, showcasing its ergonomic ear hook design and sleek black finish.

The GOWENIC Single Earbud features Bluetooth 5.2 technology for stable connectivity, HiFi stereo sound, and smart touch controls for easy operation. Its ergonomic design ensures a comfortable and secure fit for extended wear.

2. PACKAGE CONTENTS

Please check the package contents upon opening to ensure all items are present:

- GOWENIC Single Earbud (1 unit)
- Charging Cable
- User Manual

Note: Specific charging cable type (e.g., USB-C, Micro USB) may vary. Refer to the product packaging for details.

3. SETUP

3.1 Charging the Earbud

Before first use, fully charge the earbud. Connect the charging cable to the earbud's charging port and plug the other end into a USB power source (e.g., computer, wall adapter).

Image: Close-up view of the earbud, highlighting the charging port location.

- A red indicator light typically signifies charging.
- The light will turn blue or off when fully charged.
- Battery life is approximately 8 hours on a full charge.

3.2 Powering On/Off

- **Power On:** Press and hold the multi-function touch area for approximately 3-5 seconds until you hear a power-on prompt or see an indicator light flash.
- **Power Off:** Press and hold the multi-function touch area for approximately 5-7 seconds until you hear a power-off prompt or the indicator light turns off.

3.3 Bluetooth Pairing

To connect your earbud to a device (smartphone, tablet, laptop):

1. Ensure the earbud is fully charged and powered off.
2. Press and hold the multi-function touch area for about 5-7 seconds until the indicator light flashes red

and blue alternately, indicating pairing mode.

3. On your device, enable Bluetooth and search for available devices.
4. Select "GOWENIC Earbud" (or similar name) from the list of found devices.
5. Once connected, the earbud's indicator light will typically stop flashing and may turn blue or off, and you will hear a connection confirmation.

The earbud uses a Bluetooth 5.2 intelligent low-power chip for stable connection up to 10 meters (32.8 feet).

4. OPERATING INSTRUCTIONS

4.1 Wearing the Earbud

The GOWENIC Single Earbud features an ergonomic ear hook design for a secure and comfortable fit. Gently place the earbud into your ear canal and adjust the ear hook over your ear until it feels stable and comfortable. This design helps prevent the earbud from falling off during movement.

Image: The earbud correctly positioned on an ear, illustrating its anti-dropping ear hanging type for painless and secure wearing.

4.2 Smart Touch Controls

The earbud is equipped with a smart fingerprint touch control area for various functions:

Image: The earbud's exterior, indicating the smart touch control surface for easy function management.

Action	Function
Single Tap	Play/Pause music, Answer/End call
Double Tap (Left/Right)	Next Track (specific function may vary by device)
Triple Tap (Left/Right)	Previous Track (specific function may vary by device)
Press and Hold (2 seconds)	Reject incoming call, Activate Voice Assistant
Press and Hold (5-7 seconds)	Power On/Off

Note: Touch control functions may vary slightly depending on the connected device and operating system.

5. MAINTENANCE

To ensure the longevity and optimal performance of your GOWENIC Single Earbud, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the earbud with a soft, dry, lint-free cloth. For the ear tip, gently remove any earwax or debris using a small brush or cotton swab. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbud in a clean, dry place away from extreme temperatures and direct sunlight.
- **Water Resistance:** The earbud is designed to be waterproof and sweat-proof, making it suitable for sports. However, avoid submerging it in water or exposing it to heavy rain for extended periods. After exposure to sweat or moisture, wipe it dry before charging or storing.

Image: The earbud shown with a water-resistant background, emphasizing its waterproof and sweat-proof capabilities for active use.

- **Charging:** Use only the provided charging cable or a certified equivalent. Avoid overcharging the battery.

6. TROUBLESHOOTING

If you encounter issues with your GOWENIC Single Earbud, refer to the following common problems and solutions:

6.1 Earbud Does Not Power On

- **Low Battery:** Ensure the earbud is fully charged. Connect it to a power source and allow it to charge for at least 30 minutes before attempting to power on again.

- **Incorrect Power On Procedure:** Make sure you are pressing and holding the multi-function touch area for the correct duration (3-5 seconds).

6.2 Cannot Pair with Device

- **Earbud in Pairing Mode:** Confirm the earbud is in pairing mode (indicator light flashing red and blue alternately).
- **Device Bluetooth On:** Ensure Bluetooth is enabled on your device.
- **Distance:** Keep the earbud within 1 meter (3 feet) of your device during pairing.
- **Interference:** Move away from other Bluetooth devices or Wi-Fi routers that might cause interference.
- **Forget Device:** On your device, try "forgetting" or "unpairing" the earbud from your Bluetooth list, then attempt to pair again.
- **Restart Devices:** Restart both the earbud and your device.

6.3 No Sound or Poor Sound Quality

- **Volume Level:** Check the volume on both the earbud and your connected device.
- **Connection:** Ensure the earbud is properly connected to your device. Re-pair if necessary.
- **Obstructions:** Clean the earbud's speaker mesh and ear tip to remove any debris that might be blocking sound.
- **Distance:** Maintain a clear line of sight between the earbud and your device, and stay within the 10-meter Bluetooth range.

6.4 Touch Controls Not Responding

- **Correct Area:** Ensure you are touching the designated touch control area.
- **Firmness/Duration:** Some touch controls require a firm tap or a specific press-and-hold duration. Refer to the "Smart Touch Controls" section.
- **Cleanliness:** Ensure the touch area is clean and dry.
- **Restart:** Power off and then power on the earbud to reset its functions.

7. SPECIFICATIONS

Feature	Detail
Model Name	GOWENICbeugy1g8oc
Brand	GOWENIC
