Earto YFX8-RG-JP-N-1

Earto iPad Keyboard Case User Manual

Model: YFX8-RG-JP-N-1

1. Introduction

Thank you for choosing the Earto iPad Keyboard Case. This product combines a protective case with a high-performance Bluetooth keyboard, designed to enhance your iPad experience with features like a touchpad, multi-device pairing, and a JIS standard Japanese layout. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal use of your new keyboard case.

2. Compatibility

This keyboard case is compatible with a wide range of iPad Air and iPad Pro models. Please verify your iPad model number before use to ensure compatibility.

- iPad Air 11 (M3) 2025 (Models: A3266/A3267/A3270)
- iPad Air 6th Gen 2024 Spring Release (Models: A2902 / A2903 / A2904)
- iPad Air 5th Gen 2022 Spring Release (Models: A2588/A2589/A2591)
- iPad Air 4th Gen 2020 Fall Release (Models: A2072/A2316/A2324/A2325)
- iPad Pro 4th Gen (2022 Models: A2759 / A2435 / A2761 / A2762)
- iPad Pro 3rd Gen (2021 Models: A2301/A2459/A2460)
- iPad Pro 11-inch 2nd Gen 2020 Spring Release (Models: A2228 / A2068 / A2230 / A2231)
- iPad Pro 11-inch 1st Gen 2018 Fall Release (Models: A1980 / A2013 / A1934)

Note: This product package does not include an iPad or Apple Pencil.

3. Package Contents

Please check the package to ensure all items are present:

- Keyboard x 1
- Protective Case x 1
- Type-C Charging Cable x 1
- Smartphone/Tablet Stand x 1
- Japanese Instruction Manual x 1

4. Setup

4.1. Charging the Keyboard

Before first use, fully charge the keyboard. Connect the included Type-C charging cable to the keyboard's charging port and a power source. The charging indicator light will show the charging status.

- Battery Capacity: 280mAh
- Full Charge Time: 2-3 hours
- Continuous Use Time: Approximately 70 hours
- Standby Time: Up to 150 days

4.2. Bluetooth Pairing

To connect the keyboard to your iPad:

1. Ensure the keyboard is charged and turn on the power switch located on the side of the keyboard.
2. On your iPad, go to **Settings** > **Bluetooth** and turn Bluetooth on.
3. Press the **Fn + C** keys on the keyboard to enter pairing mode. The Bluetooth indicator light will flash.
4. On your iPad, select "Bluetooth Keyboard" or a similar name from the list of available devices.
5. Once connected, the Bluetooth indicator light on the keyboard will stop flashing.

Note: The keyboard supports Bluetooth connection only. For optimal performance, ensure your iPadOS is updated to version 13.4 or later.

4.3. Attaching the iPad to the Case

Place your iPad securely into the protective case. The case features a strong built-in magnet that firmly attaches the detachable keyboard, preventing it from falling off during use or transport.

Image: The keyboard detaches magnetically from the case for flexible use.

5. Operating Instructions

5.1. Using the Touchpad

The integrated touchpad supports multi-touch gestures, expanding your workflow within iPadOS. This allows for comfortable and easy completion of tasks such as editing documents, operating apps, and creating presentations.

Image: Hands demonstrating the use of the integrated touchpad.

5.2. JIS Japanese Layout Keyboard

This keyboard features a standard Japanese layout compliant with JIS standards, optimized for Japanese input. It also supports Kana input and English input. The large keys ensure comfortable typing.

Image: Detailed view of the JIS Japanese keyboard layout with function row.

5.3. Shortcut Keys

The keyboard is equipped with 12 types of shortcut keys to enhance productivity and provide a comfortable typing experience. Refer to the keyboard layout for specific shortcut functions.

5.4. Multi-pairing (Bluetooth 5.1)

Equipped with Bluetooth 5.1, the keyboard offers improved data transfer speed and stability within a 10-meter range. It features two Bluetooth channels, allowing you to freely switch between two paired devices, such as your iPad and iPhone, using a single keyboard.

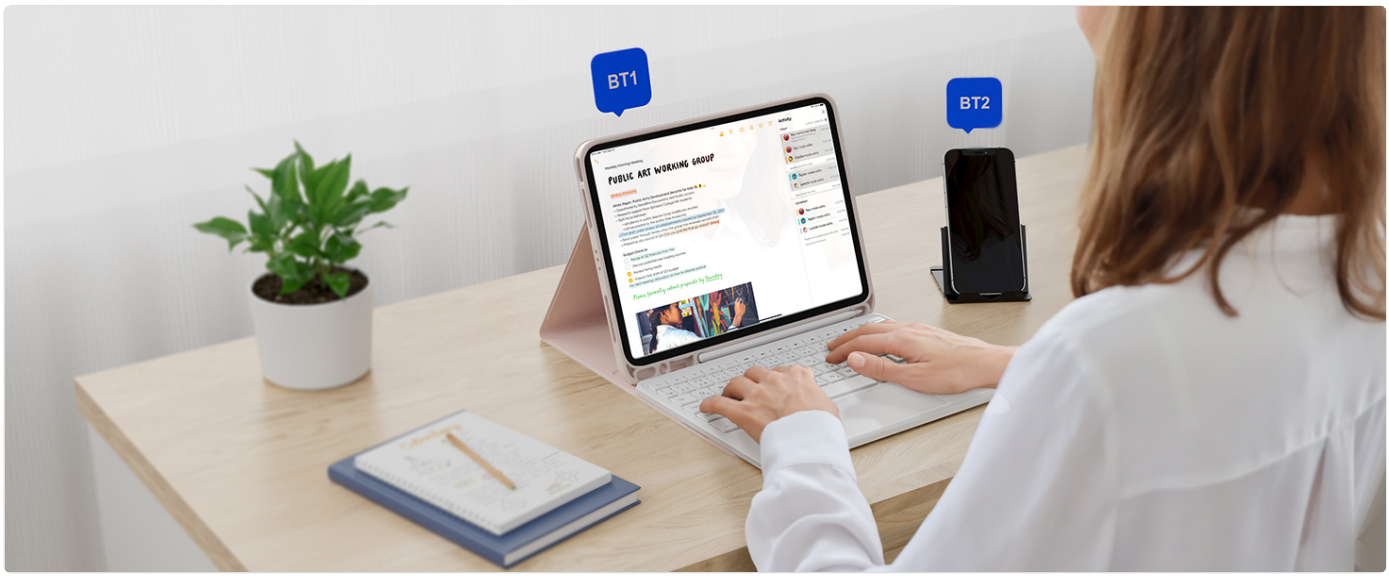

Image: Demonstrating the multi-pairing feature, allowing seamless switching between two devices.

5.5. Multi-angle Adjustment

The case features a non-slip stand with three adjustable angles (110°, 120°, 130°), making it ideal for various activities such as emailing, working, watching movies, or reading.

Image: The keyboard case can be adjusted to multiple viewing angles for comfort.

5.6. Apple Pencil Storage

The case includes a dedicated holder and adapter slot for your Apple Pencil, providing maximum protection and making it easy to carry your Apple Pencil along with your iPad.

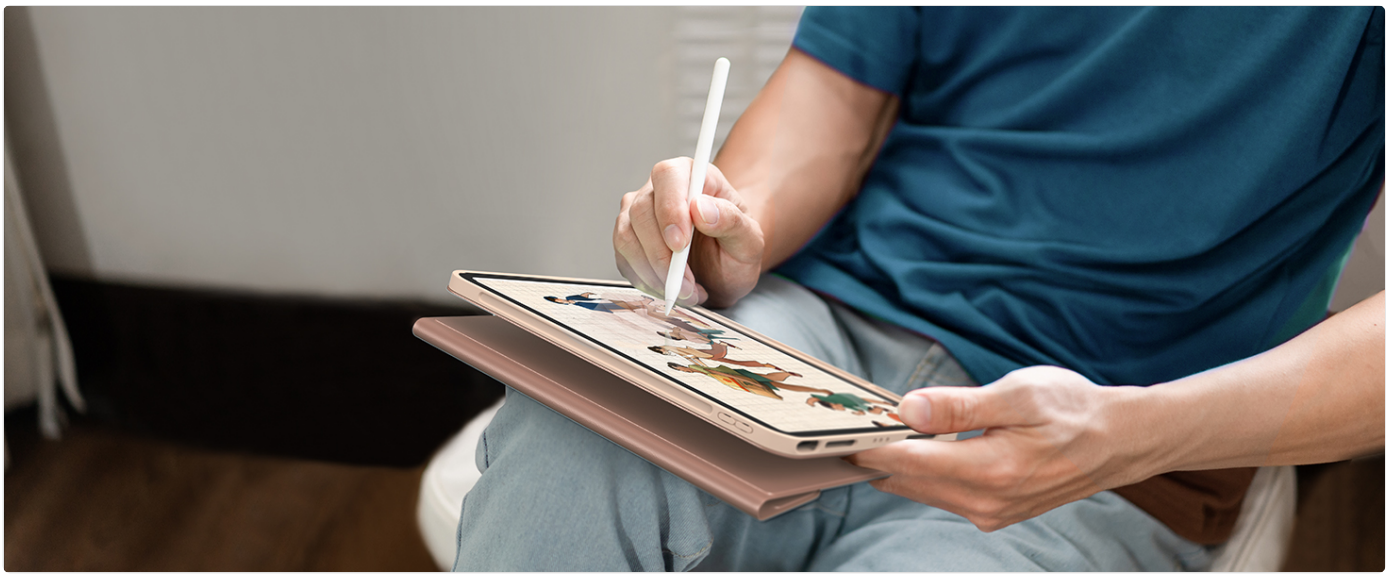

Image: The case features a convenient holder for the Apple Pencil.

6. Maintenance

To ensure the longevity and optimal performance of your Earto iPad Keyboard Case, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the keyboard and case. For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals, solvents, or abrasive cleaners.
- **Storage:** When not in use for extended periods, store the keyboard case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To maintain battery health, avoid fully discharging the keyboard frequently. Charge it regularly, even if not in constant use.
- **Handling:** Handle the keyboard and case with care. Avoid dropping or subjecting them to strong impacts, which can damage internal components.

7. Troubleshooting

If you encounter issues with your Earto iPad Keyboard Case, refer to the following common problems and solutions:

- **Keyboard not connecting via Bluetooth:**
  - Ensure the keyboard is charged and powered on.
  - Make sure Bluetooth is enabled on your iPad.
  - Forget the device in your iPad's Bluetooth settings and attempt to re-pair.
  - Restart both your iPad and the keyboard.
  - Ensure your iPadOS is 13.4 or later.
- **Keyboard not responding:**
  - Check if the keyboard battery is low and charge it.
  - The keyboard enters power-saving mode after 10 minutes of inactivity. Press any key to reactivate it (it may take 2-3 seconds to reconnect).
  - Verify Bluetooth connection.
- **Touchpad not working:**
  - Ensure your iPadOS is 13.4 or later.
  - Check if the touchpad is enabled in your iPad's accessibility settings (if applicable).

- Restart the keyboard and iPad.

- **Keys are not typing correctly (e.g., wrong characters):**
  - Check your iPad's keyboard settings to ensure the correct language and layout (JIS Japanese) are selected.
  - Try re-pairing the keyboard.

If the issue persists after trying these steps, please contact Earto customer support for further assistance.
