MERITLINE HOUSE BED

MERITLINE House Bunk Beds (Model HOUSE BED) - Twin Over Twin - Instruction Manual

For Model: HOUSE BED

1. Introduction

This instruction manual provides essential information for the safe assembly, operation, and maintenance of your MERITLINE House Bunk Beds. Please read this manual thoroughly before assembly and retain it for future reference. Adherence to these instructions will ensure the longevity and safe use of the product.

2. Safety Information

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- **Age Restriction:** The top bunk is not to be used by children under 6 years of age.
- **Weight Capacity:**
  - Upper bed: 250 LBS (113 kg)
  - Bottom bed: 300 LBS+ (136 kg+)
- **Guardrails:** Always use the guardrails on the upper bunk. Ensure they are properly installed and secured to prevent falls.
- **Ladder Safety:** Use the ladder for entering and exiting the upper bunk. Ensure the ladder is securely attached and stable before use.
- **Mattress Thickness:**
  - Upper bed: Maximum 6 inches (15 cm)
  - Bottom bed: Maximum 8 inches (20 cm)

  Ensure the mattress on the upper bunk is not too thick, as this could reduce the effectiveness of the guardrails.
- **Ventilation:** The semi-enclosed design provides a comforting atmosphere while maintaining air circulation. Do not obstruct ventilation openings.
- **Assembly:** This product requires assembly. Ensure all parts are correctly assembled and tightened according to the

separate assembly instructions provided with the product. Do not use power tools for assembly unless specifically instructed, as this may overtighten and damage components.

- **Regular Checks:** Periodically check and ensure that all connectors are tight and secure. Retighten as necessary.
- **No Horseplay:** Prohibit horseplay on or under the bed.
- **Prohibited Items:** Do not attach or hang items to any part of the bunk bed that are not designed for use with the bed; for example, but not limited to, hooks, belts, or jump ropes.

3. Package Contents

The MERITLINE House Bunk Beds are shipped in two packages. Please verify that all components listed in the separate assembly instructions are present and undamaged before beginning assembly. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

4. Setup and Assembly

Assembly of the MERITLINE House Bunk Beds is required. Detailed, step-by-step assembly instructions and all necessary hardware are included in the product packaging. Please follow these instructions carefully.

1. **Preparation:** Clear a spacious area for assembly. Ensure you have any required tools (e.g., screwdriver, wrench) as specified in the assembly guide.
2. **Unpacking:** Carefully unpack all components and lay them out. Compare them against the parts list in your assembly manual to ensure everything is present.
3. **Follow Instructions:** Adhere strictly to the numbered steps in the provided assembly manual. Do not skip steps.
4. **Tightening:** Hand-tighten all bolts and screws initially. Once the entire structure is assembled, go back and fully tighten all connections. Avoid overtightening.
5. **Safety Check:** After assembly, thoroughly inspect the bunk bed to ensure all parts are securely fastened, guardrails are correctly installed, and the ladder is stable.

5. Operating Instructions

The MERITLINE House Bunk Beds are designed for sleeping and resting. Observe the following guidelines for safe operation:

- **Using the Ladder:** Always use the provided ladder to access the upper bunk. Face the ladder when climbing up or down.
- **Upper Bunk Use:** Ensure the user of the upper bunk is at least 6 years old and understands the safety rules.
- **Weight Limits:** Do not exceed the specified weight capacities for each bunk.
- **Guardrail Integrity:** Regularly check that the guardrails on the upper bunk are secure and undamaged.

- **Play Area:** The house-shaped design offers a semi-enclosed space. While suitable for quiet activities, avoid rough play that could compromise the bed's stability or lead to falls.

6. Maintenance

Proper maintenance will extend the life and appearance of your bunk beds:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically (e.g., monthly) inspect all bolts, screws, and connections. Tighten any that have become loose.
- **Structural Integrity:** Check for any signs of wear, cracks, or damage to the wooden frame. If damage is found, discontinue use and contact customer support for advice.

- **Avoid Excessive Moisture:** Keep the bed in a dry environment to prevent wood warping or damage.

7. Troubleshooting

If you encounter issues with your MERITLINE House Bunk Beds, consider the following common solutions:

- **Squeaking/Wobbling:** This is often caused by loose hardware. Re-tighten all bolts and screws. Ensure the bed is on a level surface.
- **Missing Parts:** If you discover missing parts during assembly, do not proceed. Contact customer support immediately with your purchase details.
- **Damaged Parts:** If any component is damaged upon arrival or during assembly, stop and contact customer support for replacement parts.
- **Difficulty Assembling:** Review the assembly manual carefully. Ensure you are using the correct hardware for each step. Sometimes, parts may appear similar but are designed for specific locations.

8. Specifications

Product Type	Bunk Bed
Size	Twin-Over-Twin
Color	White
Material	Plywood+MDF+Pinewood
Overall Product Dimensions	77.4"L x 41.7"W x 83.2"H
