Allewie AK-9121BF

Allewie Full Size Metal Platform Bed Frame - User Manual

Model: AK-9121BF

1. Introduction

Thank you for choosing the Allewie Full Size Metal Platform Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

This bed frame features a Victorian-style wrought iron-art headboard and footboard, designed for durability and aesthetic appeal. It eliminates the need for a box spring, providing direct support for your mattress.

2. Safety Information

- Always assemble the bed frame on a soft, non-abrasive surface to prevent scratches.
- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Tighten all bolts and screws securely, but do not overtighten. Periodically check and re-tighten fasteners.
- Keep small parts away from children during assembly.
- Do not exceed the maximum weight capacity of 800 pounds.
- Avoid standing or jumping on the bed frame.
- Use only the recommended mattress thickness (8-12 inches) for optimal support and safety.

3. Package Contents

Before assembly, verify that all components listed below are included in your package. If any parts are missing or damaged, please contact customer support.

- Headboard
- Footboard
- Side Rails
- Metal Slats
- Support Legs
- Assembly Hardware (bolts, nuts, washers, Allen wrench)

4. Assembly Instructions

Assembly typically takes approximately 30 minutes with two people. Follow these steps carefully:

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface. Refer to the parts list to identify each piece.
2. **Attach Side Rails to Headboard:** Connect the side rails to the headboard using the provided bolts and Allen wrench. Ensure the connections are secure.

3. **Attach Side Rails to Footboard:** Connect the other end of the side rails to the footboard.
4. **Install Center Support Legs:** Attach any center support legs to the main frame as indicated in the diagram.
5. **Place Metal Slats:** Position the metal slats across the frame. Many slats feature a snap-in or bolt-on design for secure placement. Ensure all slats are evenly spaced and firmly attached. Some slats may have non-slip strips to prevent mattress movement and reduce noise.
6. **Final Tightening:** Once all parts are in place, go back and ensure all bolts are fully tightened. Do not overtighten.

5. Operation and Use

Once assembled, your Allewie bed frame is ready for use.

- **Mattress Placement:** Carefully place your full-size mattress directly onto the metal slats. No box spring is required.
- **Weight Capacity:** The bed frame is designed to support up to 800 pounds. Distribute weight evenly.

- **Underbed Storage:** The frame provides 12.4 inches of clearance, offering ample space for underbed storage containers.

Image 5.1: The assembled bed frame with a mattress, showcasing the available underbed storage space.

6. Care and Maintenance

- **Cleaning:** Wipe the metal frame with a damp cloth to remove dust and dirt. Avoid harsh chemicals or abrasive cleaners.
- **Fastener Check:** Periodically (e.g., every 3-6 months) check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Rust Prevention:** The frame features a powder-coated finish for rust and wear resistance. Avoid prolonged exposure to moisture.

7. Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Bed frame squeaks	Loose bolts or connections.	Check and tighten all bolts and screws. Ensure all slats are properly seated.
Mattress slides	Lack of friction between mattress and slats.	Some slats include non-slip strips. If not present or effective, consider adding a non-slip mat between the mattress and slats.
Frame feels unstable	Incomplete assembly or loose fasteners.	Review assembly instructions to ensure all steps were followed correctly. Tighten all connections.

8. Product Specifications

Model Number:	AK-9121BF
Size:	Full
Product Dimensions:	77.9"L x 54.3"W x 47.6"H
Color:	Black
Material:	Metal (Wrought Iron-Art)
Weight Capacity:	Up to 800 lbs
Underbed Clearance:	12.4 Inches
Box Spring Required:	No
Assembly Required:	Yes
Care Instructions:	Wipe with Damp Cloth
UPC:	749655394835
