# UNITED LED24HS82A11 24-inch HD Ready Smart Android TV User Manual

MODEL: LED24HS82A11

## Introduction

---

This user manual provides comprehensive instructions for the setup, operation, maintenance, and troubleshooting of your UNITED LED24HS82A11 24-inch HD Ready Smart Android TV. Please read this manual thoroughly before using your television to ensure proper and safe operation.

The UNITED LED24HS82A11 is a versatile 24-inch HD Ready Smart TV powered by Android 11, offering a wide range of entertainment options. It features pre-installed applications, built-in Chromecast and Airplay for seamless content streaming, and full internet connectivity via Wi-Fi and Ethernet. It also supports DVB/T2/S2/C, MPEG-4, and HEVC Main 10 for various broadcasting standards.

## Safety Information

---

Always observe the following safety precautions to prevent fire, electric shock, or injury:

- Do not expose the TV to rain or moisture.
- Do not block ventilation openings.
- Ensure the power cord is not pinched or walked on.
- Unplug the TV during lightning storms or when unused for long periods.
- Refer all servicing to qualified service personnel.

## Setup

---

### 1. Unpacking and Stand Installation

Carefully remove the TV and all accessories from the packaging. Place the TV face down on a soft, clean surface to prevent screen damage.

Attach the two stand feet to the bottom of the TV using the provided screws. Ensure they are securely fastened.

Figure 1: Side view of the UNITED LED24HS82A11 TV, illustrating its slim profile and potential port locations.

## 2. Connecting Cables

- **Power:** Connect the power cord to the TV's power input and then to a wall outlet.
- **Antenna/Cable:** Connect your antenna or cable TV coaxial cable to the "RF In" port.
- **HDMI Devices:** Connect external devices like Blu-ray players, game consoles, or set-top boxes to the HDMI ports.
- **Ethernet (Optional):** For a wired internet connection, connect an Ethernet cable from your router to the TV's LAN port.

## 3. Initial Setup Wizard

Once powered on, the TV will guide you through the initial setup process. Follow the on-screen prompts to:

- Select your preferred language.
- Connect to your Wi-Fi network (if not using Ethernet).
- Sign in with your Google account (optional, but recommended for full Smart TV features).
- Scan for available TV channels (Antenna/Cable).

## Operating

## Remote Control Overview

Familiarize yourself with the buttons on the remote control for easy navigation and control of your TV's functions.

## Basic TV Functions

- **Power On/Off:** Press the power button on the remote or TV.
- **Volume Control:** Use the Volume Up/Down buttons.
- **Channel Selection:** Use the Channel Up/Down buttons or number pad.
- **Input Source:** Press the "Source" or "Input" button to switch between HDMI, TV, and other inputs.

## Smart TV Features (Android 11)

Your TV runs on Android 11, providing access to a vast ecosystem of apps and services.

Figure 2: The UNITED LED24HS82A11 TV showcasing its Android TV home screen, featuring popular streaming applications like YouTube, Prime Video, and Netflix.

- **Home Screen:** Navigate the home screen to access pre-installed apps (Netflix, YouTube, Prime Video), recommended content, and settings.
- **Google Play Store:** Download additional apps, games, and content from the Google Play Store.
- **Chromecast Built-in:** Cast content directly from your compatible smartphone, tablet, or computer to the TV. Look for the Cast icon in supported apps.
- **Airplay:** For Apple devices, use Airplay to stream videos, photos, and music from your iPhone, iPad, or Mac to the TV.
- **Internet Connectivity:**
  - **Wi-Fi:** Go to Settings > Network & Internet to connect to your wireless network.
  - **Ethernet:** If an Ethernet cable is connected, the TV will automatically use the wired connection.

## Maintenance

---

### Cleaning the TV

- Always unplug the TV before cleaning.
- Use a soft, lint-free cloth to gently wipe the screen. For stubborn marks, dampen the cloth slightly with water or a screen cleaner specifically designed for electronics.
- Wipe the TV casing with a soft, dry cloth. Avoid using abrasive cleaners or solvents.

### Software Updates

Your TV may receive software updates to improve performance and add new features. You can check for updates via Settings > Device Preferences > About > System update.

## Troubleshooting

---

If you encounter issues with your TV, refer to the following common problems and solutions:

Problem	Possible Cause / Solution
No Power	Check if the power cord is securely plugged into the TV and the wall outlet. Try a different outlet.
No Picture / No Sound	Ensure the correct input source is selected (e.g., HDMI 1, TV). Check cable connections. For TV channels, perform a channel scan.
Cannot Connect to Wi-Fi	Verify your Wi-Fi password. Restart your router and the TV. Ensure the TV is within range of your Wi-Fi signal.
Remote Control Not Working	Check and replace the batteries. Ensure there are no obstructions between the remote and the TV's IR sensor.
Apps Not Loading / Slow Performance	Check your internet connection speed. Clear app cache (Settings > Apps > [App Name] > Clear cache). Restart the TV.

## Specifications

---

Below are the technical specifications for the UNITED LED24HS82A11 TV:

Feature	Specification
Brand	United
Model Number	LED24HS82A11
Screen Size	24 Inches
Display Technology	LED
Resolution	768p (1366 x 768 pixels)
Refresh Rate	60 Hz
Operating System	Android 11

Feature	Specification
Connectivity	Wi-Fi, Ethernet, HDMI, RF, USB
Special Features	Flat Screen, Chromecast Built-in, Airplay, Pre-installed Apps (Netflix, YouTube, Prime Video)
Aspect Ratio	16:9
