FEATURES OVERVIEW

The HOU Keyboard Case offers a range of features designed to enhance your iPad experience:

- **Precision Trackpad:** Features a full-area click trackpad with laser etching AG Glass and a linear motor for smooth gestures (scroll, swipe, tap) and zero lag.
- **Floating Magic Stand:** Magnetic suspension allows for 135° adjustable tilt, auto sleep/wake functionality, and military-grade hinges for stability.
- **Slim & Premium Build:** Ultra-thin design (0.57" / 1.4 lbs) with narrow-edge craftsmanship and easy-to-clean semi-silicone leather.
- **7-Color Eye-Care Backlight:** Customizable backlight with 7 colors and 3 brightness levels. The 300mAh battery provides extended usage.
- **Silent Tactile Keyboard:** Designed for quiet keystrokes, ideal for various environments. Includes full iPadOS shortcuts and Hall-effect sensors for responsive typing.
- **Quick Pairing:** Achieves 1-second pairing for immediate use.

SETUP INSTRUCTIONS

1. Initial Connection

1. Ensure your iPad's Bluetooth is enabled.
2. Place your iPad securely into the HOU Keyboard Case. The magnetic connection will hold it in place.
3. For the first-time pairing, hold down the **FN + Control + R** keys simultaneously for 3 seconds.
4. The indicator light on the keyboard will flash blue, indicating it is in pairing mode.
5. On your iPad, go to *Settings > Bluetooth* and select "HOU Keyboard" (or similar name) from the list of available devices.
6. Once connected, the indicator light will turn off, and the keyboard is ready for use.

2. Trackpad Settings

To optimize trackpad functionality, it is recommended to enable "Tap to Click" on your iPad:

- Go to *Settings > General > Trackpad*.
- Toggle on the "Tap to Click" option.

OPERATING INSTRUCTIONS

Keyboard Usage

- **Shortcut Keys:** The keyboard features full iPadOS shortcut keys for quick access to common functions. Refer to your iPad's user guide for a complete list of iPadOS shortcuts.
- **Backlight Adjustment:**
 - Press the backlight key (often indicated by a light bulb icon) to cycle through 7 colors.
 - Press the brightness adjustment keys (often indicated by sun icons) to select from 3 brightness levels.

Trackpad Gestures

The multi-touch trackpad supports various gestures for efficient navigation:

- **Single Finger Tap:** Click/Select.
- **Two-Finger Scroll:** Scroll up or down on web pages and documents.
- **Two-Finger Pinch:** Zoom in or out.
- **Three-Finger Swipe Up:** Go to the Home screen.
- **Three-Finger Swipe Up and Hold:** Open the App Switcher.
- **Three-Finger Swipe Left/Right:** Switch between open applications.

Image: Visual representation of multi-touch trackpad gestures for managing files, browsing, and switching applications.

Magic Stand Adjustment

The magnetic stand allows for flexible viewing angles:

- Gently adjust the iPad's angle up to 135° for comfortable viewing or typing.
- The case supports auto sleep/wake functionality; closing the case puts your iPad to sleep, and opening it wakes it up.

MAINTENANCE

To ensure the longevity and performance of your HOU Keyboard Case, follow these maintenance guidelines:

- **Cleaning:** Use a soft, damp cloth to wipe down the exterior of the case and keyboard. Avoid abrasive cleaners or solvents.
- **Storage:** When not in use, store the keyboard case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Charging:** Charge the keyboard using the provided USB cable. Avoid overcharging or using non-compatible chargers.
- **Handling:** Handle the case with care to prevent damage to the hinges or electronic components.

TROUBLESHOOTING

If you encounter issues with your HOU Keyboard Case, refer to the following common solutions:

Problem	Possible Cause	Solution
Keyboard not connecting/pairing.	Bluetooth is off on iPad, keyboard battery is low, incorrect pairing procedure.	Ensure iPad Bluetooth is on. Charge the keyboard fully. Repeat pairing steps: Hold FN + Control + R for 3 seconds. Forget the device in iPad Bluetooth settings and re-pair.
Trackpad not responding or erratic.	"Tap to Click" not enabled, temporary software glitch, dirty trackpad surface.	Enable "Tap to Click" in iPad Settings > General > Trackpad. Restart your iPad and the keyboard. Clean the trackpad surface with a soft, dry cloth.
Backlight not working.	Keyboard battery is low, backlight feature is off.	Charge the keyboard. Press the backlight key to turn it on or adjust brightness.

Problem	Possible Cause	Solution
Keys not responding.	Keyboard battery is low, connection issue.	Charge the keyboard. Reconnect the keyboard via Bluetooth.

If the issue persists after trying these solutions, please contact HOU customer support for further assistance.
