Star Trading 992-52

Star Trading Largeville Carrousel LED Christmas Decoration User Manual

Model: 992-52 | Brand: Star Trading

1. INTRODUCTION

Thank you for purchasing the Star Trading Largeville Carrousel LED Christmas Decoration. This manual provides essential information for the safe and proper setup, operation, and maintenance of your product. Please read these instructions carefully before use and retain them for future reference.

Image 1.1: The Star Trading Largeville Carrousel LED Christmas Decoration, featuring a multi-colored carousel with LED lights and moving horses, designed for indoor use.

2. SAFETY INSTRUCTIONS

- **Indoor Use Only:** This product is designed exclusively for indoor use. Do not expose it to moisture or outdoor elements.
- **Battery Safety:** Use only the specified battery type (3 x AA). Ensure correct polarity when inserting batteries. Do not mix old and new batteries, or different types of batteries. Remove exhausted batteries promptly.
- **Placement:** Place the decoration on a stable, flat surface away from direct heat sources, open flames, and water.
- **Cleaning:** Disconnect power before cleaning. Use a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Children and Pets:** Keep out of reach of small children and pets to prevent accidental ingestion of small parts or batteries.

3. PACKAGE CONTENTS

Please check that all items are present and in good condition:

- 1 x Star Trading Largeville Carrousel LED Christmas Decoration
- 1 x User Manual (this document)

Note: 3 x AA batteries are not included and must be purchased separately.

4. SETUP

1. **Unpacking:** Carefully remove the carousel from its packaging. Retain packaging for storage or future transport.
2. **Battery Installation:**
 - Locate the battery compartment, usually on the underside of the base.
 - Open the battery compartment cover.
 - Insert 3 x AA batteries, ensuring the correct positive (+) and negative (-) polarity as indicated inside the compartment.
 - Close the battery compartment cover securely.
3. **Placement:** Place the carousel on a flat, stable, and dry surface where it will not be easily knocked over. Ensure there is enough space around it for optimal viewing.

5. OPERATING INSTRUCTIONS

The Star Trading Largeville Carrousel features LED lighting, motion, and a timer function.

1. **Power On/Off:** Locate the power switch, typically on the base of the unit. Switch it to the 'ON' position to activate the carousel's lights and motion. Switch to 'OFF' to power down.
2. **Timer Function:** This carousel includes a built-in timer. When activated, the carousel will operate for 6 hours and then automatically turn off for 18 hours, repeating this cycle daily. To activate the timer, simply turn the unit on at your desired start time.
3. **Motion and Sound:** The carousel's horses will move and the LED lights will illuminate when the unit is powered on. Some models may include music; if so, the music, motion, and lights are typically

synchronized.

6. MAINTENANCE

- **Cleaning:** To clean the carousel, gently wipe the surfaces with a soft, dry, lint-free cloth. Do not use water, cleaning sprays, or abrasive materials, as these can damage the finish or electronic components.
- **Battery Replacement:** When the lights dim or the motion slows, it is time to replace the batteries. Follow the battery installation steps in Section 4.2.
- **Storage:** When not in use, store the carousel in its original packaging or a suitable protective container in a cool, dry place, away from direct sunlight and extreme temperatures. Remove batteries before storing for extended periods to prevent leakage.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Carousel does not turn on / Lights do not illuminate.	<ul style="list-style-type: none">• Batteries are dead or incorrectly inserted.• Power switch is in 'OFF' position.	<ul style="list-style-type: none">• Check and replace batteries, ensuring correct polarity.• Ensure the power switch is in the 'ON' position.
Motion is slow or erratic.	Low battery power.	Replace batteries with fresh ones.
Timer function not working as expected.	Incorrect activation time.	Turn the unit off and then on again at the desired start time for the 6-hour cycle.
