# Lyromix Dog Crate Furniture with Divider Instruction Manual

Model: Dog Crate Furniture with Divider

## 1. INTRODUCTION

Thank you for choosing the Lyromix Dog Crate Furniture with Divider. This product is designed to provide a comfortable and secure space for your pets while seamlessly blending with your home decor as a functional piece of furniture. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your dog crate.

## 2. PRODUCT FEATURES

- **Multifunctional Design:** Serves as a dog crate, end table, or nightstand.
- **Removable Divider:** Allows for two separate compartments for small dogs or one large space for a single medium dog.
- **Sliding Doors:** Space-saving front sliding door and an additional side door for flexible access.
- **Durable Construction:** Made with premium particleboard and 0.3-inch thick reinforced iron pipes for enhanced chew resistance and stability.
- **Integrated Wheels:** Equipped with lockable pulleys on the bottom for easy relocation and stability.
- **Top Access:** Hinged top panel provides convenient access to the interior.

### 3. SETUP INSTRUCTIONS

This product requires assembly. An assembly guide is included with your purchase. Please follow the step-by-step instructions provided in the guide carefully. Ensure all components are present before beginning assembly. It is recommended to assemble the crate on a soft, clean surface to prevent scratches.

1. Unpack all components and verify against the parts list in the assembly guide.
2. Attach the bottom pulleys (wheels) to the base of the crate. Ensure they are securely fastened.
3. Assemble the side panels and back panel according to the diagrams.
4. Install the sliding door track and the sliding door.
5. Attach the side hinged door.
6. Place the removable divider as needed (see Operating Instructions for guidance).
7. Secure the top panel.

For detailed visual instructions, refer to the included assembly guide.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Using the Doors

- **Front Sliding Door:** To open, disengage the latch at the bottom and slide the door along its track. To close, slide the door back into position and engage the latch.
- **Side Hinged Door:** To open, disengage the latch and pull the door outwards. To close, push the door shut and engage the latch.

### 4.2 Adjusting the Divider

The internal divider can be adjusted or removed to suit your needs:

- **Two Compartments:** Position the divider in the center to create two separate spaces for small dogs.
- **Single Large Compartment:** Remove the divider to accommodate a single medium-sized dog.
- **Storage and Crate:** The divider can be moved to create a smaller crate area and a separate storage section for pet food or supplies.

### 4.3 Using the Top Access

The top panel features hinges allowing it to be lifted for convenient access to the crate's interior, useful for placing items or interacting with your pet from above.

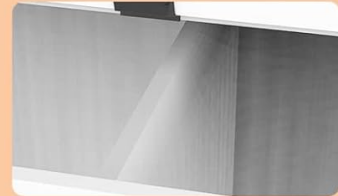

### 4.4 Mobility and Stability

The crate is equipped with wheels for easy movement. To secure the crate in place, engage the locks on the wheels.

## 5. MAINTENANCE

Regular cleaning and maintenance will help preserve the appearance and functionality of your Lyromix Dog Crate Furniture.

- **Cleaning:** Wipe down surfaces with a soft, damp cloth. For tougher spots, a mild, non-abrasive cleaner can be used. Avoid harsh chemicals that may damage the finish.
- **Spills:** Promptly clean any spills to prevent staining or damage to the wood.
- **Inspection:** Periodically check all latches, hinges, and screws to ensure they are secure. Tighten any loose fittings.
- **Divider:** The divider can be removed for thorough cleaning if necessary.

## 6. TROUBLESHOOTING

If you encounter any issues with your dog crate, please refer to the following common solutions:

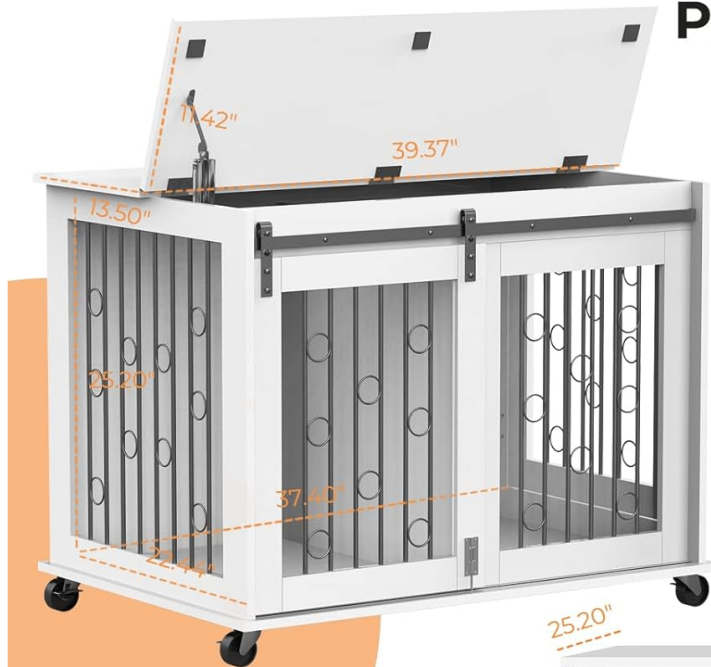

- **Sliding Door Off Track:** If the sliding door comes off its track, carefully lift it and realign it with the track. Ensure the track is clear of debris.
- **Latch Security:** If latches feel loose or do not secure properly, inspect them for damage or misalignment. Ensure they are fully engaged when closed. For dogs prone to escaping, additional security measures may be considered.
- **Bottom Panel Concerns:** The bottom is constructed from coated pressed wood. For puppies or older dogs prone to accidents, it is recommended to use a waterproof liner or mat to protect the base from moisture and potential odors.
- **Missing or Damaged Parts:** If any parts are missing or damaged upon arrival, please contact customer support immediately for assistance.
