

SABLUTE LD-135

SABLUTE Large Print Backlit Keyboard User Manual

Model: LD-135 | Brand: SABLUTE

1. INTRODUCTION

This user manual provides comprehensive instructions for the setup, operation, maintenance, and troubleshooting of your new SABLUTE Large Print Backlit Keyboard. Designed for enhanced visibility and comfort, this wired USB keyboard is ideal for a wide range of users, including seniors, students, office workers, and individuals with visual impairments.

2. PACKAGE CONTENTS

Please verify that all items are present in your package:

- SABLUTE Large Print Backlit Keyboard (with integrated USB cable)

3. SETUP

The SABLUTE Large Print Backlit Keyboard is designed for simple plug-and-play functionality. No additional drivers or software are required for basic operation.

3.1 Connecting the Keyboard

1. Locate an available USB-A port on your computer (PC, Laptop, Windows, macOS, Vista, Chrome OS).
2. Insert the USB-A connector of the keyboard's integrated cable into the USB port.
3. The keyboard will automatically be recognized by your operating system, and the backlight will illuminate.

4. OPERATING INSTRUCTIONS

4.1 Large Print Keys

The keyboard features oversized letters, which are 4 times larger than standard keyboard fonts. This design significantly improves readability and reduces typing errors, especially for users with visual challenges or those who prefer larger characters.

EXTRA LARGE CHARACTERS

Oversize Font Keys, Easy to See

Figure 4.1: Comparison illustrating the 4X larger print on the keyboard keys for improved visibility.

4.2 Backlight Control

The keyboard offers 7 different backlight colors and 4 lighting modes with 8 levels of brightness. This allows for comfortable typing in various lighting conditions, including low-light environments.

- **Turn On/Off Backlight:** Press **Fn + PrtSc** (Print Screen) to toggle the backlight on or off.
- **Change Backlight Color (Monochrome Mode):** Press **Fn + M2** (Function key + F2) repeatedly to cycle through 7 unique backlight colors (White, Green, Red, Purple, Yellow, Cyan, Blue).
- **Adjust Brightness:** Press **Fn + ↑** (Up Arrow) to increase brightness and **Fn + ↓** (Down Arrow) to decrease brightness (8 levels).
- **Change Backlight Modes:**
 - **M1 (Monochrome Breathing Mode):** Press **Fn + M1** (Function key + F1). The selected color will fade in and out.
 - **M2 (Monochrome Mode):** Press **Fn + M2** (Function key + F2). The keyboard will always light up in the chosen color.
 - **M3 (7-Color Strobe Mode):** Press **Fn + M3** (Function key + F3). The keyboard will change its color with seven colors in turn upon key press.

- **M4 (7-Color Breathing Mode):** Press **Fn + M4** (Function key + F4). The keyboard will turn off and light up in seven colors in turn.
- **Adjust Breathing/Strobe Speed:** Press **Fn + ←** (Left Arrow) to decrease speed and **Fn + →** (Right Arrow) to increase speed (6 levels).

4.3 Ergonomic Design

The keyboard features foldable stands on the back, allowing you to adjust the typing angle for a more comfortable and ergonomic experience. This helps maintain a natural wrist position, reducing strain and fatigue during extended use.

FOLDABLE LEGS

Maintains Comfortable Typing

Figure 4.3: The keyboard with its foldable legs extended, providing an optimal 7-degree typing angle for comfort.

4.4 Quiet Operation and Responsiveness

The keyboard is designed with quiet switches, ensuring a low-noise typing experience. As a wired keyboard, it provides a very fast response speed with no input delay, contributing to a smoother and more efficient typing experience.

4.5 Compatibility

The keyboard is compatible with a wide range of operating systems and devices:

- Windows (all versions)
- PCs
- Laptops
- Vista
- macOS (Note: Multimedia keys may not be fully compatible with macOS systems)
- Chrome OS

6. TROUBLESHOOTING

Problem	Solution
Keyboard not responding / No backlight	<ul style="list-style-type: none">• Ensure the USB cable is securely plugged into a working USB-A port on your computer.• Try plugging the keyboard into a different USB port.• Restart your computer.• Press Fn + PrtSc to ensure the backlight is toggled on.
Backlight settings reset after restart/shutdown	<ul style="list-style-type: none">• The keyboard's light patterns and colors may reset upon computer restart or full shutdown as there is currently no memory function for these settings. You will need to manually reselect your desired color and mode using the Fn key combinations.
Keys feel stiff or stuck	<ul style="list-style-type: none">• Ensure no debris is lodged under the keycaps. Gently clean around the affected keys.• If the issue persists within the warranty period, please contact customer support for assistance.
Multimedia keys not working on macOS	<ul style="list-style-type: none">• Some multimedia keys may have limited or no compatibility with macOS systems. This is expected behavior due to operating system differences. Basic typing functionality should remain unaffected.

7. MAINTENANCE

To ensure the longevity and optimal performance of your keyboard, follow these maintenance guidelines:

- **Cleaning:** Use a soft, lint-free cloth slightly dampened with water or a mild cleaning solution to wipe down the keycaps and keyboard surface. Avoid excessive moisture.
- **Dust Removal:** Use compressed air to remove dust and debris from between the keys.
- **Spill Protection:** While the keyboard is designed to be spill-proof, it is recommended to avoid direct liquid exposure. In case of a spill, immediately unplug the keyboard and allow it to dry completely before reconnecting.
- **Storage:** Store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures when not in use for extended periods.

8. WARRANTY AND SUPPORT

SABLUTE is committed to providing high-quality products and excellent customer service. Your keyboard is covered by the following:

- **90 Days Replacement:** For any manufacturing defects within 90 days of purchase.
- **360 Days Manufacturer Warranty:** Covers defects in materials and workmanship for 360 days from the date of purchase.
- **Brand Care:** Dedicated support to ensure your satisfaction.
