BabyBond B0BRMYKRLQ

BabyBond 3-in-1 Baby Bassinet User Manual

Model: B0BRMYKRLQ

Introduction

The BabyBond 3-in-1 Baby Bassinet is designed to provide a safe, comfortable, and convenient sleeping solution for your infant. This versatile product functions as a standalone crib, a bedside sleeper, and a diaper changing station, adapting to your baby's growth and your family's needs. Its thoughtful design includes adjustable height settings, breathable mesh sides, and a washable mattress for ease of use and peace of mind.

The BabyBond Bassinet allows for easy access to your baby, promoting close bonding and convenient nighttime care.

Safety Information

Your baby's safety is our top priority. The BabyBond Bassinet is designed with several features to ensure a secure sleeping environment and complies with strict safety standards.

- **Breathable Mesh Sides:** The 360° full mesh bed surround promotes optimal air circulation, reducing the risk of suffocation and allowing parents to easily observe their baby.

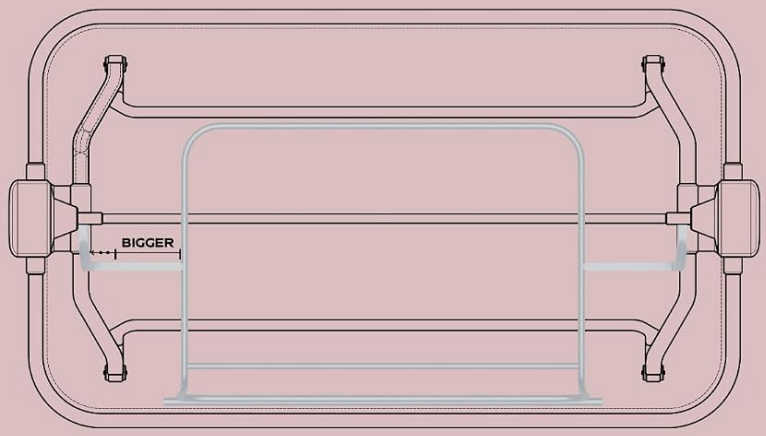

- **Enhanced Stability:** Designed with 8 feet and an extra-wide bottom bracket, the bassinet ensures stability and prevents the mattress from tilting.
- **Certified Safety:** BabyBond cribs strictly pass and exceed ASTM and CPSIA standards, ensuring a stable, safe, and comfortable sleep environment.
- **Secure Bedside Attachment:** When used as a bedside sleeper, the included fixing straps securely attach the bassinet to the adult bed, preventing gaps.

The full mesh design ensures constant airflow and visibility for your baby.

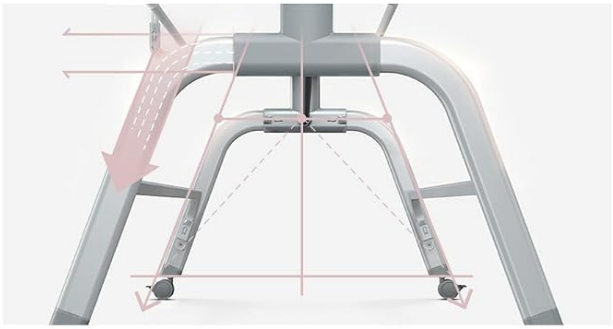

WIDENED MATTRESS SUPPORT BAR

Our bassinet features widened mattress support bar to keep the mattress level, ensuring greater stability and safety

V-STRUCTURE

The bottom V-Structure makes the whole crib more stable and sturdy, and will not easily shake

BEDSIDE FIXING STRAPS

It can be better fixed to the parent's bedside, bringing your baby closer to you

Structural features like the widened mattress support and V-structure enhance stability.

The bassinet meets stringent safety standards, including ASTM and CPC.

Setup Instructions

The BabyBond Bassinet is designed for quick and tool-free assembly. Follow these steps to set up your bassinet:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the manual are present.
2. **Assemble the Frame:** Connect the frame pieces by aligning the connectors and pushing until you hear a clear "click" sound, ensuring they are securely locked.
3. **Install Cross-Bars:** Insert the cross-bars into the designated slots on both sides of the crib body until they click into place.
4. **Attach Legs:** Securely attach the legs to the main frame. Ensure the pins align and snap into position.
5. **Place Mattress:** Insert the mattress into the bassinet. Ensure the firm base is positioned correctly for optimal support.
6. **Attach Wheels:** If desired, attach the four movable wheels to the bottom of the legs. Ensure they are locked when the bassinet is stationary.

7. **Secure Bedside Straps:** If using as a bedside sleeper, use the provided straps to securely fasten the bassinet to your adult bed.

Operating Modes

The BabyBond Bassinet offers three versatile modes to accommodate your baby's needs from newborn to 12 months.

1. Standalone Bassinet

Use the bassinet as a traditional, independent sleeping space. Ensure all sides are zipped up and secured. The movable wheels allow you to easily transport the bassinet between rooms during the day. Lock the wheels when stationary.

2. Bedside Sleeper

For convenient nighttime feeding and soothing, position the bassinet next to your bed. Unzip and lower one side of the bassinet to create a co-sleeping arrangement. Secure the bassinet to your adult bed using the provided fixing straps to prevent any gaps.

The bassinet easily converts to a bedside sleeper for close proximity to your baby.

The side panel can be unzipped and lowered for easy access to your baby.

3. Diaper Changing Station

For babies aged 6-12 months, the bassinet can be utilized as a convenient diaper changing station. The large capacity storage rack underneath provides easy access to diapers, wipes, and other essentials.

CONVENIENT DESIGN MAKES PARENTING EASIER

1. Easy-to-remove fabric cover

The fabric cover of our bassinet is fully removable and washable, making it easy for parents to clean regularly and maintain a cleaner sleep environment for the baby

2. Large capacity storage rack

You can place a variety of baby necessities, convenient for new parents to deal with a variety of baby needs

3. Movable wheels with lock

Four movable wheels allow movement from room to room, making it easy to use the crib in various spaces, and simply stepping on the button to secure the crib and prevent it from sliding

The bassinet features a large storage rack for baby essentials.

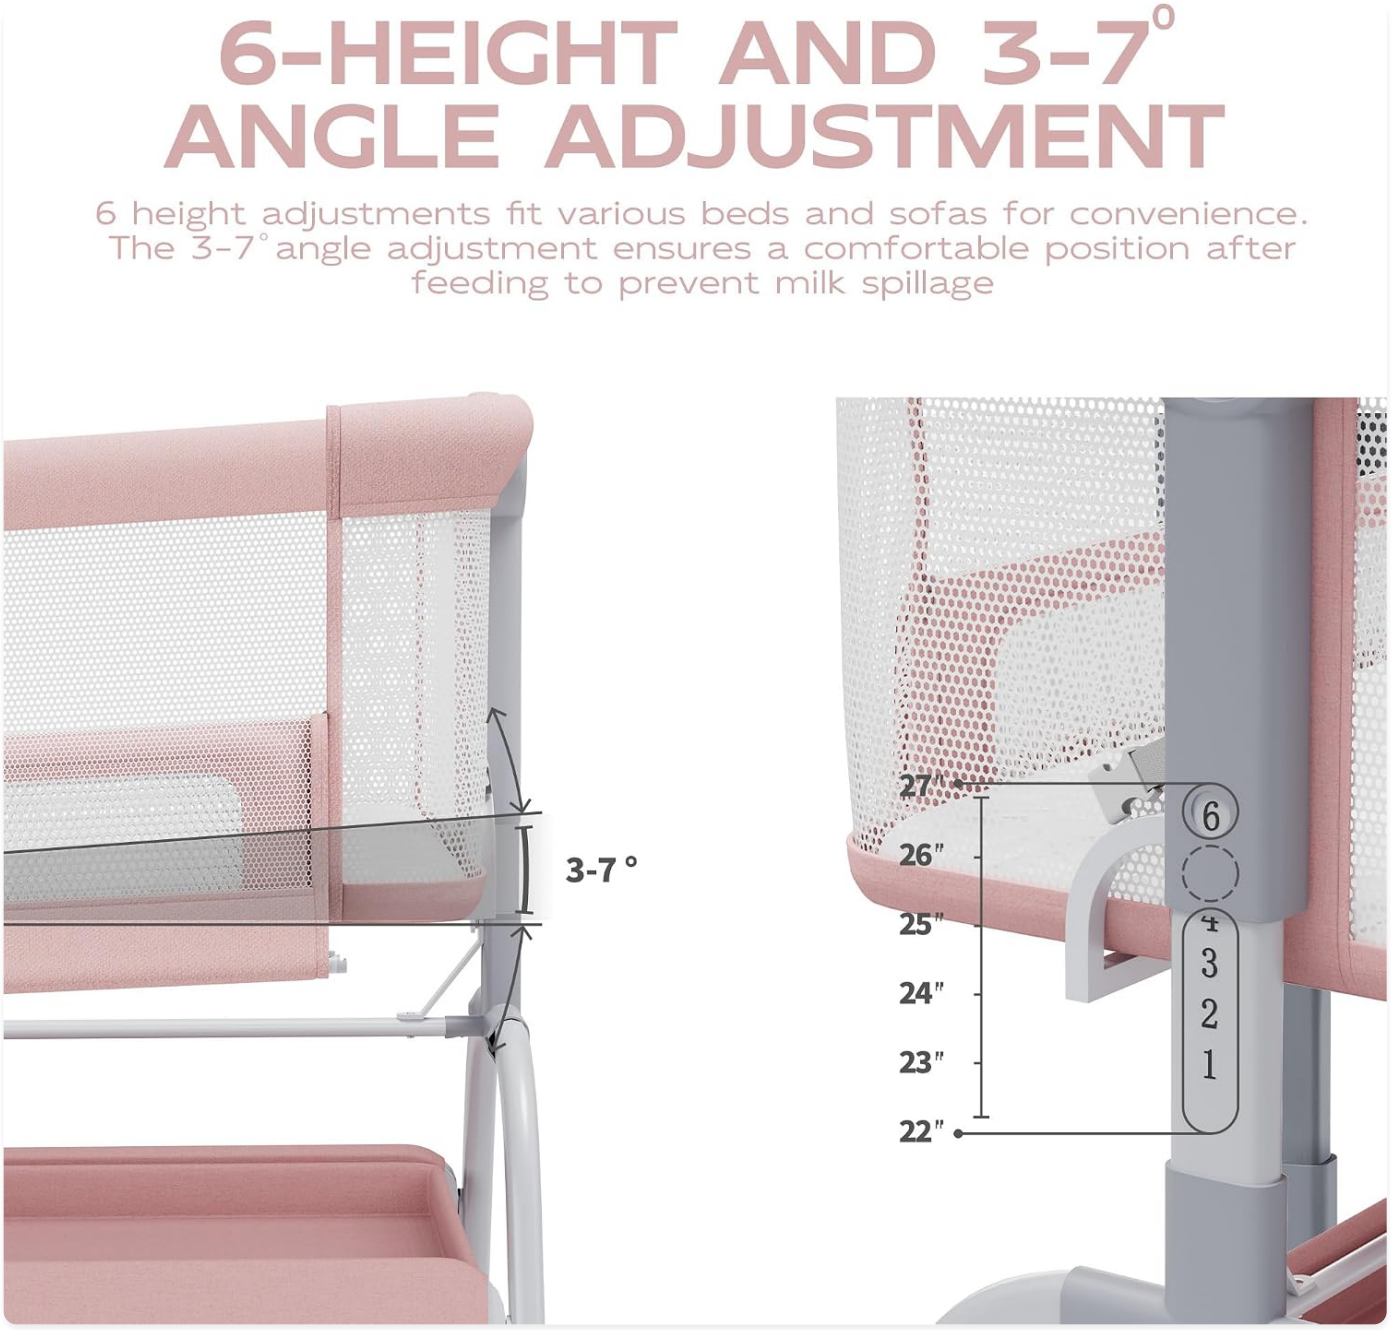

The spacious storage rack keeps changing supplies within reach.

Adjustments

The BabyBond Bassinet offers flexible adjustments to suit various needs:

- **6-Height Adjustment:** Easily adjust the bassinet to 6 different height levels to perfectly align with adult beds ranging from 23.5 to 29 inches. This ensures seamless access to your baby.
- **3-7° Adjustable Angle:** The bassinet can be tilted at a gentle 3-7° angle, which can help prevent baby reflux and improve digestion after feeding.

Adjust the bassinet's height and angle for optimal comfort and functionality.

Mobility

The BabyBond Bassinet is designed for easy movement and secure placement:

- **Movable Wheels:** Equipped with four movable wheels, the bassinet can be effortlessly rolled from room to room, allowing you to keep your baby close wherever you are.
- **Wheel Locks:** Each wheel features a lock mechanism. Engage the locks to secure the bassinet in place and prevent unintended movement.

Maintenance

Keeping your BabyBond Bassinet clean is simple with its washable components:

- **Washable Mattress and Sheet:** The double-sided bed sheet features a rayon air layer fabric on one side for comfort and a waterproof fabric on the other to protect the mattress. Both the mattress cover and sheet are fully removable and machine washable.

- **Removable Fabric Cover:** The entire fabric cover of the bassinet is removable for machine washing, making it easy to maintain a clean and hygienic environment for your baby.

The mattress features multiple layers, including a washable cover and waterproof protection.

Troubleshooting

If you encounter any issues with your BabyBond Bassinet, please refer to these common solutions:

- **Assembly Issues:** Ensure all frame connections are aligned correctly and click firmly into place. If a part doesn't fit, double-check the orientation against the instructions.
- **Stability Concerns:** Verify that all legs are fully extended and locked. Ensure the wheels are engaged in the locked position when the bassinet is stationary.
- **Mattress Firmness:** The mattress is designed with a firm base for infant safety. Ensure it is placed flat and securely within the bassinet.
- **Cleaning:** For stubborn stains, pre-treat the removable fabric components before machine washing according to the care instructions.

- **Adjusting Height/Angle:** If adjustments are difficult, ensure the release buttons or levers are fully pressed before attempting to change the position.
