3. SETUP INSTRUCTIONS

The EagleStone ES33 set is designed for easy assembly and disassembly for convenient storage. Follow these steps to set up your baseball pitching machine:

1. Step 1: Attach the Base Plate

Connect the base plate to the main blue base unit. Ensure it clicks securely into place.

Image: Connecting the base plate.

2. Step 2: Insert the Connector Pipe

Insert the white connector pipe into the designated opening on the main base unit. Twist to secure.

Image: Inserting the connector pipe.

3. Step 3: Attach the Ball Feeder

Attach the red ball feeder mechanism to the top of the white connector pipe. Ensure it is firmly attached.

Video: This video demonstrates the assembly process and various play modes of the EagleStone Automatic Pitching Machine Baseball Toy Set, including automatic ball launching and manual batting tee usage.

4. OPERATING INSTRUCTIONS

4.1. Automatic Pitching Mode

This mode simulates a real pitching experience, allowing users to practice their batting timing and accuracy.

- **Loading Balls:** Place up to three baseballs into the red ball feeder. The set includes 6 baseballs for extended play.
- **Launching Balls:** Step on the pedal located at the front of the base unit. The ball will automatically launch into the air.
- **Batting:** Swing the bat to hit the launched ball. Practice controlling your swing timing for accurate hits.
- **Consecutive Shots:** The design allows for three consecutive ball launches without reloading, enhancing continuous practice.

Adjusting Automatic Pitching Height

The height at which the ball is launched can be adjusted to suit different skill levels and user heights. This feature is ideal for challenging yourself and improving batting skills.

- Locate the adjustment mechanism on the pitching machine.
- Adjust the mechanism to set the desired launch height, ranging from approximately 80 cm to 120 cm.

4.2. Manual Batting Tee Mode

This mode is suitable for beginners and younger children to practice their swing mechanics and develop arm and wrist strength.

- **Setup:** Place a baseball on top of the batting tee pole.
- **Batting:** Hit the ball directly from the tee. This helps improve hitting accuracy and build confidence.

Image: Child using the manual batting tee.

Adjusting Manual Batting Tee Height

The height of the batting tee can be freely adjusted to accommodate users of various ages and heights, ensuring a comfortable and effective practice session for everyone.

- Adjust the height of the batting tee pole to match the user's preference.

5. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your EagleStone ES33 baseball toy set.

- **Cleaning:** Wipe down all plastic components with a damp cloth after use. Avoid harsh chemicals that may damage the material.
- **Storage:** The set is designed for easy disassembly. After use, take apart the components and store them in the original packaging or a suitable container to save space and protect them from damage.
- **Inspection:** Periodically check all parts for wear and tear. Replace any damaged components immediately to ensure safe operation.

6. TROUBLESHOOTING

If you encounter any issues with your EagleStone ES33 baseball toy set, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Ball does not launch automatically.	Pedal not fully pressed; mechanism jammed; ball improperly loaded.	Ensure the pedal is fully depressed. Check for any obstructions in the launching mechanism. Verify balls are correctly placed in the feeder.
Batting tee is unstable.	Components not securely connected; uneven ground.	Re-check all connections during assembly. Ensure the set is placed on a flat, stable surface.
Balls are damaged or lost.	Normal wear and tear; misplaced during play.	The set includes 6 balls. Additional replacement balls may be available from the manufacturer or retailer.

If the problem persists after attempting these solutions, please contact customer support.

7. SPECIFICATIONS

- **Model Number:** ES33
 - **Recommended Age:** 6 years and up
 - **Number of Players:** 1
 - **Battery Required:** No
 - **Product Dimensions (Packaged):** 43.79 x 19.5 x 16.2 cm
 - **Product Weight (Packaged):** 980 g
 - **Ball Diameter:** 5.5 cm
 - **Automatic Pitching Height Range:** Approx. 80 cm to 120 cm
