Model: SNF0240

Instruction Manual

1. Introduction

Thank you for choosing the Marvel Spidey and His Amazing Friends City Track Set by Jazwares. This multi-level playset is designed for interactive play, featuring two separate vehicle tracks and nine unique play zones. This manual provides essential information for the safe and proper use of your new track set.

Safety Information

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.
Always supervise children during play. Inspect the product regularly for any damage or loose parts that could pose a hazard.

2. Package Contents

Ensure all items listed below are present in your package:

- 1 x Amazing Metals City Track Set
- 1 x 3-inch Amazing Metals Spidey Vehicle
- 1 x 3-inch Amazing Metals Miles Morales: Spider-Man Vehicle

4. Operating Instructions

The City Track Set offers multiple play zones for dynamic racing action. Follow these steps to operate the track set:

1. **Place Vehicles:** Position the Spidey and Miles Morales: Spider-Man vehicles on the dual launcher platform at the top of the track set.

2. **Launch:** Activate the dual launcher to send both vehicles zooming down their respective tracks.
3. **Navigate Obstacles:** Watch as the vehicles encounter various action zones, including the Billboard Smash and Trap Door.
4. **Face Challenges:** The vehicles will proceed towards Doc Ock, navigating a Bridge Collapse and a Web Swing feature.
5. **Finish Line:** The vehicles will blast through doors to complete the track.

The track set is designed for manual operation. No batteries are required for the track set itself, though the product specifications mention 'Batteries are Included' and 'Are Batteries Required' for the overall product, implying the vehicles might have a battery component not detailed in the provided information. For the track set's core functions, it is manually operated.

5. Maintenance

To ensure the longevity and proper function of your City Track Set, follow these maintenance guidelines:

- **Cleaning:** Wipe the track set and vehicles with a soft, dry cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the track set in a cool, dry place away from direct sunlight when not in use.
- **Inspection:** Periodically check all parts for wear and tear. Discontinue use if any part is broken or damaged.

6. Troubleshooting

If you encounter any issues with your City Track Set, refer to the following common problems and solutions:

- **Vehicles not moving smoothly:** Ensure the track is clean and free of debris. Check for any obstructions on the track or damage to the vehicle wheels.
- **Action zones not activating:** Verify that the vehicles are properly aligned with the activation points of features like the Billboard Smash or Trap Door.
- **Missing or damaged parts:** Refer to the 'Package Contents' section. If parts are missing or damaged upon unboxing, contact customer support immediately.
