LEGO X-Wing Starfighter Set 30654 Instruction Manual

This manual provides detailed instructions for assembling and operating the LEGO X-Wing Starfighter Set 30654.

INTRODUCTION

The LEGO X-Wing Starfighter Set 30654 allows enthusiasts to construct a brick-built model of the classic X-wing Starfighter from the Star Wars universe. This set is designed for ages 6 and up and contains 87 pieces, offering an engaging building experience.

SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the included manual to assemble your LEGO X-Wing Starfighter. Ensure all 87 pieces are accounted for before beginning construction. The assembly process is designed to be straightforward for individuals aged 6 and above.

MAINTENANCE

To maintain the condition of your LEGO X-Wing Starfighter, follow these guidelines:

- **Cleaning:** Use a soft brush or a damp cloth with mild soap to gently clean the bricks. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic.
- **Handling:** Handle the model with care, especially when adjusting the wings, to ensure the longevity of the connections.

TROUBLESHOOTING

If you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** Double-check the packaging and surrounding area. LEGO often includes a few extra small pieces. If a critical piece is missing, contact LEGO Customer Service.
- **Loose Connections:** Ensure all bricks are firmly pressed together. Sometimes, a loose connection can affect the stability or functionality of the model.
- **Assembly Difficulty:** Refer back to the instruction manual. Each step is clearly illustrated to guide you. If a step is unclear, try re-examining the images carefully.
