Safety Information

- Do not expose the cabinet to excessive water or liquids.
- Do not use in areas with excessive force or vibration.
- Always follow the assembly instructions and mounting guidelines to ensure safe and proper installation.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload shelves. Refer to specifications for weight capacity.

Setup and Assembly

The Panana FRSB55 cabinet is designed for easy assembly. Please ensure you have all components and tools before starting.

Included Components:

- 1x Sideboard unit
- 1x Screw accessories pack
- User Manual (this document)

Assembly Instructions:

Follow the easy-to-follow assembly instructions provided in the included user manual for effortless installation. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

Operating Instructions

Sliding Barn Door:

The cabinet features a smooth sliding barn door with a metal track system. To open or close, gently slide the door along the track using the metal handle. The design allows for easy and space-saving access to the cabinet's contents.

Adjustable Shelves:

The interior of the cabinet includes two adjustable shelves. These shelves can be positioned in three different heights to accommodate various item sizes and storage needs. To adjust, carefully remove the shelf, reposition the shelf pins to the desired height, and then place the shelf back onto the pins, ensuring it is level and secure.

Storage Capacity:

The top surface can hold up to 200 lbs, while each adjustable shelf can support up to 33 lbs. This cabinet is suitable for storing various household items such as cutlery, decorative pieces, coffee bar essentials, and more.

Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight. Re-tighten if necessary.
- **Protection:** Use coasters or placemats on the top surface to prevent scratches and water marks.
- **Environment:** Keep the cabinet in a dry environment and avoid direct sunlight or extreme temperature changes to prevent material warping or fading.

Troubleshooting

Common Issues:

- **Wobbling Cabinet:** Ensure the cabinet is placed on a level surface. Check that all assembly screws are fully tightened.
- **Sticking Sliding Door:** Inspect the metal track for any obstructions or debris. Clean the track if necessary. Ensure the door is properly seated on the track rollers.
- **Damaged Parts:** If any parts are damaged or missing upon arrival, please contact customer support for assistance.
