Setup and Assembly

Follow these steps to assemble your Black Panther 3D puzzle model:

1. **Preparation:** Carefully remove all 8 sheets of puzzle pieces from the packaging. Identify the instruction booklet.
2. **Punching Out Pieces:** Gently punch out each of the 82 detailed pieces from the sheets. Exercise care to avoid tearing or bending the pieces.
3. **Following Instructions:** Refer to the included instruction booklet for a step-by-step guide on how to connect the pieces. The instructions will illustrate the correct order and orientation for each part.
4. **Interlocking Pieces:** Connect the pieces by aligning the tabs and slots. The durable pieces are designed to interlock securely without the need for adhesive.
5. **Building the Structure:** Continue assembling the sections as indicated in the instructions, gradually forming the 3D structure of the Black Panther's head.

6. **Attaching to Stand:** Once the head is fully assembled, attach it to the provided display stand according to the instructions. The stand is designed to securely hold the finished model.

Maintenance

To maintain the appearance and integrity of your 4D Build model:

- **Cleaning:** Dust the model gently with a soft, dry cloth. Avoid using liquid cleaners or abrasive materials, as these may damage the finish or material.
- **Storage:** If disassembling for storage, do so carefully to avoid bending or tearing pieces. Store pieces in a dry, cool place away from direct sunlight.
- **Handling:** Handle the assembled model by its base or sturdy sections to prevent accidental damage or separation of pieces.

Troubleshooting

Problem	Solution
Pieces do not fit together	Ensure you are using the correct pieces as indicated in the instruction manual. Verify the orientation of the pieces. Apply gentle, even pressure when connecting.
Model is unstable	Confirm all pieces are fully interlocked. Ensure the model is correctly seated on its display stand and placed on a flat, stable surface.
Missing or damaged pieces	Carefully check all packaging and surrounding areas for any small pieces. If pieces are genuinely missing or damaged, contact customer support for assistance.
