VTech Go! Go! Smart Wheels Helping Friends 2-Pack Police Car and Ambulance Instruction Manual

Model: 80-420660

INTRODUCTION

This manual provides essential information for the safe and effective use of your VTech Go! Go! Smart Wheels Helping Friends 2-Pack, which includes a Police Car and an Ambulance. These interactive vehicles are designed to engage young children through sounds, phrases, and lights, promoting imaginative play and early learning.

WHAT'S INCLUDED

Your package should contain the following items:

- Go! Go! Smart Wheels Helping Friends 2-Pack (1 Police Car, 1 Ambulance)
- Quick Start Guide

SETUP

Battery Installation

Each vehicle requires 2 AAA batteries. Batteries are included for demonstration purposes only. For regular use, new batteries are recommended.

1. Locate the battery compartment on the underside of each vehicle.
2. Using a screwdriver, open the battery compartment cover.
3. Insert 2 new AAA batteries, ensuring correct polarity (+/-).
4. Replace the battery compartment cover and secure it with the screw.

Initial Activation

After battery installation, the vehicles are ready for use. There is typically an ON/OFF switch located near the battery compartment. Ensure it is in the 'ON' position to activate the vehicle's features.

OPERATING INSTRUCTIONS

Basic Functions

The Go! Go! Smart Wheels vehicles are designed for interactive play:

- **Press the Windshield:** Pressing the windshield of either the Police Car or the Ambulance will activate music,

sounds, and phrases. The vehicle's face will also light up.

- **Interactive Parts:** Open and close the Police Car's hood or the Ambulance's back doors to hear additional sound effects and phrases. This action also helps develop fine motor skills.

SmartPoint Interaction

These vehicles are compatible with VTech Go! Go! Smart Wheels track sets (sold separately). When a SmartPoint car rolls over a SmartPoint location on a track set, it will trigger unique phrases, sounds, and music, enhancing the play experience.

MAINTENANCE

Cleaning

To clean the vehicles, wipe them with a slightly damp cloth. Do not immerse the toys in water. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic and electronic components.

Battery Care

- Remove batteries if the toys will not be used for an extended period.
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Dispose of exhausted batteries properly.

TROUBLESHOOTING

No Sound or Lights

- Check if the ON/OFF switch is in the 'ON' position.
- Ensure batteries are installed correctly with the correct polarity.
- Replace old or weak batteries with new AAA batteries.
- If the issue persists, contact VTech customer support.

Intermittent Functionality

- This may indicate low battery power. Replace batteries.
- Ensure the battery compartment cover is securely closed.

SPECIFICATIONS

Feature	Detail
Product Dimensions	2.13 x 3.39 x 2.4 inches
Item Weight	8.2 ounces
Item Model Number	80-420660
Manufacturer Recommended Age	18 months - 5 years
Batteries Required	2 AAA batteries per vehicle (4 total)
