DG Casa Boucle Cloud Bed Frame Instruction Manual

Model: 70350-Q-BCL | Queen Size, Cream Boucle

1. PRODUCT OVERVIEW

The DG Casa Boucle Cloud Bed Frame is a queen-sized platform bed featuring an arch-shaped headboard upholstered in a soft, creamy boucle fabric. Designed for both modern and boho-themed decors, this bed frame includes heavy-duty slats, eliminating the need for a box spring. It is supported by solid wood legs for stability and durability.

3. SETUP AND ASSEMBLY

Assembly of the DG Casa Boucle Cloud Bed Frame is designed to be straightforward. It is recommended to assemble the bed frame in the room where it will be used.

Assembly Steps:

1. **Unpack Components:** Carefully unbox all components and hardware. Place them on a clean, soft surface to prevent damage. Refer to the 'Included Components' section to ensure all parts are present.
2. **Attach Headboard Sections:** Connect the Upper Headboard (A) to the Lower Headboard (B) using the provided hardware.
3. **Assemble Side Rails:** Attach the Side Rails (D) to the assembled headboard and the Footboard (C) using the appropriate hardware. Ensure all connections are secure.
4. **Install Center Support:** Secure the Center Rail (F) and Center Support Leg (G) to the bed frame. This provides crucial central support.
5. **Attach Feet:** Screw the Solid Wood Legs (I) into the designated points on the bed frame.
6. **Place Slats:** Lay the Bed Slats (H) across the side rail cleats. The heavy-duty slats are designed to support your mattress directly, eliminating the need for a box spring.

7. **Final Tightening:** Once all components are in place, gently tighten all bolts and screws to ensure a stable and secure structure. Avoid over-tightening.

Note: The bed frame is designed for use without a box spring. The heavy-duty slats provide ample support for your mattress.

4. OPERATING INSTRUCTIONS

The DG Casa Boucle Cloud Bed Frame is designed for comfortable and stable sleep. Once assembled, place your mattress directly onto the heavy-duty slats. No box spring is required.

Key Features for Use:

- **No Box Spring Needed:** The integrated heavy-duty slat system provides robust support for your mattress, ensuring longevity and comfort without the need for an additional box spring.
- **Arch-Shaped Headboard:** The upholstered headboard offers a comfortable backrest and adds a distinctive aesthetic to your bedroom.
- **Solid Wood Legs:** Provides stable support and elevates the bed frame, allowing for approximately 4 inches of clearance underneath.

5. MAINTENANCE

Proper care will help maintain the appearance and longevity of your DG Casa Boucle Cloud Bed Frame.

Cleaning Instructions:

- **Fabric Upholstery:** For general cleaning, gently wipe the boucle fabric with a clean, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the fabric.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. If necessary, use a mild fabric cleaner specifically designed for upholstery, testing on an inconspicuous area first.
- **Wood Legs:** Wipe the solid wood legs with a dry or slightly damp cloth. Avoid excessive moisture.

General Care:

- Periodically check and tighten all assembly hardware to ensure the bed frame remains stable.
- Avoid exposing the bed frame to direct sunlight for prolonged periods to prevent fading of the fabric.
- Do not jump on the bed frame, as this can compromise its structural integrity.

6. TROUBLESHOOTING

If you encounter any issues with your DG Casa Boucle Cloud Bed Frame, please review the following common concerns:

Common Issues and Solutions:

- **Squeaking Noises:** Ensure all bolts and screws are securely tightened. Loose connections are a common cause of squeaking. Re-tighten all hardware.
- **Instability/Wobbling:** Verify that all legs are firmly attached and making even contact with the floor. Check that the center support leg is properly installed and adjusted.
- **Slats Shifting:** Ensure the slats are correctly seated within the side rail cleats. If slats are not staying in place, check for any damage or misalignment.
- **Missing Parts:** If any components were missing upon delivery, please contact DG Casa customer support immediately with your purchase details.

For issues not covered here, or if problems persist, please contact DG Casa customer support.
