Inter Link Ranya 90 Bed Instruction Manual

Model: 55040090

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Inter Link Ranya 90 Bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference. The Inter Link Ranya 90 Bed is a functional bed designed with integrated storage solutions. It features a clean white finish, offering versatility for various room decors. The bed includes multiple drawers and shelves, along with an extendable nightstand, to maximize storage space.

2. SAFETY INFORMATION

- **Maximum Weight Capacity:** Do not exceed the maximum recommended weight capacity of **100 kg** (approximately 220 lbs). Exceeding this limit may cause structural damage or injury.
- **Proper Assembly:** Ensure the bed frame is assembled correctly and all fasteners are securely tightened to prevent instability or collapse. Regularly check all connections for tightness.
- **Children Safety:** Keep small parts and assembly hardware out of reach of children.
- **Ventilation:** Ensure adequate ventilation during assembly, especially if using adhesives or sealants.
- **Placement:** Place the bed on a flat, stable surface. Avoid placing it near heat sources or in direct sunlight for prolonged periods to prevent material degradation.

3. PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Bed frame components (particle board)
- Drawer components (MDF)
- Nightstand components (MDF)

- Hardware kit (screws, dowels, cam locks, drawer slides, handles, wheels)
- Illustrated assembly instructions

Note: The slatted frame, mattress, and decorative items are **not included** with this product.

4. SETUP AND ASSEMBLY

Assembly requires two adults. Please follow the included illustrated assembly instructions step-by-step. Ensure you have sufficient space for assembly and use a soft, clean surface to prevent scratching the furniture components.

4.1 Tools Required (Not Included)

- Phillips head screwdriver
- Hammer (for dowels)
- Measuring tape

4.2 Assembly Steps Overview

1. Unpack all components and verify against the parts list.
2. Assemble the main bed frame structure.
3. Install drawer slides onto the bed frame.
4. Assemble the drawers (2 standard, 1 large).
5. Assemble the nightstand with wheels and shelves.
6. Insert assembled drawers and nightstand into their designated compartments.
7. Attach handles to all drawers and the nightstand.
8. Place the slatted frame and mattress (not included) onto the bed frame.

Important: Pay close attention to the orientation of each piece as shown in the diagrams. Do not overtighten screws, as this may damage the material.

5. OPERATING INSTRUCTIONS

The Inter Link Ranya 90 Bed is designed for ease of use with its integrated storage features.

5.1 Using the Drawers

The bed includes two standard drawers and one large drawer. To open, gently pull the handle. To close, push the drawer back until it is flush with the bed frame. Avoid forcing the drawers, as this may damage the slides.

5.2 Using the Extendable Nightstand

The nightstand is equipped with wheels for easy movement. It can be pulled out from under the bed to serve as a bedside table or pushed back in for a more compact setup. The nightstand features two open shelves for convenient access to items.

6. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your Inter Link Ranya 90 Bed.

- **Cleaning:** The melamine-coated surfaces are water-resistant and easy to clean. Wipe surfaces with a damp cloth and immediately dry with a clean, dry cloth to prevent water spots or damage. Avoid abrasive cleaners or harsh chemicals.
- **Hardware Check:** Periodically check all screws, bolts, and fasteners to ensure they remain tight. Retighten as necessary to maintain structural integrity.
- **Drawer Slides:** If drawers become stiff, apply a small amount of silicone-based lubricant to the drawer slides.
- **Avoid Overloading:** Do not overload drawers or shelves beyond their reasonable capacity to prevent damage to the components.

7. TROUBLESHOOTING

If you encounter issues with your Inter Link Ranya 90 Bed, refer to the following common solutions:

- **Bed feels wobbly or unstable:**
 - Ensure all assembly screws and fasteners are fully tightened.
 - Verify that the bed is placed on a level surface.
 - Recheck assembly steps to confirm all components are correctly installed.

- **Drawers do not slide smoothly:**

- Check if the drawer slides are properly aligned and installed.
- Ensure no objects are obstructing the drawer's path.
- Apply a silicone-based lubricant to the drawer slides.
- Verify that the drawer is not overloaded.

- **Missing or damaged parts:**

- Carefully re-check all packaging materials.
- Contact customer support with your model number and a description of the missing/damaged part.

8. SPECIFICATIONS
