Flever Happy House

Flever Happy House Miniature DIY Dollhouse Kit

INSTRUCTION MANUAL

1. Introduction

This instruction manual provides comprehensive guidance for assembling and enjoying your Flever Happy House Miniature DIY Dollhouse Kit. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable crafting experience. This kit is designed for individuals aged 14 years and up, requiring patience and precision due to its intricate nature and small components.

Safety Information:

CHOKING HAZARD - SMALL PARTS! Keep out of reach of young children. The kit contains sharp tools and small parts that could pose a choking hazard or cause injury if not handled properly.

2. Kit Contents

Your Flever Happy House kit includes the following materials:

- Pre-cut MDF wooden pieces for the house structure and furniture.
- Fabric and printed paper for decorations and accessories.
- LED light wires and other miniature decorations & accessories.
- Papery English Manual (if not included, please contact the seller for a PDF version).
- Toolkit including scissors, knife, tweezers, ruler, and screwdriver.

All the materials needed for assembly are included, allowing you to enjoy the fun of DIY effortlessly.

3. Additional Tools Required

The following items are not included in the kit and must be prepared by the assembler:

- Pigment (paints).
- Batteries: 3 pieces of LR44 button cells are required for the LED lights.
- Glue: Quick-dry tacky glue is recommended for assembly.

4. Assembly Instructions

Assembly of the Flever Happy House kit typically requires 6-12 hours, depending on the crafter's experience level. Follow the detailed steps provided in the included manual. For visual assistance, video tutorials are available online. Refer to the instruction manual for links to the assembly process videos.

4.1. General Assembly Process

Begin by identifying all components and organizing them according to the manual. Carefully detach pre-cut pieces and use the provided tools for precision. Apply glue sparingly and allow sufficient drying time for each step.

6. Maintenance

To preserve the appearance and longevity of your Flever Happy House:

- **Cleaning:** Gently dust the dollhouse and its components with a soft, dry brush or cloth. Avoid using water or chemical cleaners, as these may damage the materials.
- **Storage:** Store the dollhouse in a dry environment away from direct sunlight and extreme temperatures to prevent warping or fading of materials.
- **Handling:** Handle the assembled dollhouse with care, especially when moving it, to avoid dislodging small parts.

7. Troubleshooting

If you encounter any issues during assembly or use, consider the following:

- **Missing Parts:** Carefully check all packaging and compartments. If parts are genuinely missing, please

contact Flever customer support with details of the missing components.

- **Dried Paint:** If any included paint is dried, it may be necessary to use your own acrylic paints for touch-ups or full coverage.
- **Assembly Difficulty:** The kit requires patience and precision. Review the manual steps, watch available video tutorials, and take breaks if feeling frustrated.
- **LED Lights Not Working:** Ensure batteries are correctly inserted and are fresh LR44 button cells. Check all wire connections for secure contact.

8. Specifications

Feature	Detail
