## PJ Masks F7599

# PJ Masks Power Heroes PJ Explorider Converting Vehicle Instruction Manual

Brand: PJ Masks | Model: F7599

## INTRODUCTION

This manual provides essential instructions for the safe and proper use of your PJ Masks Power Heroes PJ Explorider converting vehicle. Designed for imaginative play, this vehicle features three unique modes, lights, and sounds, offering an engaging experience for children aged 3 years and up. Please read this manual thoroughly before use to ensure optimal performance and safety.

## SAFETY INFORMATION

**WARNING: Small parts may be generated. Not for children under 3 years.**

- Always supervise children during play.
- Keep packaging materials away from children to prevent choking hazards.
- Do not modify the toy in any way.
- Ensure batteries are inserted correctly to avoid malfunction.

## WHAT'S IN THE BOX

- 1 x PJ Masks Power Heroes PJ Explorider Converting Vehicle
- 1 x Catboy Action Figure

## SETUP

### 1. Battery Installation

1. Locate the battery compartment on the underside of the vehicle.
2. Using a Phillips head screwdriver (not included), unscrew the battery compartment cover.
3. Insert 3 x AAA batteries (not included) into the compartment, ensuring correct polarity (+/-).
4. Replace the battery compartment cover and secure it with the screw.

*Note: For best performance, use new alkaline batteries.*

## OPERATING INSTRUCTIONS

### 1. Vehicle Modes Conversion

The PJ Explorider features three distinct modes: Land, Air, and Sea. You can convert between these modes by adjusting the vehicle's wheels and axles.

- **Land Mode:** Position the wheels to extend outwards, resembling a traditional car. This mode activates blue lights and Catboy-specific sounds.
- **Sea Mode:** Adjust the wheels to a more compact, boat-like configuration. This mode activates green lights and Gekko-specific sounds.
- **Air Mode:** Position the wheels to fold upwards, creating a flying vehicle appearance. This mode activates red lights and Owlette-specific sounds.

Image: A close-up of hands manipulating the wheels to convert the vehicle between modes.

## 2. Lights and Sounds

Press the button located on the top of the vehicle to activate over 35 unique lights and sounds. The specific lights and sounds will correspond to the vehicle's current mode (Land, Sea, or Air).

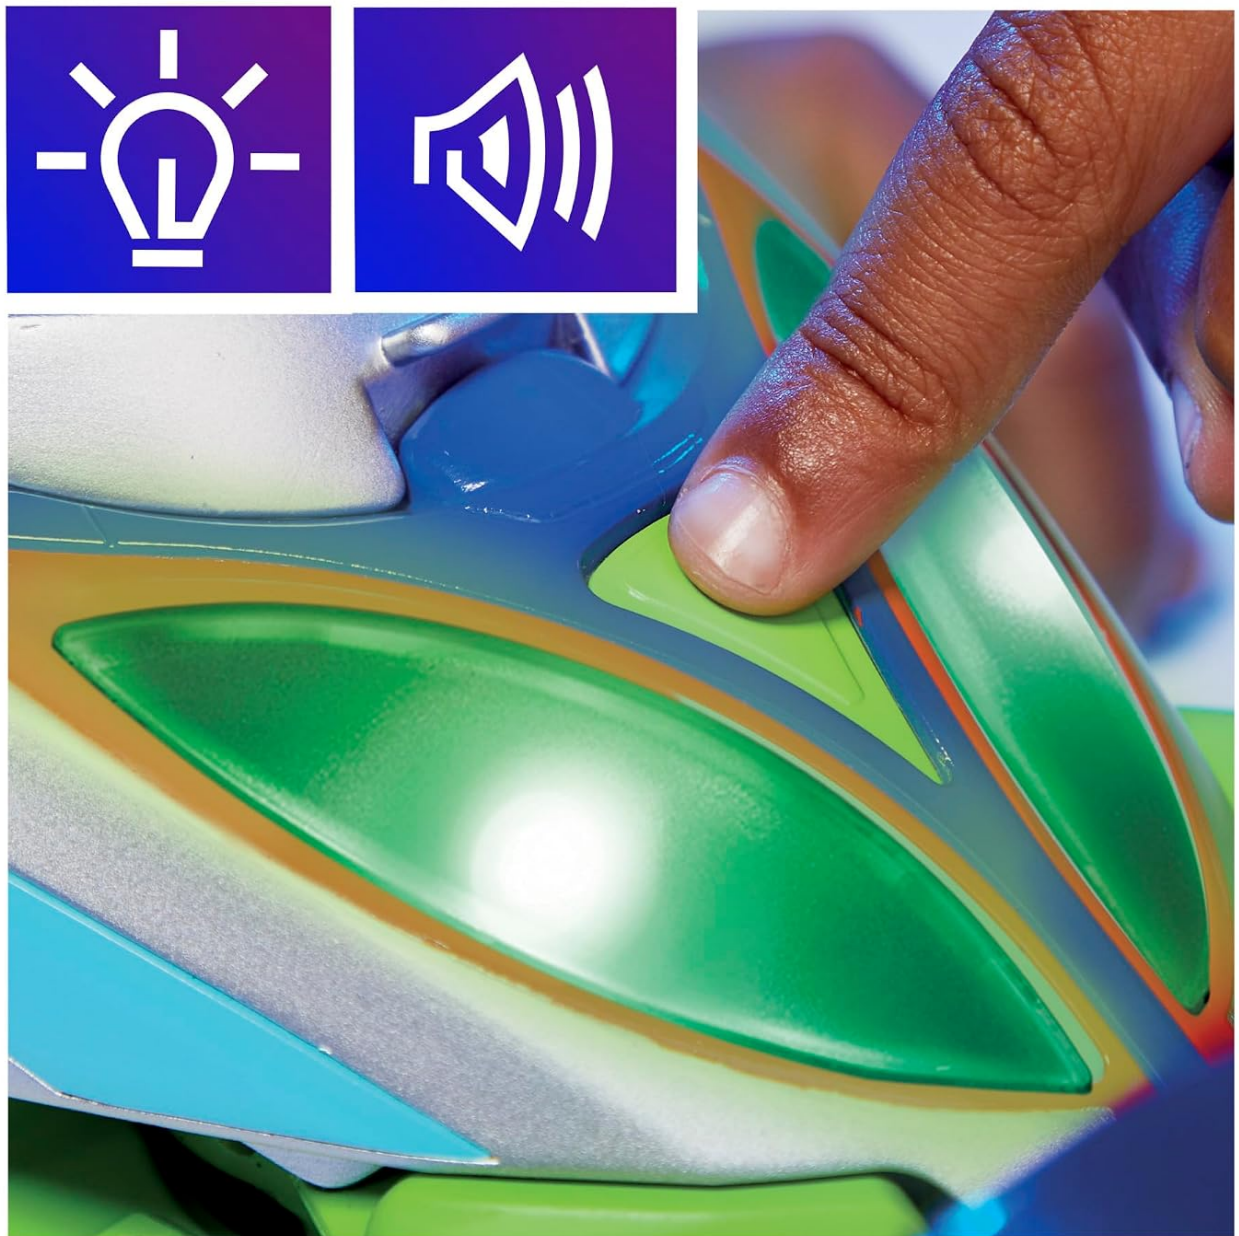

Image: A finger pressing the activation button on the vehicle, highlighting the light and sound icons.

### 3. Placing Figures

The cockpit of the PJ Explorider can accommodate up to 6 PJ Masks action figures (additional figures sold separately). Open the canopy and place the included Catboy figure, or other compatible figures, into the seats.

#### **4. Rolling Action**

The vehicle is equipped with small wheels on its underside, allowing it to roll smoothly across various surfaces in all three modes.

## MAINTENANCE

- Wipe the vehicle with a damp cloth to clean. Do not immerse in water.
- Avoid exposing the toy to extreme temperatures or direct sunlight for prolonged periods.
- Remove batteries if the toy will not be used for an extended period to prevent leakage.

## TROUBLESHOOTING

| Problem              | Solution                                                                                           |
|----------------------|----------------------------------------------------------------------------------------------------|
| No lights or sounds. | Check battery installation. Ensure batteries are new and correctly oriented. Replace if necessary. |

| Problem                         | Solution                                                                                                      |
|---------------------------------|---------------------------------------------------------------------------------------------------------------|
| Vehicle does not roll smoothly. | Ensure wheels are fully extended or retracted for the desired mode. Check for any obstructions in the wheels. |

## SPECIFICATIONS
