# Storkcraft Hillcrest 4-in-1 Convertible Crib Instruction Manual

Model: 04520-03B | Brand: Storkcraft

## INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your Storkcraft Hillcrest 4-in-1 Convertible Crib. This versatile crib is designed to adapt to your child's growth, converting from a crib to a toddler bed, daybed, and full-size bed.

## IMPORTANT SAFETY GUIDELINES

Please read all instructions before assembly and use of the crib. Keep this manual for future reference. Failure to follow these warnings and instructions could result in serious injury or death.

- Always ensure all parts are correctly assembled and tightened before use. Periodically check all fasteners for tightness.
- Do not use this crib if any parts are missing, damaged, or broken. Contact Storkcraft for replacement parts.
- The crib is intended for use with a standard full-size crib mattress (sold separately). Ensure the mattress fits snugly without gaps.
- Do not use this crib for a child who can easily climb out or is taller than 35 inches (89 cm).
- To prevent falls, lower the mattress support to the lowest position before the child can stand up.
- Never place a pillow, comforter, or extra padding in the crib with an infant.
- Keep cords, strings, and window blind cords away from the crib to prevent strangulation hazards.

## PRODUCT FEATURES AND CONVERSIONS

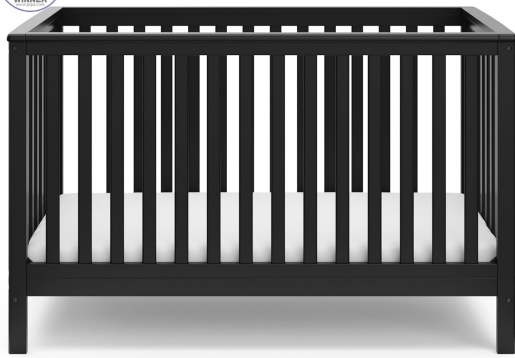

The Storkcraft Hillcrest Crib offers four configurations to grow with your child:

**1. Crib Mode:** The primary function, providing a secure sleeping environment for infants. Features a timeless design with vertical slats.

**2. Toddler Bed Mode:** Easily converts by removing the front rail and adding one or two toddler safety guardrails (sold separately). This transition supports your child's independence.

storkcraft®

**3. Daybed Mode:** Achieved by removing the front rail entirely, offering an open-front seating or sleeping option for older children.

**Ready for childhood,  
transitions into a full bed**

Easily transitions into a full bed  
(bed conversion kit sold separately).

storkcraft®

**4. Full-Size Bed Mode:** The crib can be transformed into a full-size bed by utilizing the headboard and a full-size bed conversion kit (sold separately).

## ASSEMBLY INSTRUCTIONS

Assembly of the Storkcraft Hillcrest 4-in-1 Convertible Crib is required. The product includes all necessary parts, hardware, and detailed assembly instructions. Please follow the step-by-step guide provided in the packaging carefully to ensure proper and safe construction.

## OPERATING INSTRUCTIONS

### Adjustable Mattress Support Base

The crib is equipped with an adjustable mattress support base offering 4 different height options. This feature allows you to lower the mattress position as your child grows and becomes more mobile, ensuring their safety by preventing them from climbing out.

- **Highest Position:** For newborns and infants who cannot push up on their hands and knees. This allows

easier access to your baby.

- **Mid Positions:** Use as your baby begins to sit up independently.
- **Lowest Position:** Essential for when your child can stand. This prevents them from climbing over the side rails.

Refer to the assembly instructions for detailed steps on how to adjust the mattress support height.

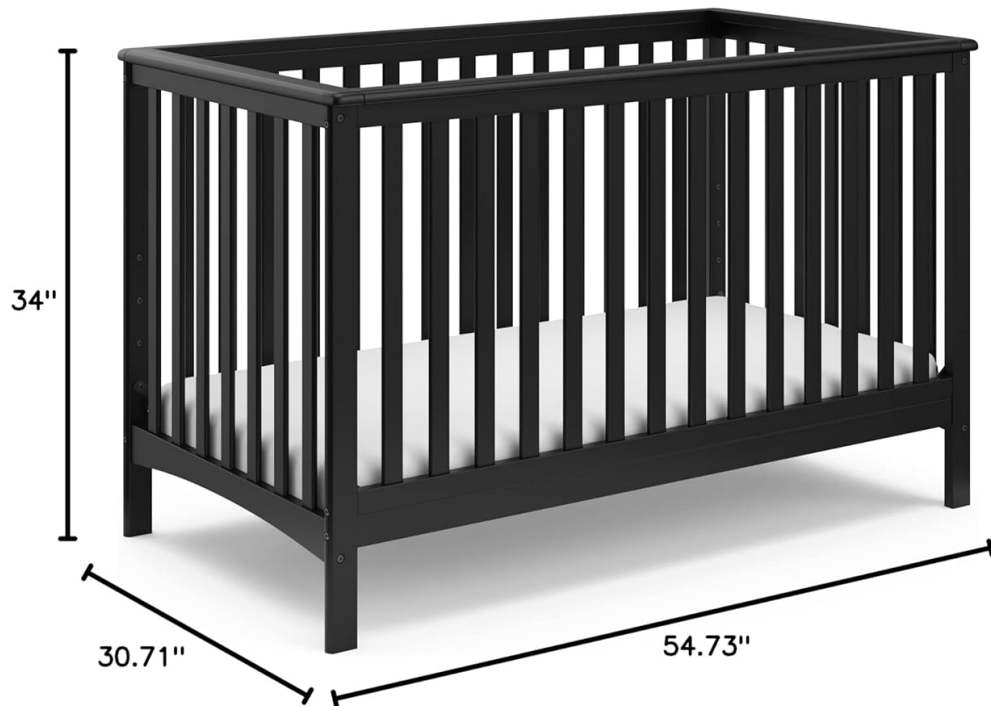

## MAINTENANCE AND CARE

To maintain the quality and appearance of your Storkcraft Hillcrest Crib, follow these care instructions:

- **Cleaning:** Wipe with a damp cloth. Avoid using abrasive cleaners or strong chemicals, as these can damage the finish.
- **Inspection:** Regularly inspect the crib for any loose hardware, damaged parts, or signs of wear. Tighten any loose fasteners immediately.
- **Storage:** If storing the crib, ensure it is in a dry, temperature-controlled environment to prevent warping or damage to the wood.
