## MOFII SMK-676367 Purple

# MOFII Wireless Keyboard + Mouse Set Bean 2.4G User Manual

Model: SMK-676367 Purple

## INTRODUCTION

---

This manual provides comprehensive instructions for the setup, operation, maintenance, and troubleshooting of your MOFII Wireless Keyboard + Mouse Set Bean 2.4G. Please read this manual carefully before using the product to ensure proper functionality and longevity.

## PACKAGE CONTENTS

---

- MOFII Wireless Keyboard
- MOFII Wireless Mouse
- 2.4G USB Receiver
- User Manual (this document)
- (Batteries may or may not be included, depending on region/packaging)

## SETUP

---

Follow these steps to set up your MOFII Wireless Keyboard and Mouse.

### 1. Install Batteries

Locate the battery compartments on the underside of both the keyboard and the mouse. Insert the required batteries (typically AA or AAA, check product packaging for specifics) ensuring correct polarity (+/-). Close the battery covers securely.

## 2. Connect the USB Receiver

The 2.4G USB receiver is typically stored in the battery compartment of the mouse for safekeeping. Remove the receiver and plug it into an available USB port on your computer or laptop. The system should automatically detect and install the necessary drivers.

Image: The MOFII Wireless Keyboard and Mouse positioned on a desk next to a laptop, illustrating a typical setup environment. The USB receiver would connect to the laptop.

## 3. Power On

Turn on the keyboard and mouse using their respective power switches, usually located on the underside. The devices should automatically connect to the USB receiver. If they do not connect, refer to the troubleshooting section.

## OPERATING INSTRUCTIONS

---

Once connected, your MOFII Wireless Keyboard and Mouse are ready for use.

### Keyboard Usage

- **Typing:** Use the keys as you would a standard keyboard.
- **Function Keys (Fn):** Some keys may have secondary functions (e.g., media controls, volume, brightness). These are typically accessed by holding down the "Fn" key (if present) and pressing the desired function key.
- **Indicator Lights:** Observe indicator lights for Caps Lock, Num Lock, and low battery warnings.

## Mouse Usage

- **Movement:** Move the mouse on a flat surface to control the cursor on your screen.
- **Clicking:** Left-click for selection, right-click for context menus.
- **Scroll Wheel:** Use the scroll wheel for vertical scrolling in documents and web pages.

## MAINTENANCE

---

Proper maintenance ensures the longevity and optimal performance of your MOFII Wireless Keyboard and Mouse.

### Cleaning

- **Keyboard:** Use a soft, dry cloth to wipe the surface. For stubborn dirt, slightly dampen the cloth with water or a mild, non-abrasive cleaner. Avoid excessive moisture.
- **Mouse:** Clean the exterior with a soft, dry cloth. Ensure the optical sensor on the underside is free of dust and debris for accurate tracking.
- **General:** Do not use harsh chemicals, abrasive cleaners, or immerse the devices in water.

### Battery Replacement

When the battery indicator light (if present) signals low power, or if performance degrades, replace the batteries. Follow the battery installation steps outlined in the "Setup" section.

Image: A hand placing the MOFII keyboard into a small bag, demonstrating its portability. Regular maintenance ensures the device remains in good condition for travel and daily use.

## TROUBLESHOOTING

---

If you encounter issues with your MOFII Wireless Keyboard and Mouse, try the following solutions:

### No Connection / Lagging Performance

- **Check Batteries:** Ensure batteries are correctly installed and have sufficient charge. Replace if necessary.
- **USB Receiver:** Make sure the USB receiver is securely plugged into a working USB port. Try a different USB port.
- **Power Switches:** Confirm both the keyboard and mouse are powered on.
- **Distance:** Ensure the devices are within the effective range of the receiver (typically up to 10 meters).
- **Interference:** Move the devices away from other wireless devices (e.g., Wi-Fi routers, cordless phones) that might cause interference.
- **Re-pairing:** Some devices have a re-pairing button. Consult the product packaging or manufacturer's website if automatic connection fails.

### Keys Not Responding / Mouse Not Tracking

- **Clean Devices:** Ensure no debris is obstructing keys or the mouse sensor.
- **Surface (Mouse):** Use the mouse on a clean, non-reflective, opaque surface.
- **Restart:** Try restarting your computer.

## SPECIFICATIONS

---

### MOFII Wireless Keyboard + Mouse Set Bean 2.4G (Purple)

Feature	Detail
Brand	MOFII
Model Number	SMK-676367 Purple
Connectivity Technology	2.4G Wireless
