General Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the labels (A, B, C, etc.) and the provided diagrams.
3. Attach the metal frame components using the designated screws and the included tool. Do not overtighten initially.

4. Install the particleboard shelves and industrial mesh shelves into the frame.
5. Once all components are in place, tighten all screws securely.
6. Adjust the foot pads to ensure the stand is level and stable.

Product Features and Usage

The VECELO Industrial TV Stand combines a vintage aesthetic with practical design, suitable for various home environments.

Key Features:

- **Vintage Industrial Design:** Features a retro finish wood grain and black metal frames, complementing various decor styles.
- **Durable Construction:** Made from quality particleboard shelves and industrial mesh shelves for long-lasting use.
- **Ample Storage:** A spacious tabletop and two tiers of open storage shelves provide organized space for media devices, books, and decorative items.

Maintenance

To maintain the appearance and longevity of your VECELO TV Stand, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a dry cloth to remove dust and spills. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Protection:** Use coasters or protective pads under items that may scratch or stain the tabletop.

Troubleshooting

If you encounter any issues with your VECELO Industrial TV Stand, consider the following:

- **Instability:** Ensure the stand is on a flat surface. Adjust the foot pads to eliminate wobbling. Verify all screws are tightened.
- **Missing Parts:** If any parts were missing upon delivery, please contact customer service immediately.
- **Assembly Difficulties:** Re-read the instructions and review the assembly video. If problems persist, contact customer support.
