Tribesigns XK00231

Tribesigns 75-Inch Gaming Desk with Monitor Shelf and LED Lights

Model: XK00231

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Tribesigns 75-inch Gaming Desk. Please read this manual thoroughly before beginning assembly or use to ensure proper setup and safe operation. Retain this manual for future reference.

SAFETY INFORMATION

Adhere to the following safety guidelines to prevent injury or damage to the product:

- Ensure the desk is placed on a stable, even surface to prevent tipping.
- Do not exceed the maximum weight recommendation of 158 kilograms (348.3 lbs) on the desktop. The desk's maximum load capacity is 500 lbs.
- Use the non-slip foot pads to protect your floor and ensure stability on uneven ground.
- During assembly, avoid over-tightening screws, especially into plastic components, to prevent stripping or damage.
- Keep small parts and packaging materials away from children to prevent choking hazards.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package includes:

- Desktop panels (main and monitor shelf)
- Steel frame components
- Assembly hardware (screws, bolts, Allen wrench)
- LED strip lights with remote control
- Headphone hooks (x2)
- CPU stands (x2)
- Adjustable foot pads
- Assembly Instructions Manual

Video: An overview of the Tribesigns Gaming Desk, including unboxing, assembly steps, and key features. This video demonstrates the construction process and highlights the desk's components.

ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately 30-45 minutes with two people. An electric drill can expedite the process, but use it on a low torque setting to avoid damaging components. All necessary tools are included.

1. **Unpacking and Preparation:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the package contents list.
2. **Frame Assembly:** Begin by assembling the main steel frame according to the diagrams in the instruction manual. Ensure all connections are secure but do not fully tighten screws until the entire frame is loosely assembled.
3. **Desktop and Monitor Shelf Installation:** Attach the desktop panels to the assembled frame. Then, secure the monitor shelf to the designated supports. Pay attention to the orientation of the panels as indicated in the manual.
4. **Attaching Accessories:** Install the headphone hooks, CPU stands, and adjustable foot pads. The foot pads can be adjusted to level the desk on uneven floors.
5. **Final Tightening:** Once all components are in place and aligned, systematically tighten all screws. Avoid excessive force to prevent damage.

OPERATING LED LIGHTS

The Tribesigns Gaming Desk features integrated multi-color RGB LED strip lights to enhance your gaming or work environment. The LED lights are controlled via a remote control.

- **Power On/Off:** Use the designated power button on the remote to turn the LED lights on or off.
- **Color Selection:** The remote offers 16 main colors. Press the corresponding color button to select your desired static color.
- **Dynamic Modes:** Multiple dynamic modes (e.g., flash, strobe, fade, smooth) are available. Use the mode buttons to cycle through these effects.
- **Brightness Adjustment:** Adjust the brightness of the lights using the brightness control buttons on the remote.
- **Timer Feature:** Some LED remotes may include a timer function to automatically turn off the lights after a set period. Refer to your remote's specific instructions for this feature.

Light Up Your Desktop with LED strip

PRODUCT FEATURES

The Tribesigns Gaming Desk is designed with several features for an optimized user experience:

- **Spacious Desktop:** A 75-inch long and 30-inch deep desktop provides ample space for multiple monitors, keyboards, mice, and other gaming or office equipment.
- **Monitor Shelf:** An elevated monitor shelf helps maintain better posture and frees up valuable desktop space.
- **Durable Construction:** Constructed from E0-grade boards with a carbon fiber textured desktop, offering a smooth, anti-scratch, anti-skidding, and easy-to-clean surface. The heavy-duty steel frame ensures maximum durability and stability.
- **Headphone Hooks:** Two integrated headphone hooks keep your headphones conveniently accessible and help maintain an organized workspace.

- **CPU Stands:** Two dedicated CPU stands are provided to keep your computer towers off the floor, improving airflow and protecting them from dust.
- **Adjustable Foot Pads:** Non-slip foot pads protect your floor from scratches and allow for minor height adjustments to ensure desk stability on uneven surfaces.
- **Ergonomic Design:** The wing-shaped desktop is designed to provide flexible room for arm movement and easier access to items, promoting a comfortable and focused environment.

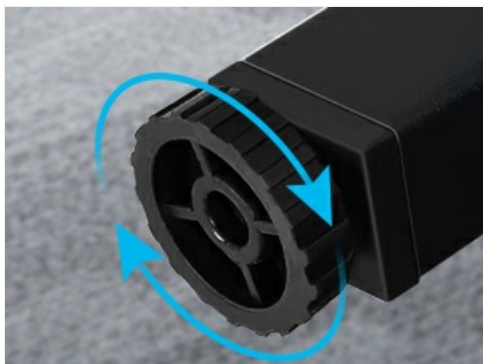

High Quality Board: Carbon fiber textured desktop for durability.

Headset Hooks: Convenient storage for two headsets.

CPU Stands: Keeps computer towers off the floor.

Adjustable Desk Foot: For stability on uneven

surfaces.

MAINTENANCE

To ensure the longevity and appearance of your Tribesigns Gaming Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe the desktop and frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the carbon fiber texture or finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the desktop material.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary, but do not over-tighten.
- **LED Lights:** Ensure the LED strip and remote are kept dry. If the lights malfunction, check the power connection and remote battery.

TROUBLESHOOTING

If you encounter any issues with your Tribesigns Gaming Desk, refer to the following common problems and solutions:

- **Desk Wobbles:**
 - Ensure all screws are securely tightened.
 - Adjust the non-slip foot pads to level the desk on uneven flooring.
 - Verify that the frame components are correctly assembled and not backward.
- **Uneven Desktop Panels:**
 - Loosen all screws slightly, adjust the panels to align them, then re-tighten screws gradually, ensuring even pressure.
 - Confirm that all support brackets are correctly installed.
- **LED Lights Not Working:**
 - Check if the LED strip is properly connected to its power source.
 - Ensure the remote control battery is functional and correctly inserted.
 - Point the remote directly at the LED receiver.
- **Damaged or Missing Parts:**
 - Contact Tribesigns customer service immediately for assistance. Provide your model number and details of the issue.

SPECIFICATIONS

Feature	Detail
Brand	Tribesigns
Model Number	XK00231
Product Dimensions (D x W x H)	30.31"D x 74.8"W x 35.43"H
Item Weight	29 Kilograms

Maximum Weight Recommendation	158 Kilograms (348.3 lbs)
Color	Black
