Key Features:

- **3 Lighting Modes & Adjustable Brightness:** The integrated mirror lights offer warm yellow, warm white, and cold white light colors. Adjust brightness by long-pressing the touch switch.
- **Power Strip with USB Ports & Outlets:** Conveniently located charging station with 2 USB ports and 2 standard outlets for electronic devices.
- **Unique Visual Drawer & Hooks Design:** Features a transparent-top drawer for easy viewing of contents and hooks for hanging necklaces and earrings.
- **Flexible & Ample Storage:** Includes 2 large drawers, 2 middle drawers, 1 cabinet, open shelves, and hidden storage behind the mirror.
- **Durable Metal Frame & Easy Assembly:** Constructed from eco-friendly particle board and metal for stability and longevity. Comes with detailed instructions and tools for assembly.

2. Safety Information

Please adhere to the following safety guidelines to ensure safe use and prevent damage to the product or injury.

- **Assembly:** Always follow the instructions provided. Use caution when handling sharp edges and small parts. Do not plug in the vanity until all parts are securely fastened.
- **Usage:** Keep the vanity dry. Do not use wet cloths or sprays to clean the vanity. Keep the vanity away from heat sources. Do not overload the charging station. Always turn off the vanity when not in use.

3. Assembly Instructions

The AOGLLATI Makeup Vanity Desk requires assembly. It is recommended that two people assemble the unit, although one person can complete it by carefully following the instructions. Please ensure all parts are present before beginning assembly.

Preparation:

1. Unpack all components and verify against the parts list provided in the packaging.
2. Lay out all numbered boards and hardware in an organized manner. This will significantly streamline the assembly process.
3. Prepare a clean, soft surface (e.g., a blanket or carpet) to prevent scratching the vanity components during assembly.

Assembly Steps:

Follow the step-by-step instructions provided in the included assembly guide. Ensure all screws and fasteners are tightened securely, but do not overtighten.

4.2. Charging Station

The vanity desk is equipped with a built-in power strip for convenient charging of your electronic devices.

- The charging station includes **two standard AC outlets (125V/12A)** and **two USB ports (5V/2A)**.
- Plug your devices directly into the appropriate ports.
- An on/off switch is provided on the power strip to control power to the outlets and USB ports. Turn it off when not in use to conserve energy.

4.3. Storage Features

The vanity offers various storage solutions to keep your cosmetics and accessories organized.

- **Hidden Storage Behind Mirror:** The mirror slides open to reveal concealed shelves for storing items you wish to keep out of sight.
- **Visible Drawers:** A unique drawer with a transparent top allows you to easily see and access smaller items like jewelry or specific makeup products.
- **Jewelry Hooks:** Small hooks are integrated into the side storage area, perfect for hanging necklaces, bracelets, or earrings to prevent tangling.
- **Additional Drawers and Shelves:** Utilize the two large drawers, two middle drawers, and the cabinet for larger items, and the open shelves for display or frequently used products.

5. Maintenance

Proper care and maintenance will ensure the longevity and appearance of your vanity desk.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using abrasive cleaners, harsh chemicals, or wet cloths, as these can damage the finish and electronic components.
- **Dusting:** Regularly dust all surfaces, including shelves and drawers, to prevent buildup.
- **Spills:** In case of spills, immediately wipe with a dry cloth. Do not allow liquids to sit on the surface.
- **Mirror Care:** Clean the mirror with a glass cleaner applied to a soft cloth, then wipe the mirror surface. Do not spray

cleaner directly onto the mirror or frame.

6. Troubleshooting

If you encounter any issues with your AOGLLATI Makeup Vanity Desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights not turning on or flickering.	Power connection issue, faulty wiring, or damaged LED component.	Ensure the vanity is properly plugged into a working outlet. Check the power strip's on/off switch. If the problem persists, contact customer support.
LED lights switch on/off randomly.	Electrical interference or internal component issue.	Ensure no other high-power devices are on the same circuit. Try plugging into a different outlet. If the issue continues, contact customer support.
Charging station (USB/outlets) not working.	Power strip switch is off, vanity not plugged in, or internal wiring issue.	Verify the vanity is plugged in and the power strip's on/off switch is in the 'on' position. Test with different devices. If still not working, contact customer support.
Drawers are sticking or difficult to open/close.	Misalignment during assembly, obstruction, or damaged drawer slides.	Check for any objects obstructing the drawer. Re-verify assembly of drawer slides according to the manual. Ensure all screws are properly tightened.
Mirror hinge pin keeps falling out.	Loose or improperly installed hinge pin.	Ensure the hinge pin is fully inserted and secured. If it continues to fall out, it may need to be gently bent to create a tighter fit or replaced.
