Timer Function

Set a timer for the fan to automatically turn off after a specified period. Refer to the specific instructions in the app or remote for setting the timer.

Wi-Fi and App Control

Download the Dreo app from your smartphone's app store. Follow the in-app instructions to connect your fan to your home Wi-Fi network. The app allows for advanced control, custom settings, and scheduling.

Remote Control Usage

The included remote control allows convenient operation from a distance. Ensure the remote is pointed towards the fan's receiver. The remote uses one CR2 battery.

Voice Control (Alexa)

Once connected to Wi-Fi, the fan can be integrated with voice assistants like Amazon Alexa. Enable the Dreo skill in your Alexa app and use voice commands to control the fan (e.g., "Alexa, set air circulator to speed one").
