LAUSAINT HOME 3-Piece Patio Bar Set Instruction Manual

Model: B0BSKX9RH8

INTRODUCTION

Thank you for choosing the LAUSAINT HOME 3-Piece Patio Bar Set. This set includes one bar height table and two matching bar stools, designed for outdoor use. Constructed with a durable galvanized steel pipe frame, Textilene fabric seats and backs, and a wood-like grain tabletop, this set offers a comfortable and stylish addition to your outdoor living space. Please read this manual carefully before assembly and use to ensure proper installation and longevity of your product.

SAFETY INFORMATION

For safe use of your patio bar set, please observe the following guidelines:

- Ensure all components are securely assembled and tightened before use.
- Place the set on a stable, level surface to prevent tipping. Utilize the adjustable feet to compensate for uneven ground.
- Avoid placing excessive weight on the table or chairs. The chairs can withstand up to 300 lbs each, and the table up to 150 lbs.
- Supervise children when they are near or using the furniture to prevent accidents.
- Do not stand on the chairs or table.
- Regularly check all bolts and connections to ensure they remain tight.

SETUP AND ASSEMBLY

This patio bar set requires assembly. All necessary accessories and detailed instructions are included in the packaging. Please follow the step-by-step guide provided with your product for a smooth installation process.

1. Unpack all components and verify against the parts list in your instruction manual.
2. Lay out all parts on a clean, soft surface to prevent scratches.
3. Follow the numerical or alphabetical sequence of steps provided in the included assembly guide.
4. Ensure all bolts and screws are finger-tightened initially, then fully tighten them once the entire structure is assembled and stable.

5. Adjust the foot pads on the table and chairs to ensure stability on uneven surfaces.

OPERATING INSTRUCTIONS

The LAUSAIN HOME 3-Piece Patio Bar Set is designed for comfortable outdoor seating and dining. Once assembled and placed on a stable surface, the set is ready for use.

- **Placement:** This set is suitable for various outdoor and indoor spaces such as balconies, decks, gardens, patios, and coffee shops.
- **Stability:** Use the adjustable foot pads on both the table and chairs to ensure the set remains level and stable, especially on uneven ground.
- **Comfort:** The Textilene fabric provides breathability and resilience for comfortable seating.

MAINTENANCE

Proper maintenance will extend the life and appearance of your LAUSAINT HOME Patio Bar Set.

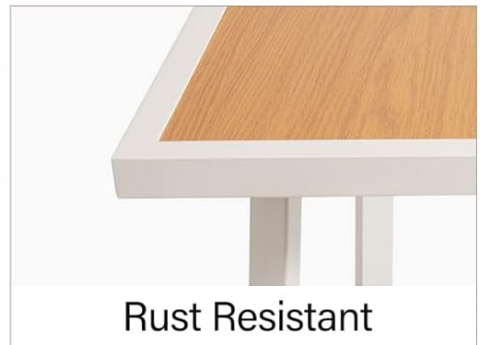

- **Cleaning:** Wipe the table and chairs clean with a damp cloth. For more stubborn dirt, use water and a mild soap solution. The Textilene fabric is water-resistant and quick-drying, making it easy to clean.
- **Frame Care:** The galvanized steel pipe frame is fade-proof and designed to resist rust. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.
- **Tabletop Care:** The wood-like grain tabletop is fade-resistant and has strong stain resistance. Wipe spills promptly to prevent staining.

- **Seasonal Storage:** While designed for all-weather use, storing the set indoors or covering it during extreme weather conditions (heavy snow, prolonged rain, strong winds) can further protect it and prolong its lifespan.

TROUBLESHOOTING

If you encounter any issues with your patio bar set, please refer to the following common solutions:

- **Wobbling Table or Chairs:** Check that all assembly bolts are securely tightened. Adjust the foot pads on the bottom of the table and chair legs to stabilize the furniture on uneven surfaces.
- **Loose Components:** Periodically inspect all connections and tighten any loose bolts or screws using the appropriate tools.
- **Stains on Fabric/Tabletop:** For most stains, a damp cloth with mild soap should suffice. Avoid harsh chemicals that may damage the material.
- **Rust Spots:** The galvanized steel frame is designed to be rust-resistant. If minor rust spots appear due to prolonged exposure or damage, clean the area and apply a rust-inhibiting paint suitable for outdoor metal furniture.

If problems persist or you experience issues not covered here, please contact LAUSAINT HOME customer support.
