# TIRTIR Ceramic Milk Ampoule User Manual

**Brand:** TIRTIR | **Model:** 8809679698813

## 1. INTRODUCTION

---

The TIRTIR Ceramic Milk Ampoule is a high-nutrient, elastic hydration glow formula designed to provide instant glass skin. It helps maintain skin moisture, reduce dryness, and promote a radiant, bouncy complexion. This ampoule is formulated with natural ingredients to strengthen the skin barrier and deliver long-lasting hydration without a greasy feel.

## 2. PRODUCT FEATURES & BENEFITS

---

- **Instant Glass Skin:** Enriched with a high-nutrient, elastic hydration glow coating that embraces your skin, keeping its moisture without evaporation. Achieves a porcelain-like glow with a stunning high-gloss finish.
- **Natural Ingredients:** Contains Squalane for deep and long-lasting moisture, rice bran extract to shield skin from free radicals, and a nourishing milk complex to pamper skin with hydration and strengthen the skin barrier. It is vegan-friendly and supports skin flexibility and hydration.
- **Non-Greasy Bliss:** Features soybean fermented extract, clover fermented extract, and licorice root fermented extract. These fermented ingredients break down moisturizing and soothing components into smaller, more effective particles, ensuring enhanced absorption and long-lasting hydration with a fresh, non-greasy finish that won't clog pores.
