OPERATING THE PLAYSET

Truck Operation

- The truck is designed for push-and-play action. Simply push it along a flat surface.
- Open and close the truck doors and rear gate to load and unload the dirt bike or other small accessories.
- Observe the working suspension as the truck moves over uneven surfaces, providing a realistic off-road experience.

Dirt Bike Play

- The dirt bike can be played with independently or transported in the truck bed.
- Use the dirt bike for imaginative racing or off-road scenarios.

MAINTENANCE

Cleaning

- Wipe the truck and dirt bike with a soft, damp cloth to remove dust and dirt.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- Ensure the playset is completely dry before storing.

Storage

- Store the playset in a cool, dry place away from direct sunlight to prevent material degradation.
- Keep small parts, such as the dirt bike, together with the truck to prevent loss.

Safety Information

- This playset is recommended for ages 5 and up.
- Adult supervision is recommended during play.
- Keep away from small children who may put small parts in their mouths.

TROUBLESHOOTING

Wheels Not Rolling Smoothly

- Check for any debris (e.g., hair, lint) caught in the axles of the wheels. Carefully remove any obstructions.
- Ensure the wheels are properly aligned and not bent.

Doors or Tailgate Sticking

- Inspect hinges for any foreign objects or damage.
- Gently open and close the parts to loosen them. Do not force them, as this may cause breakage.
