

Xech X-605

Xech ARC Bluetooth Speaker

MODEL X-605 USER MANUAL

1. INTRODUCTION

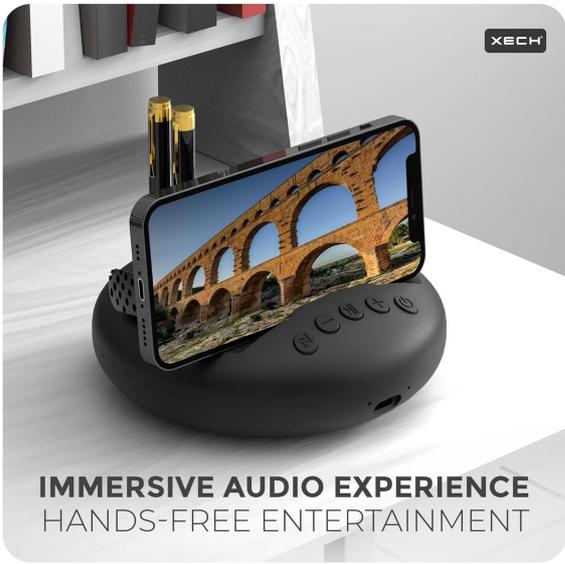

The Xech ARC Bluetooth Speaker (Model X-605) is a versatile 3-in-1 device designed to enhance your audio experience and desk organization. It functions as a 5W mini desk speaker, a convenient phone stand, and a practical pen holder. Featuring Bluetooth 5.2 for stable connectivity, a built-in microphone for calls, TWS pairing for stereo sound, and USB-C charging, this speaker is ideal for office, work-from-home, and bedside use.

2. WHAT'S IN THE BOX

- 1 x Xech ARC Bluetooth Speaker
- 1 x USB-C Charging Cable
- 1 x User Manual

3. PRODUCT FEATURES

- **3-in-1 Design:** Integrates a Bluetooth speaker, phone stand, and pen holder for a clutter-free workspace.
- **Built-in Microphone:** Enables clear voice pickup for calls, meetings, and online classes.
- **5W Audio Output:** Delivers crisp vocals and balanced bass for close-range listening.
- **Bluetooth 5.2:** Ensures stable and efficient wireless connection.
- **TWS Pairing:** Allows two ARC speakers to be paired for a wider, immersive stereo sound experience.
- **USB-C Charging:** Modern and convenient charging interface.
- **One-Click Disconnect:** A dedicated button to instantly unpair unwanted devices.
- **Hidden Pen Stand:** A discreet flap stores up to two pens, maintaining a sleek design.
- **6-Hour Playtime:** Enjoy extended audio playback on a single charge.

IMMERSIVE AUDIO EXPERIENCE
HANDS-FREE ENTERTAINMENT

The Xech ARC speaker features an integrated phone stand, allowing for hands-free viewing of content while enjoying audio.

WIDER PHONE HOLDER
EASILY HOLDS
THICKER PHONES

OPTIMAL
VIEWING ANGLE
STRESS FREE VIEWING

The phone stand is designed for an optimal 105-degree viewing angle, providing comfortable hands-free use.

POWERFUL SOUND
THRILLING BASS
UNMATCHED PERFORMANCE

Experience powerful sound and thrilling bass from the 5W audio driver, enhancing your listening experience.

The speaker includes a hidden dual-slot pen holder, helping to keep your desk organized.

For a wider soundstage, two Xech ARC speakers can be paired together using TWS technology.

The Xech ARC features a compact design and a durable lanyard for easy portability.

The speaker is equipped with a universal USB-C port for convenient charging.

4. SETUP GUIDE

4.1. Charging the Speaker

1. Connect the provided USB-C charging cable to the charging port on the speaker.
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The charging indicator light will illuminate during charging and turn off when fully charged.
4. A full charge typically takes approximately 2-3 hours.

4.2. Powering On/Off

- **To Power On:** Press and hold the Power button () for 2-3 seconds until you hear an audible prompt and the LED indicator lights up.
- **To Power Off:** Press and hold the Power button () for 2-3 seconds until you hear an audible prompt and the LED indicator turns off.

4.3. Bluetooth Pairing

1. Initial Pairing:

- Ensure the speaker is powered on and in pairing mode (LED indicator will flash blue).
- On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
- Select "Xech ARC" from the list. Once connected, the LED indicator will turn solid blue.

2. TWS (True Wireless Stereo) Pairing:

- Ensure both Xech ARC speakers are powered on and not connected to any other device.
- On one speaker, double-press the Power button (). It will enter TWS pairing mode.
- The two speakers will automatically connect to each other. Once connected, one speaker will act as the master (LED solid blue) and the other as the slave (LED solid blue).
- Now, connect your device to the master speaker as per the initial pairing steps.

3. **One-Click Disconnect:** Press the dedicated disconnect button () to instantly unpair the speaker from the currently connected device. This allows for quick connection to a new device.

5. OPERATING INSTRUCTIONS

5.1. Basic Controls

Button	Function
Power ()	Press and hold for 2-3 seconds to Power ON/OFF. Double-press for TWS pairing (on one speaker).
Play/Pause (▶)	Press once to Play/Pause music. Press once to Answer/End a call. Press and hold to Reject a call.
Volume Down (-)	Press once to decrease volume. Press and hold for previous track.
Volume Up (+)	Press once to increase volume. Press and hold for next track.
Disconnect ()	Press once to disconnect from the current Bluetooth device.

5.2. Using the Phone Stand

The integrated phone stand is located on the top surface of the speaker. Simply place your smartphone into the slot for hands-free viewing. The stand is designed to accommodate various phone sizes and provides an optimal viewing angle for video calls, content consumption, or monitoring notifications.

5.3. Using the Pen Holder

To access the pen holder, lift the small flap located near the phone stand. Insert up to two pens into the designated slots. Close the flap when not in use to maintain the speaker's sleek appearance and keep your pens securely stored.

5.4. Making/Receiving Calls

- When a call comes in, press the Play/Pause button  once to answer.
- To end a call, press the Play/Pause button  once again.
- To reject an incoming call, press and hold the Play/Pause button  for 2 seconds.
- The built-in microphone ensures clear communication during calls.

6. MAINTENANCE AND CARE

- Keep the speaker away from water, moisture, and extreme temperatures. The speaker is not waterproof.
- Clean the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Avoid dropping or subjecting the speaker to strong impacts.
- Store the speaker in a cool, dry place when not in use for extended periods.
- To prolong battery life, charge the speaker regularly, even if not in frequent use.

7. TROUBLESHOOTING

Issue	Possible Cause	Solution
Speaker not turning on	Low battery; Power button not pressed correctly.	Charge the speaker fully. Press and hold the Power button for 2-3 seconds.
Cannot pair with device	Bluetooth not enabled; Speaker not in pairing mode; Device too far.	Ensure Bluetooth is on. Put speaker in pairing mode. Move device closer (within 10 meters). Disconnect other devices using the disconnect button.
No sound or low volume	Volume too low; Device not connected; Corrupted audio file.	Increase speaker and device volume. Re-pair the device. Try playing a different audio file.
TWS pairing failed	Speakers already connected to other devices; Incorrect pairing procedure.	Ensure both speakers are disconnected from all devices. Follow TWS pairing steps carefully.
Charging issue	Faulty cable/adapter; Charging port damage.	Try a different USB-C cable and power adapter. Contact customer support if the issue persists.
