Features

- **Tap-Activated Lighting:** Easily switch between 9 soft-glowing colors with a simple tap on the silicone body.

- **Portable Design:** Cordless and rechargeable, this night light is perfect for travel and can be carried anywhere.

- **Safe & Soft Material:** Constructed from high-quality, squishy silicone with a closed LED unit that remains cool to the touch.

- **Multiple Light Modes:** Choose between a steady color, slow color flow, or color blinking modes.

- **Long Battery Life:** USB-rechargeable, providing up to 32 hours of continuous gentle light.

- **Educational & Fun:** An engaging way to introduce children to colors through interactive light play.

Key features of the Lumipets Junior Fox Night Light.

Setup

1. **Initial Charge:** Before first use, fully charge the night light using the provided USB cable. Connect the small end of the cable to the charging port on the base of the light and the larger end to a USB power source (e.g., computer, wall adapter). The charging indicator light will show charging status.

2. **Power On:** Locate the power button on the base of the night light. Press it once to turn the device on.

The Lumipets night light is designed for easy setup and immediate use.

Operating Instructions

1. **Turn On/Off:** Press the power button on the base to turn the night light on or off.

2. **Change Colors/Modes (Tap Control):** Gently tap the silicone body of the night light to cycle through the available colors and modes. This includes 9 individual colors, a slow color flow mode, and a color blinking mode.

3. **Brightness Adjustment:** The night light offers a gentle, soothing glow suitable for nurseries. Specific brightness levels are pre-set within each color option.

Designed for *independent* sleep
Easy for little dreamers to change and set colors.

The Lumipets Junior Fox Night Light provides comforting illumination.

Maintenance

- **Cleaning:** The silicone body of the Lumipets night light is washable. Ensure the light base is removed before cleaning the silicone. Wipe the silicone with a damp cloth and mild soap, then rinse thoroughly. Allow to air dry completely before reassembling.
- **Storage:** Store the night light in a cool, dry place when not in use for extended periods.

Bedtime & playtime made *easy*

Thoughtfully designed to fit into everyday routines

Choose from 8 colors, or switch between 2 color-changing modes with a simple tap.

Kids can explore and recognize colors through gentle light play, making glowing moments fun and engaging.

Designed for easy cleaning, LumiPets can be safely placed in the dishwasher for hassle-free care.

The washable silicone body ensures easy maintenance for hygiene.

Troubleshooting

- **Light Not Turning On:** Ensure the night light is fully charged. Check the power button on the base to confirm it is in the 'on' position.

- **Not Changing Colors:** Ensure the light base is properly seated within the silicone body. Try tapping firmly but gently. If using a remote (if applicable to your model), ensure batteries are fresh and there are no obstructions.

- **Charging Issues:** Verify the USB cable is securely connected to both the night light and the power source. Try a different USB port or adapter.
