Hunter Newsome 52396 52-inch Indoor Ceiling Fan with LED Light Instruction Manual

This manual provides detailed instructions for the installation, operation, and maintenance of the Hunter Newsome 52396 52-inch indoor ceiling fan with LED light and pull chain control.

1. PRODUCT OVERVIEW

The Hunter Newsome 52-inch ceiling fan is designed for indoor use, featuring a low-profile mount suitable for rooms with ceilings under 9 feet. It includes an integrated LED light and is controlled via pull chains. The fan incorporates WhisperWind® motor technology for quiet operation and SureSpeed® for optimized airflow, ensuring comfort in large bedrooms, living rooms, kitchens, and home offices.

4. INSTALLATION INSTRUCTIONS

This section outlines the general steps for installing your Hunter Newsome ceiling fan. For detailed, step-by-step instructions, please refer to the dedicated installation manual included with your product (Figure 4.1).

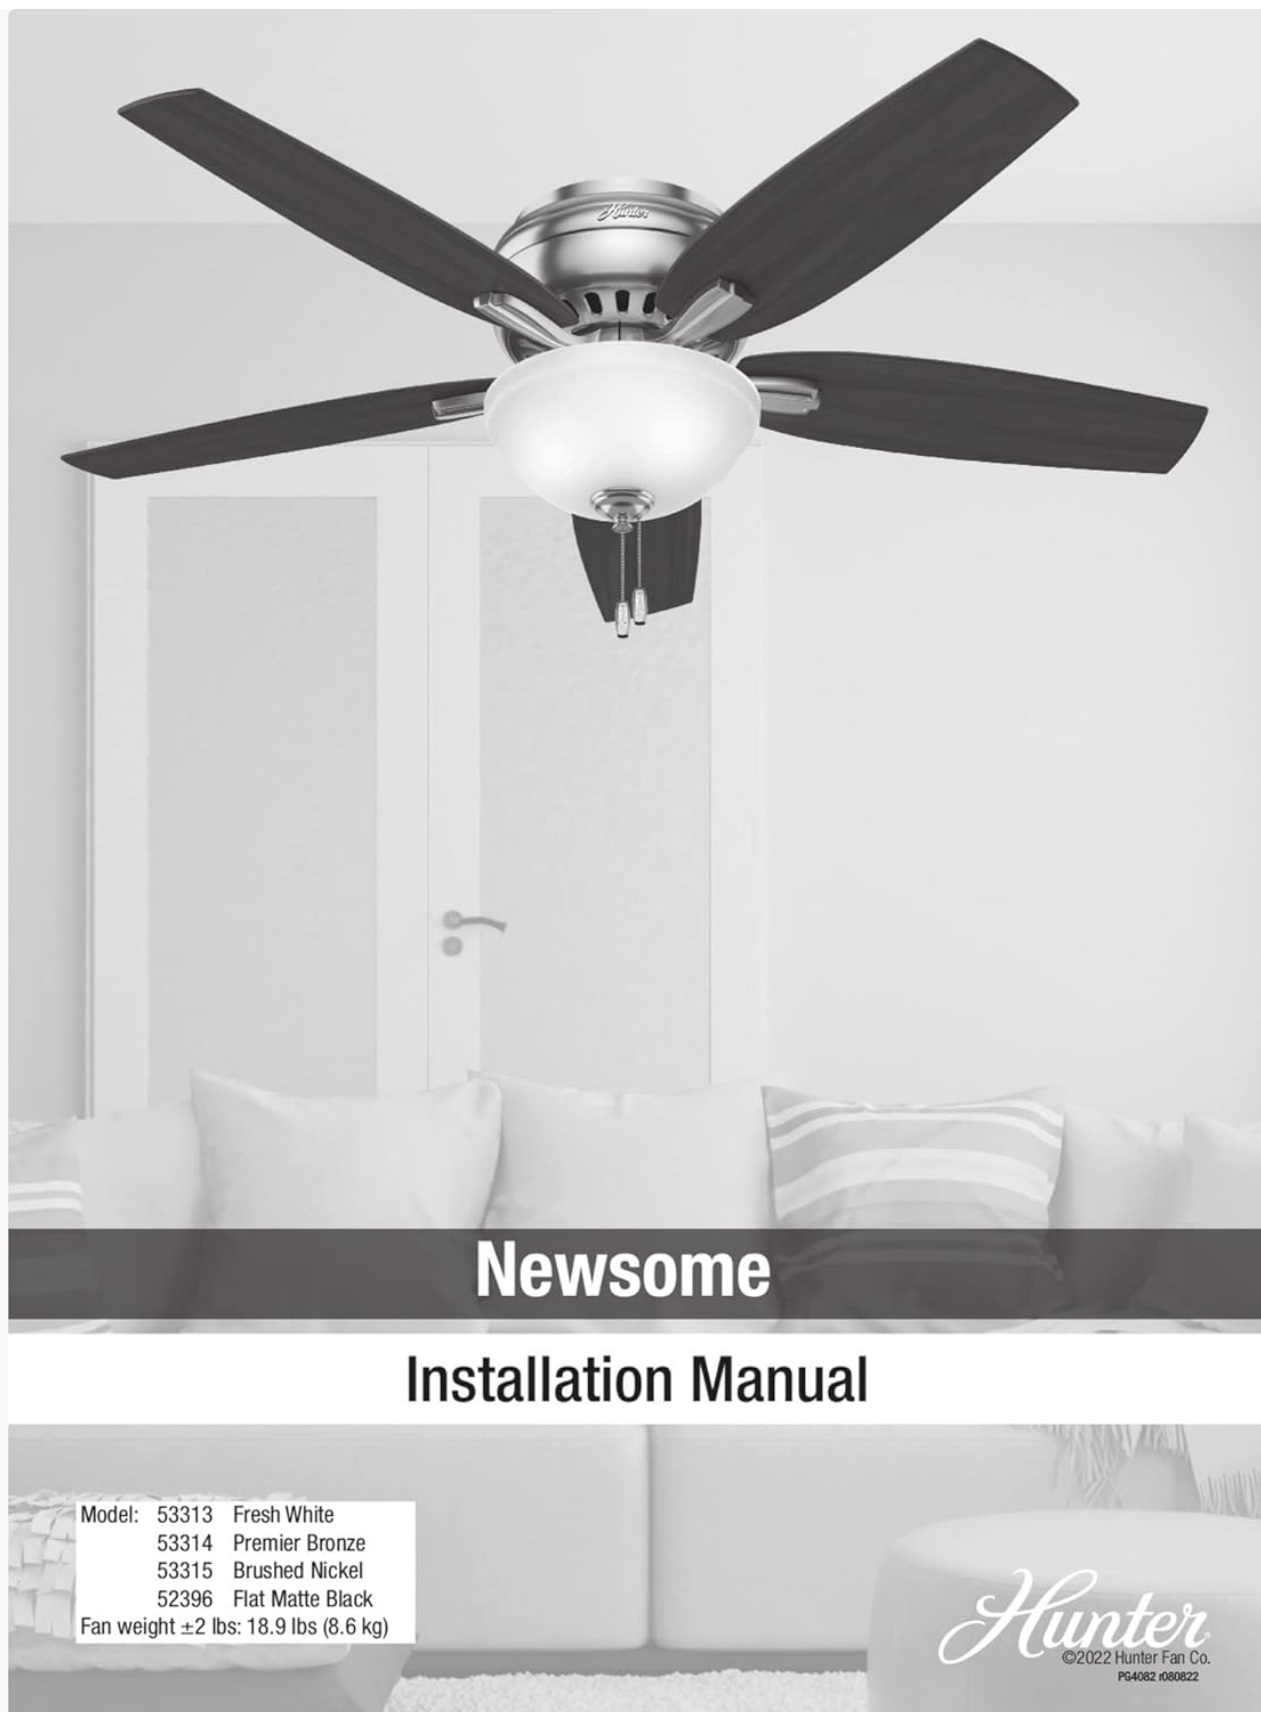

Figure 4.1: Hunter Newsome Installation Manual cover.

Safety Precautions

- Ensure power is disconnected at the circuit breaker before installation.
- Consult a qualified electrician if you are unfamiliar with electrical wiring.
- Mount the fan to a ceiling joist or a fan-rated outlet box capable of supporting the fan's weight (approximately 19 pounds).

Mounting the Fan

- Secure the mounting bracket to the ceiling outlet box.
- Connect the electrical wiring according to local codes and the included wiring diagram.
- Attach the fan motor assembly to the mounting bracket.

Figure 4.3: Another view of the Hunter Newsome fan in a bedroom setting.

Attaching Blades and Light Kit

- Securely attach the five reversible fan blades to the motor housing.
- Install the LED light kit and bulbs.
- Attach the glass bowl and pull chains.

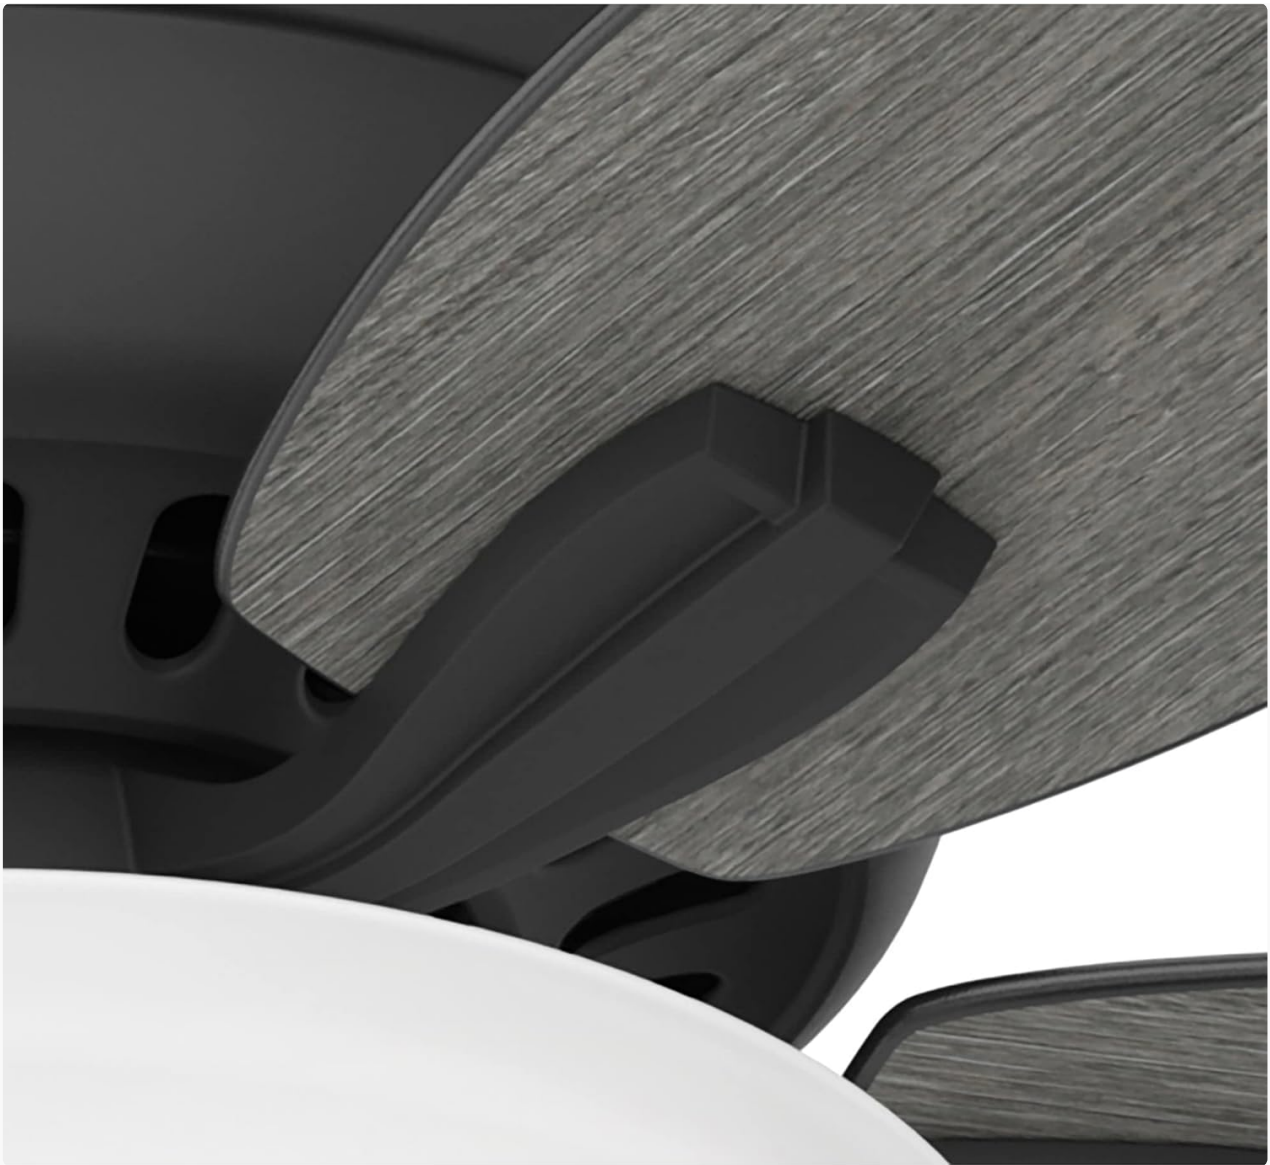

Figure 4.5: Detail of how the fan blades attach to the motor housing.

Figure 4.6: View of the fan's motor housing, featuring the Hunter brand emblem.

5. OPERATING INSTRUCTIONS

The Hunter Newsome ceiling fan is operated using two pull chains: one for fan speed and one for the light.

Fan Speed Control

- Pull the fan speed chain repeatedly to cycle through the three available speeds (High, Medium, Low) and Off.

Light Control

- Pull the light chain to turn the LED light On or Off.

Reversible Blades

The fan features reversible blades, allowing you to change the blade finish to match your decor. To reverse the direction of airflow for seasonal comfort, locate the reverse switch on the fan motor housing (typically a small slide switch).

- For cooling (summer), set the switch to ensure downward airflow.
- For heat circulation (winter), set the switch to ensure upward airflow.

6. MAINTENANCE AND CARE

Regular maintenance ensures the longevity and optimal performance of your Hunter Newsome ceiling fan.

- **Cleaning:** Periodically clean the fan blades and motor housing with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish.
- **Blade Balancing:** If the fan wobbles, ensure all blade screws are tight. A balancing kit (not included) can be used if wobbling persists.
- **Light Bulb Replacement:** The fan uses energy-efficient LED bulbs. If replacement is needed, ensure power is off and use bulbs of the same type and wattage.
- **Annual Inspection:** Annually check all connections and mounting hardware for tightness.

7. TROUBLESHOOTING GUIDE

Refer to the table below for common issues and their solutions.

Problem	Possible Cause	Solution
Fan does not start	No power to the fan	Check circuit breaker and wall switch.
Fan wobbles	Loose blade screws or unbalanced blades	Tighten all blade screws. Ensure blades are balanced.
Light does not work	Loose wiring or faulty bulb	Check light kit wiring. Replace LED bulb.
Fan is noisy	Loose screws or internal motor issue	Tighten all screws. If noise persists, contact customer support.

8. QUALITY AND TESTING

Hunter is committed to producing high-quality, reliable ceiling fans. The following video provides insight into the rigorous testing and certification processes that Hunter products undergo to ensure safety and performance.
