WHAT'S IN THE BOX

Your LEGO Friends Sea Rescue Center set contains 376 pieces, including:

- LEGO Building Elements
- 3 Mini-Dolls: Autumn, Leo, and Kayla
- 2 Sea Otter Figures
- 1 Seahorse Figure
- 1 Sea Turtle Figure

- Water Scooter
- Various accessories: life vest, feeding bottle, walkie-talkie, treasure chest, camera, computer, microscope, syringe, and an X-ray machine.

Refer to the packaging for a complete list of contents and piece count.

SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the included building guide. For an interactive experience, you can also use the LEGO Builder app.

Using the LEGO Builder App

The LEGO Builder app offers intuitive 3D building instructions, allowing you to zoom in, rotate models, and track your progress. This can enhance the building experience.

Ensure all pieces are sorted before beginning assembly to streamline the process and prevent loss of small elements.

OPERATING THE SEA RESCUE CENTER

The LEGO Friends Sea Rescue Center is designed for imaginative play, focusing on animal care and rescue scenarios. Here are some key play features:

Animal Rescue and Care

CARE FOR RESCUED OTTERS AT THE SEA RESCUE CENTRE

Image: A mini-doll character uses a feeding bottle to care for a sea otter, with an X-ray machine visible in the background. This illustrates the animal care aspect of the set within the rescue center.

- **Water Scooter:** Use the water scooter to transport rescued animals to the dock for immediate care.
- **Examination Area:** Utilize the X-ray machine and other medical accessories to diagnose and treat the otters and other marine creatures.
- **Rehabilitation Area:** Help the otters slide into the rehabilitation area for recovery and rest before their return to the ocean.
- **Observation Tower:** The rotating tower allows characters to look out for animals in distress or monitor the surrounding waters.

MAINTENANCE AND CARE

- **Cleaning:** To clean your LEGO set, use a soft cloth dampened with water. Avoid harsh chemicals or abrasive materials, as these can damage the plastic.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration and damage to the plastic elements. Keeping pieces organized can also prevent loss.
- **Handling:** Handle the assembled model with care to prevent pieces from detaching. Avoid excessive force during play.

TROUBLESHOOTING

Missing Pieces

If you find any missing pieces during assembly, please contact LEGO Customer Service directly. They can assist with replacement parts to ensure your set is complete.

Difficulty Assembling

Refer to the LEGO Builder app for interactive 3D instructions or re-examine the printed manual carefully. Ensure you are using the correct pieces for each step. LEGO pieces are designed to fit together precisely, so if a piece doesn't fit easily, double-check the instructions.

SPECIFICATIONS
