## 4. MAINTENANCE

To ensure the longevity and appearance of your LEGO set, follow these simple maintenance guidelines:

- Cleaning:** Dust regularly with a soft brush or compressed air. For deeper cleaning, wash individual bricks with mild soap and lukewarm water (not hot water) and rinse thoroughly. Air dry completely before reassembly.
- Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration and warping of plastic elements.
- Handling:** Handle the model with care to avoid accidental disassembly, especially when moving or transporting.

## 5. TROUBLESHOOTING

- Missing Pieces:** If you discover any missing pieces during assembly, please visit the official LEGO Customer Service website to request replacement parts.
- Assembly Difficulties:** Refer to the instruction manual or the LEGO Builder app for detailed visual guidance. Ensure all bricks are firmly connected.
- Loose Connections:** If parts feel loose, ensure they are correctly aligned and pressed firmly together. Some connections may require more force than others.
