SETUP AND ASSEMBLY

This set contains 555 LEGO building elements. Assembly is required. For detailed, step-by-step building instructions, please download the official LEGO Super Mario app. The app provides digital instructions, inspiration, and compatibility information for Android and iOS devices.

- **Download the App:** Visit LEGO.com/devicecheck to download the LEGO Super Mario app.
- **Follow Digital Instructions:** Use the app to access unique digital building instructions for the Donkey Kong's Tree House Expansion Set.
- **Required Starter Course:** An interactive LEGO Mario, LEGO Luigi, or LEGO Peach figure from a LEGO Super Mario Starter Course (71360, 71387, or 71403) is required for interactive play with this expansion set. These figures are sold separately.
