Energy Burst

- **Energy Cost:** 2 Colorless Energy
- **Damage:** 30x
- **Effect:** This attack does 30 damage for each Energy attached to**both** Active Pokémon (your Active Pokémon and your opponent's Active Pokémon). The damage output scales with the total energy on both active combatants.

Setup: Integrating Your Card

To prepare your Victini V card for play or collection, consider the following:

- **Deck Inclusion:** Victini V can be included in a standard Pokémon TCG deck, adhering to the game's deck construction rules (e.g., maximum of 4 copies of any single card, excluding basic Energy cards).
- **Protective Sleeves:** It is highly recommended to place your card in a protective sleeve immediately upon acquisition to prevent wear, scratches, and bending during handling and gameplay.
- **Storage:** Store the card in a dedicated card binder or storage box to maintain its condition and value.

Maintenance: Card Care

Proper care ensures the longevity and preservation of your Victini V card:

- **Handling:** Always handle the card by its edges to avoid transferring oils from your skin to the card surface, which can cause discoloration or damage over time.

- **Storage Environment:** Store cards in a cool, dry place away from direct sunlight, extreme temperatures, and humidity. These conditions can cause warping, fading, or mold growth.
- **Cleaning:** For minor dust, gently wipe the card with a clean, dry, lint-free microfiber cloth. Avoid using any liquids or abrasive materials.

Troubleshooting: Common Issues

While trading cards do not typically have 'malfunctions' in the traditional sense, common issues relate to physical condition or rule interpretation:

- **Physical Damage:** If the card is bent, creased, or torn, its condition is permanently affected. Prevention through proper handling and storage is key.
- **Rule Clarification:** For any ambiguities regarding Victini V's abilities or general Pokémon TCG rules, consult the official Pokémon TCG rulebook or the official Pokémon website for the most accurate and up-to-date rulings.

Warranty and Support Information

As a single trading card, the Victini V 025/202 card typically does not come with a manufacturer's warranty. Its value and condition are largely dependent on how it is handled and stored after purchase.
