# Hot Wheels Monster Trucks Arena Smashers Glow-in-the-Dark Gunkster Playset Instruction Manual

Model: HPN72

### INTRODUCTION

---

The Hot Wheels Monster Trucks Arena Smashers Glow-in-the-Dark Gunkster Playset provides an interactive play experience where the Gunkster Monster Truck confronts a glow-in-the-dark sludge monster. The playset features a dynamic base that moves and shakes, enhancing the impact of crashes and smashes. This manual provides essential information for setup, operation, maintenance, and specifications of your playset.

## WHAT'S IN THE BOX

- 1 Hot Wheels Monster Trucks Arena Smashers Glow-in-the-Dark Gunkster Playset
- 1 die-cast 1:64 scale Glow-in-the-Dark Gunkster Monster Truck
- 2 glow-in-the-dark crushable cars

## SETUP INSTRUCTIONS

1. **Unpack Components:** Carefully remove all parts from the packaging.
2. **Assemble Playset:** Connect the various sections of the playset as indicated in the included assembly guide. The pieces are designed to snap together without the need for additional tools.
3. **Position Crushable Cars:** Place the two glow-in-the-dark crushable cars in the designated spots on the playset, such as the grandstands or special destruction zones.
4. **Prepare Gunkster Truck:** Ensure the 1:64 scale Glow-in-the-Dark Gunkster Monster Truck is ready for launch.

## ***AIM & LAUNCH FOR THE MONSTER!***

### **OPERATING INSTRUCTIONS**

1. **Launch Gunkster:** Position the Glow-in-the-Dark Gunkster Monster Truck on the launch mechanism.
2. **Aim for Smash Spots:** Aim the Gunkster truck towards the designated smash spots on the glow-in-the-dark sludge monster.
3. **Initiate Attack:** Launch the Gunkster truck to hit the monster. The playset's base will move and shake with each impact.
4. **Defeat the Monster:** Successfully hitting the monster in the correct spots will cause it to be defeated. Missing the target may result in the sludge monster 'attacking'.

### **Glow-in-the-Dark Feature**

The playset's glow-in-the-dark elements, including the sludge monster and included vehicles, require exposure to light to activate their luminescence. For optimal glow, expose the playset to bright light for a period before playing in a darkened environment.

### **MAINTENANCE**

- **Cleaning:** Wipe the playset and vehicles with a damp cloth to remove dust and debris. Avoid using

harsh chemicals or abrasive cleaners.

- **Storage:** Store the playset in a cool, dry place away from direct sunlight when not in use.
- **Inspection:** Periodically inspect all parts for any signs of damage or wear. Discontinue use if any components are broken.

## TROUBLESHOOTING

---

- **Trucks not launching effectively:** Ensure the launch mechanism is fully engaged and released with sufficient force. Check for any obstructions in the track.
- **Glow-in-the-dark feature not working:** Confirm that the glow-in-the-dark components have been exposed to bright light for an adequate period to charge.
- **Playset components not connecting:** Verify that all pieces are correctly aligned and firmly pressed together until they click into place. Refer to the assembly guide if needed.
